

SWIMMING POOL IN JASPER PARK

An open-air heated swimming pool will be an added attraction at Jasper Park Lodge, the summer mountain hotel of the Canadian National Railways in Jasper National Park, according to an announcement made by Walter Pratt, general manager of the hotel department of the National System. The construction of the pool has been under way for some time, and work has progressed so well that the pool will be ready for the opening of the season in the latter part of May.

The pool, which has been built directly in front of the main lodge on the shore of Lac Beauvert and within sight of some of the highest mountain peaks in the park, was designed and constructed entirely by engineers of the Company. It is built of reinforced concrete on concrete piers and is 100 feet long by 40 feet wide. Fifteen feet at the shallow end have been railed off as a wading pool for children and this end will vary in depth from one foot nine inches to two feet six inches. The rest of the pool will vary in depth from three to

nine feet. At the deep end spring boards and a diving tower are provided. The most modern heating and filtering methods have been employed and the water is drawn from a spring in the mountains behind the lodge.

The lighting features are unique. In addition to overhead lighting, electric bulbs have been concealed below the surface of the water and it is thought that the effect of this submarine illumination will be very striking.

Sufficient space is provided above the water level for the accommodation of spectators in the event of racing or diving competitions or other aquatic sports. In addition to a five-foot runway close to the water for the use of the swimmers, there is a platform ranging in width from 11 feet on three sides to 34

feet on the boat-house side. Benches are arranged on these platforms for spectators. Dressing rooms and shower baths are provided in a cabin near the pool.

Supervision of the pool will be under the direction of George O. Stafford, an employee of the hotel department of the Canadian National Railways in Montreal, who is being transferred to Jasper for the summer. Mr. Stafford is one of the best known swimmers and divers in Canada. He was born in England, where he won the Junior Championship of the Southern Counties in swimming and diving in 1917. He came to Montreal in 1920 and in 1922 he won the Province of Quebec fancy diving championship and held the honors during 1923 and last year. He was runner-up for the Canadian fancy diving championship in 1922 and won the Canadian indoor fancy diving championship this year.

TOWNSHIP OF WHITNEY  
1925 TAX RATE, 42 MILLS

Slight Increase Over Last Year's Tax Rate in Township.

The tax rate for the Township of Whitney has been struck for the year and the following are the rates:—  
For Township purposes, 20 mills.  
For Statute Labour, at \$2.00 per day.

For Public School Debentures, S.S. No. 1, Whitney, 7 mills.  
For Public School rate, S.S. No. 1, Whitney, 15 mills.  
For Public School rate, S.S. No. 1, Tisdale, 21 mills.

Most of the township is taxed for S.S. No. 1, Whitney, but a part is taxed for the South Porcupine school. The rate for the latter is 48 mills on the dollar, and for those supporting S.S. No. 1, Whitney, the rate for 1925 is 42 mills.

OVER A THOUSAND OLD BOYS  
AT NORTH BAY THIS WEEK

Up to Monday evening this week over a thousand old boys of North Bay, now residing elsewhere throughout the wide world, had returned to the baby city for the Old Home Week. According to reports coming up this way the Old Home Week is proving a wonderful success at the Bay and everybody is having a great old time.

COAL OIL STOVE EXPLODES  
AND CAUSES FIRE ALARM.

At ten past six last night the motor fire truck made a rapid run to 151 Birch Street, North. A coal oil stove had exploded at the residence of Mr. Reid. The only damage done was from smoke the occupants of the house being able to put out the fire by prompt and effective action. The quick run, however, made by the motor truck once indicated the value of motor fire equipment.

FORMER RESIDENT HERE  
DIES IN MICHIGAN, U.S.A.

Friends in town will regret very much to learn of the death at Lancel, Michigan, U.S.A., on Tuesday, July 28th, of Mrs. Oliver Gagne. Mrs. Moffat received a telegram telling of the sad event, but no particulars are to hand. The late Mrs. Oliver Gagne was for many years a resident of Timmins, leaving here about a year ago. She formerly lived on the corner of Third Avenue and Birch Street. She was highly regarded by all who knew her, and her death will be deeply regretted.

Timmins Now the Champions  
of Northern Group, N.O. B.A

Game Saturday Afternoon Decided the Question. The Errors and Some Decisions Marred the Game. The Weather Was Ideal Baseball Weather.

Saturday's ball game was fairly well attended, but proved a little disappointing, the brand of ball not being as good as played here several other occasions. The Broke Hunter gives the following account of the game.

Timmins won the championship of the Northern Section of the Temiskaming Baseball League Saturday, in Timmins when they defeated the locals seven runs to three. Errors practically lost the game to the Falls. Flanders pitched nice ball and the loss cannot be blamed to him.

In the first two innings Timmins had gained a five run lead, which

owing to the way the Falls hit the ball, was too big to overcome. Five hits were scored off Nottingham and they were well scattered. In the eighth innings, the Falls had a good chance to secure three or four runs when two walks and a hit filled the bases with none out. Faley was then unfortunate enough to foul out and Spence hit a long fly to right field, sacrificing in one run. Flanders with two men still on the bases struck out. Tate and McGrath each got two hits. Nickless got a two-bagger, walked twice and stole two bases.

Timmins scored three two baggers and the Falls two. This gives Tim-

mins eight wins and the Falls two and there are still four more games to play. Two of these games will be played here this week on Wednesday and Saturday. Charlie Roach of hockey fame, umpired behind the plate and Geo. Brady, the bases.

The umpire question all year has been a big problem and something radical will have to be done next year if the game is to prosper. Following is the box score:—

OLD-TIME DANCES AT KING'S HALL, THURSDAY EVENING

There will be a special dance event at King's Hall tomorrow night Aug. 6th, commencing at 8.30. Square dancing, old-time round dancing, etc., will be featured. The Dance is for the benefit of Mr. E. St. Pierre, who has been blind for the past six years. He was one of the first residents of Timmins and lost his sight in Timmins through illness in 1919. There will be the best of music for the event tomorrow (Thursday) night, and all attending may be sure of a good time, as well as helping a good cause.

GOOD PROGRESS BEING MADE ON SOUTH END ROAD

Work is making good progress on the Timmins-South Porcupine Road. In addition to the stretch from Timmins to the McIntyre, there is a strip of the roadway completed from the South Porcupine end. The completed roadway is generally considered as good work well done. It is expected that the whole stretch of road will be completed early next month. From present indications the South Porcupine-Timmings road will be in full use by Sept. 15th, and will prove a very fine piece of good roadway.

TIMMINS

TIMMINS — ONTARIO

Mr. H. F. Schroeder .....Violin, Piano and all String Instruments  
Mr. E. A. Nunn.....Violin and Piano  
Mr. Burton Holland.....Violin  
Miss Dorothy C. Porter.....Piano

All branches of Music taught, including, Harmony, Theory, Counterpoint, Fuge, etc.

To Whom It May Concern :

"Mr. H. F. Schroeder is a Musician in the broadest sense of the word, having studied under A. E. Kaeppl, E. H. Holman, A. Rechin, Hongo Schmol and others. He has a wide experience as Teacher and Violinist, and has a thorough knowledge of the works of the old masters, as well as the more modern composers. I can recommend him as a Teacher and Performer of the very best type." Mr. George Nern, Concert Organist and Tenor, 2046 1/2 Highland Ave., Hollywood, California. Other testimonials upon application.

Mr. Edward A. Nunn, A.V.C.M., Hons., is an Honour Graduate of the Victoria College of Music, London, Eng., and comes to us highly recommended. He had studied under Dr. J. H. Lewis (Principal of the Victoria College), Dr. J. W. Bentley, Mus., Doc., Cantab., of Cambridge University; Sir Landon Ronald, the King's Musician; Sir Frederick Bridge and others.

Mr. Burton Holland, Violin, and Miss Dorothy C. Porter, Piano, received the greater part of their musical education under Mr. Schroeder. These two teachers are making an enviable reputation for themselves both as Teachers and Performers:— We sincerely recommend them.

We are negotiating with Miss Elizabeth H. Fox, of Toronto, who is a twelve year student of the Hamburg Conservatory in Violin and Piano and of whom the Toronto Globe says: "Miss Elizabeth H. Fox in the difficult Weiniawski Legend played the expressive melody in the first and second sections with a refined singing style, and surmounted the double stopping difficulties of the middle movement with apparent ease."

All pupils enrolling have the privilege of taking Examinations every six months, either of the Toronto Conservatory or the Timmins Conservatory.

Weekly Theory, Harmony and Orchestra Classes—Free  
Enrollment may be made at any time:—Syllabus of Examinations etc., may be obtained upon application.

All pupils working for Certificates and Diplomas will be required to take Theory.
