

## Twenty Minute Limit for Parking Cars in Main Block

No Car to Stand Longer Than 20 Minutes on Third Ave. Between Cedar and Balsam Street. Equipment Secured for Handling Traffic at Corner of Pine and Third. Other Town Council Business.

On account of the death of Mr. D. W. O'Sullivan, Town Solicitor, the regular meeting of the Town Council was deferred from Monday afternoon to Tuesday afternoon of this week. The Mayor, Dr. J. A. McInnis, occupied the chair, and Councillors J. H. Bacon, E. L. Longmore, F. M. Wallingford, H. Charlebois and J. Morrison were present.

Mr. Essa submitted a petition asking the Council to pass a by-law limiting the parking of cars on Third Avenue, between Cedar and Balsam Streets, to twenty minutes. It was explained that automobiles were parked regularly on this business block by the solid hour, and that this was an interference with business generally. Often there were so many automobiles parked along the block that it was difficult to get access to the stores there. The petition for a twenty-minute limit for parking had been signed by all but three of the stores on both sides of the street. Mr. Essa said, ten of the thirteen concerned signing. The three not signing were Messrs A. Gagne, J. Dalton and N. Blahay. Councillor Wallingford referred to the fact that this parking question was to be discussed at the next meeting of the Board of Trade and it might be well to see what the general opinion of the business men of the town was in the matter. Councillor Longmore said, the question was one that concerned the business men and their opinion should prevail. In this case they made a definite request and he thought it should be granted. Eventually a resolution was passed to amend the Town By-law in regard to parking making it illegal for a car to be parked on Third Avenue between Cedar and Balsam Street, for longer than twenty minutes.

Mr. R. Banino asked for permission to construct a cement sidewalk on First Avenue in front of his property there. He was ready to defray the whole cost of the work, and the Council granted his request, the Town Engineer to give Mr. Banino the necessary levels, etc., and to see that the work is satisfactory. Mr. Banino also asked for sewer connection for his property, and this request was also granted on the fair terms suggested by Mr. Banino. The town is to pay for the intersections and Mr. Banino will pay the rest of the cost.

There were a number of complaints to Council in regard to taxes. The applicants were all asked to write their basis of complaint on the back of their tax notice and hand to the Town Clerk. The various complaints would \$10.00 a day interest you.

The new road from Timmins to South Porcupine, although not quite completed, was open for traffic on Sunday and all the motorists of the Porcupine were out for a joy ride on the new thoroughfare. The distance was four and two-fifth miles and three competitors, Auer, McMillan, and Bonnell, the latter two from Schumacher, started on the little marathon about 4.15 p.m. The journey over the road was uneventful, but as the runners entered the home stretch Stanley Bonnell, our youthful sprinter, saw visions of victory, and made a final spurt. His competitors could not respond, and Bonnell crossed the line, a winner, with the veteran McMillan a few seconds behind. We congratulate our representatives on their success.

## SOUTH END FIREMEN TO GIVE MINSTREL SHOW

Other Items of Interest From South Porcupine Correspondent.

South Porcupine, Sept. 16th. Special to The Advance.

The hosts of friends of Miss Ollie Orr will be feeling just a little peeved because they hadn't a chance to attend her wedding. Miss Orr without a doubt has been the most popular and friendly young lady that we have had in the Camp, and when we heard that she had been married in Port Carling, by Rev. McVitty to Mr. F. Findlay, of New Liskeard, we all wished that we might have been there to congratulate the happy couple. As it is we take this method of extending sincere and hearty good wishes and we hope that we will have the pleasure of greeting Mr. and Mrs. Findlay before long.

The S.P.F.D. have always been noted as being right on the job, and now that they are going to put on a Minstrel Show, we are assured of an extra good entertainment. The boys are practicing faithfully and everybody can look forward to a regular side-splitting comedy.
