**SALVATION ARMY ALWAYS
WORTHY OF BEST SUPPORT.**

The work of the Salvation Army
for the needy—whether the need be
material, moral or spiritual—war-
rants generous support from the
general public. The Army certainly
helps, and the wonder is how they do
so much without much fuss in the
way of raising funds. At the pre-
sent time the Army is making one of
the few appeals in general way—the
Harvest Home Service appeal.
There should be a good response to
this in Timmins, the Army having
done enough for people in the town
last winter to entitle the organization
to special consideration in the mat-
ter. And, of course, the work of the
Army, like the work of all the church-
es, is not dependent on what was
done in the past. The good work
continues in the present and will
help along in the future.

**GRAND OFFICERS TO PAY
VISIT TO SOUTH PORCUPINE.**

An event of special importance in
fraternal society circles will be the
visit to the Camp of the Grand Patri-
arch and the Grand Scribe to Golden
Encampment, No. 107, South Porcu-
pine, during the tour of the North
Land by these Grand Officers. The
Grand Patriarch and Grand Scribe
will be at the regular meeting of the
Encampment at South Porcupine on
Wednesday evening, Sept. 23rd, at 8
p.m. The Patriarch Degree will be
conferred. A luncheon will be pro-
vided during the evening. It is ex-
pected that there will be a large turn-
out to welcome the distinguished visi-
tors to the Camp.

**"DARNED GOOD DANCERS,
BUT POOR SCHOLARS"**

"Are Sudbury High School girls
devoting too much time to interests
outside their classrooms?" is the
question asked by The Sudbury Star.
The Star answers the question itself
by quoting facts and inferences from
a recent meeting of the Sudbury High
School Board, some of the trustees
being of the opinion that the girls
were too much taken up with plea-
sure and too little with study.

"They are darn good dancers, but
poor scholars," commented Trustee
Mitchell, when Principal Cornwell
presented a request from the Girls'
Athletic Society, for permission to
hold an exhibition of folk dancing in
the rink. This trustee, it may be
noted, may have darn good ideas but
he expresses them in mighty slangy
phraseology.

There was a general discussion by
members of the Sudbury Board in
regard to the cost of sports at the
High School, and also as to whether
inter-collegiate athletics conferred
any benefit on anyone.

An interesting and pleasing special
service at New Liskeard Fair last
week was given by Miss Risk, Victo-
rian Order Nurse, who arranged to
take care of all children under three
years of age while the mothers atten-
ded the Fair free and unburdened by
the infants.
