Our Label-

THE SIGN OF PRESCRIPTION PERFECTION

Our label on any prescription package guarantees the contents absolutely correct in every way, shape and manner. Beginning with the purity and potency of the drugs determined—these being tested for your protection—followed by the employment of an equipment in compounding, modern and complete, and then the exercising of long experience and extreme knowledge in compounding with a care to attention, these all forbid the possibility of a mistake. Bring all prescriptions to us for better quality and better service, or at least as good as man can give in this important work.

Gainsborough
POWDER PUFF

Made in all shades to suit your needs. Each packed in sensitive dust-proof container. Consider them with any puff you've ever used. Prices 10c to 75c.

Powdering your face so that no powder shows requires little skill if you use a Gainsborough Puff, for it holds just the proper amount of surface powder.

The softer, finer texture found only in Gainsborough Powder Puffs is attained by using specially loomed, deep piled materials.

Each soft caress—adds loveliness—

NONE ARE SO BLIND AS THOSE THAT WILL NOT SEE.

We sometimes encounter people with very defective vision who, through some foolish prejudice, cannot be made to see the value of lenses correction. Fortunately, for future generations, this type is rapidly becoming extinct. Be wise—Save your eyes.
