COCHRANE FAIR PROVES VALUE OF NORTH LAND

Fine Exhibits of Agriculture Products and Stock at Cochrane Last Week.

The development of agriculture and stock-raising in the North Land was proven by the fine exhibits at Cochrane Fair on Thursday last. Despite unfavourable weather the attendance at the Fair was large and all were very favourably impressed with the exhibits. The judges, who were from Southern Ontario, were complimentary regarding the quality and quantity of the exhibits. On account of the meeting of the Northern Ontario Associated Boards of Trade at Cochrane, there were many from outside towns at the Fair and all were much interested. The exhibits in vegetables, roots, poultry, horses, cattle and other stock were especially creditable, while the showing of grains was particularly noteworthy. The trails of speed at the fair proved of great interest to horse fanciers, there being a number of attractive events.

Cochrane has a large and progressive farming section adjacent to the town and this fact contributed to the success and extent of the Fair. The delegates to the Associated Boards meeting were taken for a drive through this farming section and were greatly impressed with the number of fine farms viewed. The trip through Glackmeyer Township gave a view of farm after farm, well-cultivated and apparently successful, with good land and good buildings.

Among the interested visitors to Cochrane Fair last Thursday was Mr. C. V. Gallagher, Reeve of Tisdale Township, and Liberal Candidate in the coming Dominion Election.

It may be noted that the art and domestic arts at Cochrane Fair were outstanding and specially creditable. Special note should be made of the clever piece of clay-moulding by a little school girl. This was a very talented piece of work and visitors were generally sorry that the girl's name was not given so that all might at least know the name of the gifted sculptor.

HARVEST THANGSGIVING SERVICES AT ST. MATTHEW'S

St. Matthew's Anglican Church, Timmins, will hold its annual Harvest Thanksgiving Services on Sunday, Sept. 27th, with special sermons, special music and other special features. There is always special interest and inspiration in the Harvest Thanksgiving Services at St. Matthew's and each year the attendance is large.

A TRIBUTE TO THE LATE D. W. O'SULLIVAN OF TIMMINS

In an editorial article last week The North Bay Nugget pays the following merited tribute to the late D. W. O'Sullivan:—

"In the tragic death of the late D. W. O'Sullivan, the whole North Country has lost a man whose place will be hard to fill. It is not only as a lawyer that his loss will be felt, but in other organizations that have become a big part of the North. Sporting circles owe considerable to him for he took an active part in most of them. The fact that the Timmins Curling Club is now an active, healthy organization is due in no small measure to the work he did to help it along. He early realized the prospects of the North, though born in Southern Ontario, and soon after his graduation from Osrode Hall in 1912, he came North. His merits as a lawyer soon brought him into prominence and he was appointed solicitor for Timmins and for the Hollinger. At his death the firm which he organized was one of the outstanding legal firms of the North."

BURGLAR APPARENTLY SEEKING FOR MORPHINE.

During the past few days there were two burglaries reported to the police and in both cases it would appear that the burglar was seeking morphine or similar drugs, rather than valuables of other kinds. Saturday evening or Sunday morning entry was made into the Moneta Pharmacy, and though some cash and one or two other little things were taken the chief item was the theft of some morphine tablets and other drugs. The store also looked as if it had been hurriedly searched.

On Sunday night or early Monday morning the Dr. Taylor office in the Marshall-Ecclestone block was burglarized and some drugs stolen therefrom. The heavy glass in the door was smashed, apparently with an axe. Just how this was done without waking some of the tenants of the building is a mystery.

The police are working on the cases and special effort is being made to secure the arrest of the burglar responsible for these particularly undesirable thefts.

Experience is what one gets when looking for something else.

Originality sometimes means just a new set of listeners.

RESIDENT IN NORTH FOR TWENTY YEARS NOW DEAD

Mr. Harry Groom, for twenty years a resident of the North, and well and favourably known in North Cobalt and the district, passed away recently after an illness extending over several months. He was for several years a Councillor of the Township of Buecke, and he was greatly admired for his quiet but firm stand on public matters and the generous and effective service he gave in public affairs. He was a successful market gardener and in business as in public life he treated the public fairly. A widow and three children survive. He was known to many in the district and there will be sincere regret at his death. He was 60 years of age at the time of his death.

PROGRESSIVE CANDIDATE IN SOUTH TEMISKAMING

Thursday afternoon last at Englehart the Progressive Party of South Temiskaming unanimously selected Mr. Harold Welch as the Progressive candidate in the Dominion Election contest. Mr. Welch is the Cobalt manager for the Temiskaming Telephone Co. There were six names placed in nomination but all the others withdrew to accord Mr. Welch unanimous support. Those thus retiring were:—Angus McDonald, M.P.; H. J. Everett, Cobalt; R. H. McGowan, Cobalt; Oliver Pauze, Swastika; and Councillor Frank Lendrum, of Cobalt. The latter expressed the opinion that the Conservative was the one that would be hardest to beat in the fight. A feature of the meeting was the address by Mr. Angus McDonald, M.P. He said that he had tried to serve the people faithfully for the past six years at Ottawa, but Nature had not been kind to him during the time. Several times, on account of ill-health, he had to be assisted to the House. He had promised to do all he could, and he had done his best. Mr. McDonald referred at some length to the tariff question. He emphasized the fact that the Progressive candidate was going to win out, even going so far as to say that his friends Dr. Armstrong and Mac Lang were both going to lose their deposits.

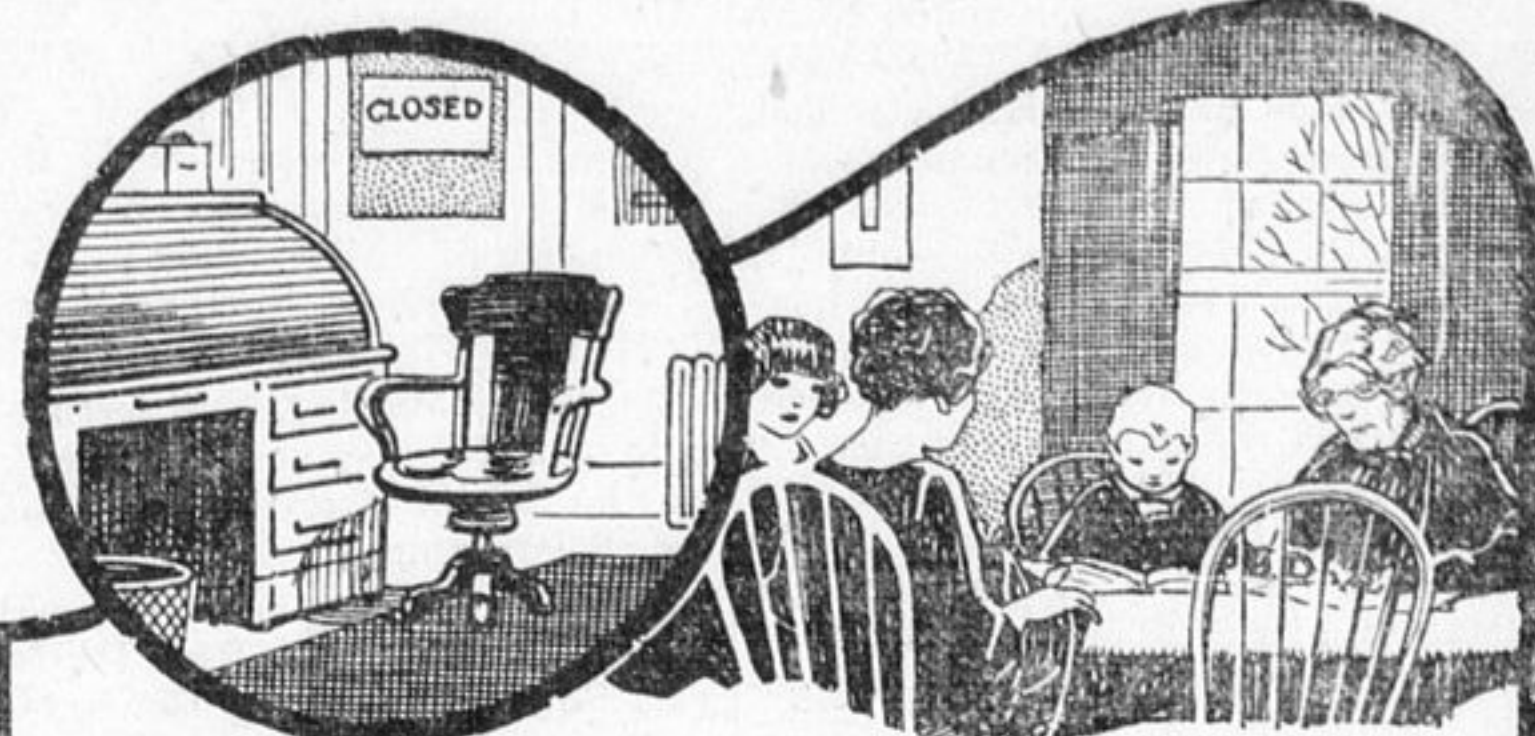

CALEDONIAN SOCIETY SOCIAL EVENING FRIDAY

It has been the custom of the Caledonian Society of Timmins to open its fall and winter season of meetings with a Social Evening the fourth Friday in September. This plan will be followed again this year, the Social Evening to be held in the Hollinger Recreation Hall on Friday evening of this week, Sept. 25th. A pleasant evening is assured for all, and all Scots and Scotswomen and their friends are welcome. There will be good music, dancing, refreshments, and an all-round good programme and good time. The event will commence at 8 o.m.

Don't exceed the feed limit.

Cup Custard

1/2 cup St. Charles Milk, 1/2 cup water, 1 egg beaten, 2 tablespoons sugar, 1/2 saltspoon salt, nutmeg and vanilla.

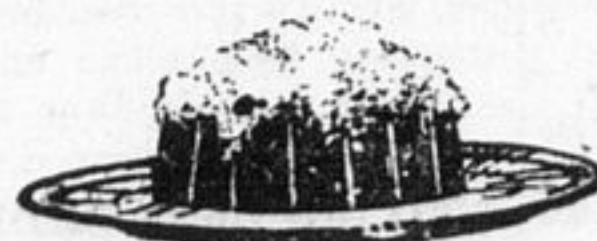

Dilute St. Charles milk with the water and bring to scalding point. Add sugar and salt to beaten egg. Pour over them gradually scalded milk, flavor to taste, pour in custard cups. Place in deep pan and pour boiling water around until it nearly reaches top of cups. Bake in moderate oven about twenty minutes.

Spanish Cream

1 1/2 cups St. Charles Milk, diluted with 1 1/2 cups water, 1/2 teaspoon salt, 1/2 cupful sugar, 3 eggs, 1 1/2 tablespoons granulated gelatine, 1 tablespoonful vanilla.

Let gelatine stand in the milk for five minutes, then scald the mixture. Combine egg yolks, sugar and salt with the scalded milk, and cook until slightly thickened like a custard. Then stir mixture into egg whites beaten stiff; add vanilla. Turn into individual moulds which have been dipped in cold water and when set, unmould and serve with light cream, or preserved fruit.

Prune Snow

1/2 cupful St. Charles Milk, 1/2 cupful water, 1 pint well cooked, pitted prunes, 1/2 cupful granulated sugar, 1/2 teaspoonful butter, 2 egg whites, 1/2 cupful powdered sugar.

Combine the prunes, milk, granulated sugar and butter in a shallow baking dish. Make a meringue of the two egg whites and powdered sugar; spread it over prunes, place in very slow oven; bake fifteen to twenty minutes, when milk will be absorbed by prunes and the meringue a delicate brown.

Dainty Desserts for the Kiddies

Simple, wholesome, nourishing, appetizing, these St. Charles recipes are but a few of the many you can easily prepare with this rich, pure country milk. It is economy as well as a convenience to "use it wherever the recipe calls milk". Your grocer has it—four handy sizes.
