

## Big Crowd From Timmins at the Falls for Labour Day

About 250 Go Over From Here by Special Train. Another Three or Four Hundred Motor to Iroquois Falls. Despite Bad Weather, the Day Proves Most Enjoyable.

About 250 went over by special train from Timmins to Iroquois Falls to enjoy the big day of sports. Another three or four hundred visited the Falls by motor car during the day. It is estimated that fully 200 motor cars from the Porcupine made the trip to the Falls on Monday. Other parts of the North were about equally well represented, and, despite the unfavourable weather, the crowd was a large and well-satisfied one. Rain fell in the morning just about the time the train arrived. It also rained for a while in the afternoon, and towards evening it became very cold. Part of the day was clear and bright, and the programme was carried through successfully. There was enough rain, however, for the committee to be entitled to the \$1,000 rain insurance taken. The parade was somewhat below expectations but the remainder of the events made up for this by their special interest. The committee in charge deserve the highest commendation for the excellent programme prepared and carried through successfully.

Timmins was probably better represented at the event than any other outside town in the district. Some of Timmins Football and Baseball teams were present and the Timmins Citizens' Band contributed much good music for the occasion. As soon as the special train reached the Falls the Band went to the Rink where an unusually attractive musical programme was rendered. The people present at this feature, and also those listening to the Band on the march and at the athletic grounds were enthusiastic in praising the Timmins Band. "Timmins certainly has a very creditable band," was a common expression. Wherever the Band happened to be there was a big crowd gathered to listen to the very fine music rendered so well by the bandsmen under the effective charge of Leader F. J. Wolno. The Iroquois Falls Band, under Bandmaster McGrath, also contributed generously and well to the day's fine musical programme.

Most of those from outside points felt that the Falls was worth a visit for the beauty of its civic square, its lawns, its attractive gardens, its beautiful flowers, shrubs and trees and its general beauty. There was, however, a big programme of interesting events, carried through despite the rain. Special interest centred in the baseball. Copper Cliff's great team played a combination of the Falls, Timmins and Haileybury, winning one game 10 to 4 and the other 7 to 4. Football was another big drawing card, the Timmins team winning from Iroquois Falls 2 to 0. The Falls boys put up a surprisingly fine game and they certainly have some very clever soccer players in that paper town. Timmins will be delighted to see the Falls team playing football again. They play a very fine game. Mr. Craig, Toronto, refereed the match with his usual ability and fairness. In the big programme of athletic events Timmins and Schumacher ath-

letes made a good showing, winning many prizes. The prizes, it may be said, were valuable and appropriate in all cases. In the Bandsmen's Race, W. Stanley won first, E. McGrath (Falls) second, and T. Stevens, third. The events were all well conducted and for the way the features were looked after the committeemen are certainly to be praised to the limit. During the rain spells events were carried along in the big rink.

Palmer's Shows were on hand and did a good business. A special novelty for the day was the political debate. Mr. John Vanier introduced the speakers who had twenty minutes each. Mr. C. V. Gallagher, Liberal candidate, said he had been a labouring man all his life and expressed his sympathy with the workers. He touched on the tariff, the National Railways, the unemployment problem, the rate of exchange, etc., and showed how the King Government had handled matters cleverly to the advantage of the country. Mr. Ray O'Neill, Conservative candidate, combatted these claims, blaming the King Government for the present poor conditions. He said that the people of the North had voted strongly against the O.T.A., but had been over-ruled in this by the "hypocrites of the South." If elected, he said, he would move to repeal the Doherty Act so that liquor could be brought into this country more freely. Mr. John Vanier, however, made the most pointed speech of the day. Mr. Vanier said that neither speaker had touched on what was really needed, but had gone over the same old tariff stuff and so on that had been haranged over for thirty years or more by able men without settling the argument. "What we want," said Mr. Vanier, "is a candidate with a policy for the North Land and for the workingman." He also scored the speakers because they had accomplished nothing to better the lot of the workers in the gold camp. He announced that there would be a convention at Cochrane on Sept. 19th, "of the free and independent electors" of the riding to select a North Land candidate. He urged all to attend and then to work together to elect the man chosen.

The Falls people did everything possible in the way of hospitality for the visitors, and all attending the event had a good time and were well pleased indeed with the Falls. On account of the weather most of the crowd did not wait to return by the special. There was some difficulty at first about honouring the excursion tickets on the regular trains, but this was eventually adjusted after North Bay had been called. In this, as in everything else, the Iroquois Falls people gave all possible assistance. The special crowd was accommodated by adding a couple of coaches from the special to the regular train. Many stayed for the Pulp & Sulphite Union Dance in the evening, and report a wonderfully good time.

## TROUBLE REPORTED IN COBALT LIBERAL RANKS

Eight of Executive Said to Have Resigned Over Mac Lang's Candidature.

Despatches and reports from Cobalt indicate a big row on in the Liberal ranks there. Prominent Liberals are said to be withdrawing from the support of Major Mac Lang, asserting that he has been imposed upon the party by a clique, that he is an outsider, and that the Convention that nominated him was a packed one, with men not citizens of Canada taking prominent part, etc. Eight of the executive of the Cobalt Liberal Association have resigned. Efforts are being made to have Mr. Donald McEachren run as an independent Liberal, but he is understood to object to this proposal. In any event the situation means that there is turmoil in the ranks. The Labour Party is said to be arranging for a convention shortly and this will further upset the calculations of the machine lads. The Ottawa Journal and other outside newspapers are featuring the trouble at Cobalt and no doubt Major Mac Lang will need all his diplomacy to smooth out the situation.

Mr. Spotswood has sold his interest in the Timmins Drug Co., to Mr. C. Desaulniers, of the company. Mr. and Mrs. Spotswood are visiting in Cochrane previous to their return to the South.

## MONTHLY MEDAL HANDICAP ON SATURDAY AFTERNOON.

Play in the Monthly Medal Handicap will start Saturday afternoon at 1.30 at the Timmins Golf Course.

## NO BAND CONCERT IF THE WEATHER PROVES COLD.

Open air band concerts are always dependent upon the rain keeping off. Now they also require that the cold does not become too sharp. At the last open air band concert the bandsmen suffered from the damp cold weather, the effects being felt afterwards. In case of a cold evening the band concert will have to be postponed. The indoor band concerts will be starting soon now in any case.

## TIMMINS DOG WON HIGH HONOURS AT TORONTO EX.

Again this year Mr. John Massie's prize-winning Cocker Spaniel won honours at the National Exhibition at Toronto. "Topy," a registered lady of high pedigree in her class, won two first prizes and two seconds, — a high honour, indeed, as it certainly takes a decidedly good animal to win out at Toronto Exhibition where so many outstanding specimens of canine perfection are exhibited. "Northern Belle," another of Mr. Massie's fine spaniels, failed to qualify being reckoned as a little too fat for exhibition purposes.

Mr. and Mrs. J. B. Pare returned on Thursday evening last from a two weeks' visit to Montreal.

## OLD RESIDENT OF TOWN PASSED AWAY ON FRIDAY.

Mr. Rintanen, for many years carrying on a tailoring business at the corner of Fourth Avenue and Balsam Street, died on Friday after an illness of some length. He was for a great many years a resident of town and was well known and had many friends here. A widow survives, and to her and the other relatives and friends the sympathy of all is extended.

## MEETING OF BOARD OF TRADE MONDAY NIGHT

To Select Delegates for Annual Meeting of Associated Boards, and Other Business.

Timmins Board of Trade will meet in the Council Chamber on Monday evening, Sept. 14th, at 8 p.m. The business before the meeting will include arrangements for representation from Timmins at the annual meeting of the Northern Ontario Associated Boards of Trade, to be held at Cochrane on Thursday of next week, Sept. 17th. Other business of importance will be considered and all members of the Board of Trade and all others interested in the advancement of the town and district should attend the Board of Trade meeting on Monday evening in the Council Chamber.

## ASSOCIATED BOARDS OF TRADE TO MEET SEPT. 17

Annual Meeting at Cochrane Next Week. Many Important Questions to be Discussed.

The annual meeting of the Northern Ontario Associated Boards of Trade will be held at Cochrane on Thursday of next week, Sept. 17th. One chief item of business will be the election of officers for the ensuing year, and from the fine record of usefulness made by the Associated Boards during the past year it would appear to be good policy to re-elect the present officers in a body. They certainly have given generous and effective service. This is perhaps especially true of the very popular and efficient president, Mr. Alex Dewar, of Iroquois Falls. He has given time, energy, ability and experience to the work and accomplished much. Resolutions of appreciation passed at recent meetings to the President and Secretary were not formal or routine matters, but were sincere expressions of the recognition of generous and capable efforts put forward by these officers in particular and the executive in general for the advantage of the North Land. There will undoubtedly be many delegates present at the annual meeting next week who would be pleased indeed to have the present officers carry on their excellent work for another year.

The report of the delegation to Toronto some months ago will be an interesting feature of the meeting of the Associated Boards. There will also be a number of questions left over at the last meeting to be taken up again. Roads, forestry questions, fire insurance in the North, the freedom of navigable waters, and other matters of interest and importance, will likely be among the questions to be discussed.

An interesting and helpful meeting is expected, with representatives from all over the North Land. Cochrane has made full preparation for the event, and Cochrane is well known for its good hospitality on such occasions.

## Next Ontario Cup Match at Timmins, Saturday, Sept. 19

Ulsters Likely to be the Toronto Team to Come Here. Winners of This Match on the 19th, Will Play the Finals at Toronto on Following Saturday.

The next game at Timmins in the Ontario Cup series will be on Saturday of next week, Sept. 19th, the team likely to be here being the Ulster United. The Ulsters, after a couple of drawn games with the All-Scots last week defeated the Scottish lads 4 to 2, though many are ready to concede the All-Scots as the better team so far as football is concerned. However, by one of those irresistible finishes, the Ulsters triumphed. The score at half-time was 2 to 1 in favour of the All-Scots. With their victory the Ulsters advance to the point where they play the Davenport Albions for the championship of the Toronto District. The general opinion is that the Ulsters will have a fairly easy win. Ulster vs. Davenport match is to be played at Toronto on Sept. 12th. The winners come to Timmins on Saturday of next week, Sept. 19th. Mr. J. Craig, of

## INTERESTING ADDRESSES AT KIWANIS LUNCHEON

The Kiwanis luncheon on Tuesday was held at the Empire Hotel and there was a good turnout of members. In the unavoidable absence of Max Ryan, who was to have given a talk on "Diamond Drilling," the club heard interesting accounts of "How I spent my holidays" from Rev. J. D. Parks and W. D. Cuthbertson, these bright addresses being much appreciated.

## PAVING IN TOWN WILL BE ALL COMPLETE IN A WEEK

Work Making Good Progress and Few More Days Will See it Finished.

Inside of a week, or ten days at the most, the paving contracts in town for the year will be all completed, unless very unfavourable weather should intervene or some other untoward accident occur. Work is progressing very satisfactorily on the roadways concerned. The concrete work is completed for each of the blocks concerned. At present the top dressing for the road is being put down on Spruce Street. It is expected that Fourth Avenue will be finished next and then Cedar Street, with Third Avenue completed when Cedar Street is finished. With the work this year the whole main section of the business part of the town will have paved streets.

## FIRE DESTROYS SOUTH END HOUSE AND CONTENTS

Other Items of Interest From South Porcupine Correspondent.

South Porcupine, Sept. 9. Special to The Advance.

Quite a surprise was sprung on the many friends of Miss Mildred McDougall, when the rumor was authenticated that she was married to Mr. Bruce Relyea of the Bank of Toronto staff. Congratulations to the happy couple.

Miss Olive Orr is having a good time in Toronto while on her vacation. Born to Mr. and Mrs. Deacon, a boy on Tuesday the 8th. Mother and baby both well. Congratulations.

Chief McInnis is building a new residence on the corner of Bloor St. He is putting in a concrete basement and the house will be an asset to the town.

Mr. McMahon, editor and publisher of the Porcupine Press died last week after undergoing an operation for a tumor of the kidney. Our sincere sympathy goes out to the bereaved widow.

Mrs. T. Gibbons and daughter arrived back from an extended trip to the Old Country.

Mr. Owen McKay's house on Connaught Hill was the scene of a fire which practically made the family homeless. The firemen donated their pay to help the parents secure beds and bedding as the loss was a heavy blow.

The new Anglican Church is being rushed to completion, and the congregation will be pleased with their new place of worship.

An announcement last week in The Ottawa Journal reads: "Mr. and Mrs. W. H. Cowper, of Timiskaming, Que., wish to announce the engagement of their daughter, Margaret Aileen, to Mr. John W. Wallace, of Timmins, Ont., marriage to take place at Timiskaming, Que., Sept. 15, 1925."

## First Horticultural Show Successful and Interesting

Displays From the Nurseries of Mr. Whorley, of Haileybury, and Mr. Mendell, Elora, Added to the Interest. Showing of Flowers Very Pleasing. Attendance Good.

The first annual Flower and Vegetable Show, under the auspices of the Timmins Horticultural Society, was held on Labour Day, Sept. 7th, in the Curling Rink. The Curling Rink was a particularly commodious and satisfactory place for the holding of the Show. The attendance was very good and the interest shown all day very pleasing. The event may safely be set down as a very decided and pleasing success. The showing of flowers was particularly attractive, while the vegetable showing though not so large was still interesting.

Mr. Whorley, of Haileybury, acted as judge, and in this capacity assisted the Show in very material way by his knowledge and experience. He also assisted in providing a beautiful exhibit of cut flowers, potted plants and ferns from his nurseries in Haileybury. These were not for competition. The Society is especially grateful to Mr. Whorley for his generous assistance in making the Show a success. Credit and thanks are also specially due to Mr. T. A. Skelly and Mr. W. O. Mendell, of Elora, for a fine display of gladioli. This display was donated by Mr. Mendell and shown by Mr. Skelly, and while the gladioli were not for competition, they added to the interest of the day.

The judging for the best flower and vegetable gardens resulted as follows:

On 30-ft. lots—1st, L. D. Mallin, 67 Birch Street, South, prize a Jardiniere and Stand donated by L'Ecuyer, Smith & Elston; 2nd, T. A. Skelly, 10 Sixth Avenue, Vase donated by Marshall-Eccleston; 3rd, R. Edleston, 68 Maple Street, South, Pair Vases; 4th, J. H. Skelly, 70 Maple Street, South, Plant donated by Mrs. F. E. Harris.

On 60-ft. lots—1st, Rev. R. S. Cushing, 1 Hemlock Street, prize Pair Vases and Jardiniere donated by Mrs. F. E. Harris; 2nd, F. C. H. Simms, 52 Maple Street, South, Potted Fern, donated by Mrs. F. E. Harris; 3rd, M. E. Williams, 23 Hemlock Street, Hanging Fern, donated by Mrs. F. E. Harris.

It is hoped that next year a keener interest will be taken in the Flower and Vegetable Show. Conditions this year were somewhat discouraging on account of the destructive worms. Everyone with gardens should be prepared for them another season so they may be destroyed before doing any harm. The Horticultural Society will be prepared to give advice on means for combating the different pests.

The judging in the Flowers and Vegetables resulted as follows:

Best Fern—1st and 2nd, Rev. Cushing. Best Hanging Plant—1st, Rev. Cushing; 2nd, F. Reed. Best Foliage Plant—1st, L. D. Mallin; 2nd, E. Thompson; 3rd, Rev. Cushing; 4th, T. A. Skelly. ## GRAND EUCHRE AND BRIDGE AT SOUTH END, SEPT. 21st

A Grand Euchre and Bridge will be held in the new school hall, South Porcupine on Monday evening Sept. 21st, commencing at 8.30 p.m., in aid of the R. C. Church. Colombo's Orchestra will be in attendance. A very pleasing evening may be assured to all attending.

## PLEASANT SOCIAL AND DANCE SATURDAY NIGHT.

The Social and Dance held under the joint auspices of the Lancashire and Cornish Football teams proved a pleasing and successful event. The event was held on Saturday evening in the Hollinger Recreation Hall. There was a good attendance and everybody present certainly had a very pleasant time.

## ROAD RACE THE ONLY CIVIC HOLIDAY EVENT

The only special event yesterday (Civic Holiday) was the Road Race, the winners in order being:—S. Bonnell, 1st; M. McMillan, 2nd; H. Auer, 3rd. This is the second year that Bonnell has won the cup, and if he had a place in the first year the cup is his for keeps, the winning being decided upon points. If this year's winner did not get a place the first year, the cup will continue in competition for another year or until won on points. The cup is in charge of the Fire Department.

Tuesday evening the firemen had a run to the Algoma Hotel, but it proved to be only a false alarm.

The President and Secretary and the directors and executive generally are to be congratulated on the noteworthy success attained by the first annual Horticultural Show of the Society of Timmins.

## DOMINION ELECTION ON THURSDAY, OCTOBER 29

May be Four or More Candidates in This Riding.

Last Saturday Premier King formally announced the date of the Dominion Election as Thursday, Oct. 29th, with nomination day on Oct. 22nd. The attitude of The Toronto Globe and other influences in the Liberal party apparently forced the hand of the Premier who evidently wished to avoid an election this year.

In this riding the situation is unusual. The Liberal and Conservative candidates have been duly named and are in the field. On Saturday, Sept. 19th, there is to be a convention at Cochrane to select an independent candidate. At Iroquois Falls on Monday Mr. John Vanier announced this convention as a gathering of the free and independent electors of the riding. He did not qualify it as a Labour Party convention. Some have understood that it was the Labour convention, but others hold that it is apart from the Labour movement and means another candidate in the field in addition to a Labour candidate. This would mean four candidates with the probability of Mr. Bradette of Cochrane also being in the field as an independent Liberal.

The firemen had a run to Mattagami yesterday morning, the alarm arising from a chimney fire. No damage done.
