

Baby's restless nights might be avoided

Scalded skin and other skin troubles are common causes of restlessness, and often could be avoided by careful bathing with Baby's Own Soap.

Its fragrant lather cleanses and heals Baby's skin, and prepares for restful sleep.

GEOLOGICAL SURVEY HAS MAP OF RED LAKE AREA.

Prospectors intending to enter the Red Lake area, Patricia, where according to press reports important discoveries have been made, can obtain a geological map of Red Lake and of the route from Hudson or Sioux Lookout on the Canadian National railway by applying to the Director, Geological Survey, Ottawa.

No official examination has been made of the mineral deposits discovered this year but the following paragraph taken from a report by E. L. Bruce published by the Ontario Department of Mines in 1924 may be of interest:

"During the summer of 1922, prospectors from Winnipeg came to Red Lake by way of Rice Lake. They located claims near the entrance to East Bay, where they found a vein of silver bearing galena. Unfortunately—the impression got abroad that it was of the Cobalt type, with native silver and some of the minerals commonly associated with silver at Cobalt. As a result, several parties went to Red Lake during the latter part of the season and many claims were staked along the shores. Most of these were not prospected at all, but the members of one party recognized that the geological succession was more favourable for gold than silver, made a search for quartz veins and were successful in locating some veins that contain gold in visible quantities."

Dr. Bruce states that "Red Lake is most easily reached from Hudson on the Canadian National Railway. From Lac Seul, the English river is descended as far as the mouth of the Mattawa river, in which distance two short portages are necessary. The Mattawa river is ascended to Shallow Lake, at

MENTIONED FOR POST OF GOVERNOR-GENERAL

Viscount Lascelles is now being suggested by many as a popular choice for Governor-General of the Dominion of Canada. The photo above shows Viscount Lascelles, with his wife, the Princess Mary.

NEW CURLING RINK BEING BUILT AT IROQUOIS FALLS

Work has been commenced on the construction of a curling rink at Iroquois Falls. The rink will have three sheets of ice and will be located on the lots near the Skating Rink. In the summer the building will be equipped for market purposes.

The north end of which Red Lake river enters. This stream is followed up to Red Lake, the route crossing Gull Rock Lake and Keg Lake. Four portages are necessary between Shallow Lake and Gull Rock Lake, but all are short."

MR. JOSEPH BRADETTE DEFINITELY IN THE FIELD

Mr. Joseph Bradette, of Cochrane, is now definitely announced as in the field as a candidate in the Dominion Election campaign. Mr. Bradette is running as an Independent Liberal. Mr. Bradette is one of the earliest pioneers of Cochrane, having been in that town since 1909. He had settled with his father on a farm near what is the present site of the town, before the steel was laid or the townsite opened up. He has taken a prominent and useful part in the public activities of the town of Cochrane and district, having been Councillor of Cochrane for the past four years, previously being a member of the Public Utilities Commission and holding other positions of public trust. He speaks both French and English with fluency and effectiveness. He is widely and favourably known. He is one of Cochrane's talented and successful merchants. His candidature is the result of considerable dissatisfaction with the recent Liberal Convention and Mr. Bradette admits that he is practically forced to run in deference to the large number of his friends who are annoyed at the means and methods employed by what may be termed the "machine" element for purposes not altruistic.

Constable Pyle, of Sudbury, last week captured a burglar in the cellar of a Sudbury home. The burglar got the drop on the constable but the latter used his gun anyway shattering the burglar's wrist. A second shot through the shoulder brought the burglar to time. The burglar gave his name in police court as Walter Shistala, and he was given ten years at Kingston.

IMPORTANT MEETING OF THE TIMMINS IRISH SOCIETY

The Irish Society of Timmins will meet on Sunday night at 8 p.m. at their hall, 9 Cedar Street North. All members and intending members specially requested to attend. Very important business.

The Toronto Star of Friday last published a photo of Mrs. Saul Silver, with a paragraph saying that Mrs. Silver before her recent marriage was Miss Lena Solway, daughter of Mrs. and the late Rev. J. D. Solway. "Mrs. Saul Silver will make her new home in Timmins," says The Star.

Ambling Along With the Trail Riders

(1) Chief Buffalo Child Long Lance. (2) Lunch on the Wolverine Plateau. (3) One of the Guides. (4) On the Wolverine Plateau with Tumbling Glacier in the background. (5) Chief Louis Arbel with his Kootenay Indians.

The Official Ride of the Trail Riders of the Canadian Rockies, commenced this year on the morning of August 8th and ended at Wapta Camp on the night of the tenth. Over a hundred members participated. They rode across country between Marble Canyon, on the Banff-Windermere Highway, to the Bungalow Camp at Lake Wapta.

The Riders, among them a number of prominent society people, scientists and artists, all travelling on horse-back, blazed a new passage across the Wolverine Plateau. Six countries were represented: Canada, the United States, Australia, France, the West Indies and England. The artists, of whom there were six, made sketches of the virgin scenery along the route of the newly discovered trail.

Seven Indians were in the party, six being Kootenays under Chief Louis Arbel, while the seventh was Chief Buffalo Child Long Lance who gave a lecture on the Indian Races of Canada to the Canadian Club of Montreal during the winter, and is rapidly becoming famous as an authority upon Indian affairs.

The artists included Leonard Richmond, R.B.A., and A. L. Leighton of England; Carl Rungius, Belmore Browne and Richard M. Kimbel, of New York, and R. Palenske of Chicago. Paris was represented by the Duc de Nemours, who recently purchased a ranch near Calgary.

This was the second annual Ride and Pow-wow of the organization. On the morning of August the eighth, motor cars conveyed the Riders from

Lake Louise and Banff to the point of departure on the Banff-Windermere Highway. There guides and horses were in readiness and the party immediately mounted and the Ride commenced. The trail led up Tumbling Creek, past Tumbling Glacier and on the Wolverine Plateau where lunch was served. The ride then proceeded along the Plateau with the Wolverine Palisades, Mount Helmet and the Washawapta Icefield and Waterfalls on the left, giving the riders a view of the Ten Peaks on the right.

That night camp was pitched on the Goodsir Plateau and before retiring the campers gathered around the fire for the usual sing-song, in the shadow of the cliff which rises sheer six thousand, five hundred feet above its valley. On the second day the ride led down to Goodsir Creek and up McArthur Creek, past Lake McArthur. That night was spent of the shores of Lake O'Hara, the camp there being placed at the disposal of the Trail Riders by the Alpine Club of Canada. The day ended again with a sing-song.

On the third day, August 10th, the final ride was made from Lake O'Hara to Wapta Lake, where the expedition was concluded with a Pow-wow, sing-song and pale-face dance at Tipi Camp. It is expected that another ride of similar nature will take place next year as the undertaking impressed those who took part as one of the most enjoyable outings they have experienced. Not only does the Ride provide an uncommonly pleasant holiday for sportsmen from Canada and the United States, but it also serves the excellent purpose of making the scenery and the fishing and hunting facilities of the Rockies known abroad.
