### SPORTS DAY AT TIMMINS WEDNESDAY, AUGUST 26

Pleasing Field Day.

There will be a Sports Day held at the Athletic grounds, Timmins, on Wednesday, Aug. 26th, under the auspices of the Hollinger Recreation Club. It was intended to hold the event a week earlier, but the date interfering with a N.O.B.A. match the Hollinger Club promptly made way for the baseball, postponing their event to August 26th, as noted. The extra time before the event will simply be used to further perfect arrangements and assure the best kind of a day of sports. The Hollinger Recreation Club has shown talent and executive ability in planning events of this kind and so it is confidently expected that the Sports Day on Aug. 26th, will be a decidedly special one. Among the items planned are -100 yards dash, 220 yards and 440 yards, relay race, boys' and girls' races, football, baseball, softball, novelties,
