

Overcoats and Suits

The time of the year is approaching when the weather will compel ones thoughts to turn to garments to keep out the cold of the North-land winters.

Geils & Herman, Merchant Tailors have built up a reputation second to none for the quality of overcoats turned out, whether custom tailored or imported, and when thinking of that new overcoat, think of this store where satisfied customers are the rule, not the exception.

Suits made by us are made to satisfy the customer, and in addition to the best of workmanship, the best of cloths are used, every garment guaranteed to satisfy before leaving the shop.

Our cleansing methods will take a lot of worry out of your season's clothes plans. Our work is of the dependable kind — always pleases you and priced at encouraging prices. You ought to know more about us.

Sdhmacher Correspondent Appreciates Beauty Spot

Comments on Appearance of Hollinger Grounds. Hill-Clark-Francis Open Office in Schumacher. Good Progress in Building United Church. Rush of Applications for Waterworks at Schumacher.

Schumacher, Sept. 23. Special to The Advance.
While journeying to Timmins last week we were agreeably impressed with the beauty spot near the Hollinger Office. Such a contrast it will be to the rugged picturesqueness of the country round. Weary workers from mine, mill or merchant house will have their hearts gladdened by its graceful winding paths, its verdant lawns, its fragrant flower beds and shrubbery. Little children on their way to school will be charmed and educated by its every growing attractiveness. Was it not John Keats one of the supreme poets of all time, who said?
"A thing of beauty is a joy forever, its loveliness increases, it shall never pass into nothingness."
The citizens of Schumacher know, and appreciate the truth of the poet's words, and next spring will take concerted action to beautify the town. Wealthy corporations such as McIntyre—Porcupine Mine; T. & N. O. Railway; Canadian Bank of Commerce, will set a good example to be followed by private residents who will put forth every effort to make more attractive, "Home Sweet Home."

Mrs. Farr and family, who have been visiting in Toronto, returned last week.
Mr. and Mrs. Monaghan, of Second Ave., have returned after visiting for several weeks in the Queen City.
Mrs. A. Boutet, with her son, Raymond, and daughter, Fernande, left on Saturday for the city of Quebec. Miss Fernande will remain for some time in the historic city while Raymond will continue the journey to Rome, where he will pursue his studies for the priesthood.

Messrs. Hill, Clark and Francis the well-known contractors and builders are locating in town. Their office and yards will be situated on the north side of First Avenue, east of depot.
Excellent progress is being made on the new United Church. With favourable weather the building should be completed about Nov. 1st. Official opening will be held probably Nov. 11. Definite particulars later.
The Ladies' Auxiliary of the United Church will hold a sale of Home-Made Baking in the Church on Saturday afternoon from three o'clock to six. Donations thankfully received.

Mr. James Hughes, who is at present employed at Night Hawk Lake paid a short visit to the old town last week. He returned on Monday.
Mrs. J. A. Bush returned on Monday.

day, after spending the summer at the home of her parents in Toronto.
Mrs. C. Juecksh, our popular Fire Chief, left on Sunday to attend the Firemen's Convention in Hamilton. Part of the programme will probably be an excursion to the city of Louisville in Eastern Central United States. Mrs. Juecksh and son Clifford, accompanied Mr. Juecksh as far as Toronto where they will visit with friends and relatives.
Mrs. C. Swanson, who has been visiting at her former home in New Liskeard, returned last week.
The school was closed on Wednesday afternoon to give the pupils, teachers and parents an opportunity to attend the Fair at Golden City.

Mrs. Harry Leng returned last week after an extended visit with friends in Hamilton and other points in Old Ontario.
The installation of water service and sewage disposal system, under the direction of the Dominion Construction Company is making satisfactory progress. The principal water mains are laid and applications from householders are pouring in for the long looked for convenience. Upon the completion in the near future of the large septic tanks under construction the entire system will be in operation.
Mrs. Thomas McNamee is home after visiting friends at Kirkland Lake.
Mrs. W. Wilson of Toronto is the guest of her sister, Mrs. J. Muskett, of Second Avenue.
The Canadian Girls in Training have commenced their work for the autumn term. Meetings will be held weekly.
The Salvation Army from Timmins is a welcome weekly visitor to our busy town. Their songs and music always cheer and the good and kindly words are sure to have some good effect.

Do not forget the Schumacher Caledonian Society dance in the Recreation Hall on Monday night Sept. 28. First class music and delicious refreshments.
Miss Leonie White of the McIntyre Porcupine Office Staff, left on Saturday for a short holiday to her home in Parry Sound.
Mrs. J. Hawkins and daughter, Gertrude, left last week for a visit with friends in the Prairie Provinces.
Mrs. P. Cooper and daughter, Marion, are holidaying in Nova Scotia, the former home of Mrs. Cooper.
Mrs. Heggart, of New Liskeard, is in town, the guest of her daughter, Mrs. Carl Swanson.

Mr. Nixon declared that the acreage devoted to this purpose in the present year was approximately three times as great as that of a year ago, and he knew of one instance where a farmer had 50 acres of land in clover. Cases where 20 to 35 acres were used were common, he said.

Last year a good market was experienced for this product and Mr. Nixon believes there will be a good demand this year. He bases this on the fact that the season in Western Ontario and in parts of the United States was very dry, with a consequent adverse effect on clover crops. Most of the grain in the district is cut, Mr. Nixon said, but the bulk of the crop is still in the fields. There is considerable field threshing, Mr. Nixon says. Prospects for a good root crop are excellent.

According to Mr. Nixon the season has been splendid. The early part of the summer was rather wet but a good recovery was made and the crop returns have been over the average. Not enough rain has fallen lately in some parts, it was stated in other parts of the district, and one farmer declared he had not been able to continue his fall plowing. The evenings lately have been chilly, with slight touches of frost, but no damage has been done to the crops.

Up to the present, however, the Timmins Board of Trade has heard nothing from the Hamilton Board in regard to the matter. Accordingly there is a possibility that the itinerary does not include Timmins. That would be a fatal blunder, as no tour of the North is complete if it fails to consider this important centre,— the biggest town in the North.
When the Hamilton Board planned their trip earlier in the summer, Timmins was included in the tour and the Timmins Board of Trade was notified to that effect and had plans to entertain the visitors while here.
Secretary J. K. Moore, of the Timmins Board, is getting in touch with the Hamilton Board to see whether or not Timmins has been left out of the list of places to be visited.

Teacher (to boy sitting idly in school during writing time)—"Henry, why are you not writing?"
Henry—"I ain't got no pen."
Teacher—"Where is your grammar?"
Henry—"She's dead."
—Square D Tales.

SOUTH PORCUPINE F. D. READY FOR EMERGENCY

All Ready for Any, Fire and Getting Ready for Minstrel Show. Other South End News.

South Porcupine Sept. 23rd. Special to The Advance.

Mrs. W. Fairhurst, who has been on a vacation to Toronto and Kemptonville, at which latter town she has been the guest of Mrs. B. J. Frisby, arrived home Monday evening.

Chief Melnis was away for a few days to New Britain, Connecticut, on police business.

Mrs. C. B. Morgan arrived home on Monday evening after having spent an enjoyable vacation visiting Toronto, Hamilton and Niagara Falls.

Mr. Sol Sky contracted a cold last Sunday that made him take to his bed for a few days as there was danger of "flu" complications. We are glad to hear that "Solly" is getting along nicely.

The S.P.F.D. isn't taking any chances of being caught without fire apparatus while the street in front of the Fire Hall is being dug up, the big hose truck as well as the chemical being parked temporarily in H. V. Grewee's ready for action, and the firemen just to show that they can do it, are preparing to stage a Minstrel Show that will open the eyes of quite a few who maybe do not realize just what an amount of talent there is in the town and vicinity.

The four-year-old daughter of Mr. and Mrs. Hagget, who was so ill that her life was despaired of, is now well on the way to a complete recovery. We sincerely sympathise with the parents in their bereavement of the baby who died a short while ago.

Now that the Bandmaster of the Porcupine Goldfields Band has returned from his vacation, and also because the evenings are lengthening, the bandsmen are settling down to practicing, which will make the aggregation second to none. On Sunday last the band met at the Dome Recreation Hall and discoursed several good selections to an appreciative audience.

BIG CLOVER PRODUCTION AROUND NEW LISKEARD

Crop Three Times That of 1924, Says Agricultural Representative.

In an interview given out last week, Mr. W. G. Nixon, the Provincial Representative of the Dept. of Agriculture, stationed at New Liskeard, says that considerable progress is being made by farmers of this district in threshing clover for seed purposes, and expectations are that a very large shipment of this commodity will be made from the Temiskaming district this fall.

Mr. Nixon declared that the acreage devoted to this purpose in the present year was approximately three times as great as that of a year ago, and he knew of one instance where a farmer had 50 acres of land in clover. Cases where 20 to 35 acres were used were common, he said.

Last year a good market was experienced for this product and Mr. Nixon believes there will be a good demand this year. He bases this on the fact that the season in Western Ontario and in parts of the United States was very dry, with a consequent adverse effect on clover crops. Most of the grain in the district is cut, Mr. Nixon said, but the bulk of the crop is still in the fields. There is considerable field threshing, Mr. Nixon says. Prospects for a good root crop are excellent.

According to Mr. Nixon the season has been splendid. The early part of the summer was rather wet but a good recovery was made and the crop returns have been over the average. Not enough rain has fallen lately in some parts, it was stated in other parts of the district, and one farmer declared he had not been able to continue his fall plowing. The evenings lately have been chilly, with slight touches of frost, but no damage has been done to the crops.

MRS. A. ROBERTS BREAKS WRIST IN TWO PLACES.

Last evening while going into the basement of the Hollinger Hall Mrs. A. Roberts had the misfortune to fall on the narrow steps, breaking her wrist in two places. She was at once taken to her home and medical help secured. The fractured bones were set, and Mrs. Roberts is making good progress to recovery. The accident was a particularly regrettable one, the Silver Wedding anniversary of Mr. and Mrs. Roberts being celebrated during the evening at the Hollinger Hall. The evening was a delightful one and this accident to Mrs. Roberts spoiled an otherwise perfect night. There will be very general and sincere wishes indeed for Mrs. Roberts' early and complete recovery.

He: I gave a palmist a mark yesterday, and she read my hand. She told me I should marry you.
She: "I could have told you that for nothing."
—Jugend, Munich.

BODY RECOVERED FROM FREDERICKHOUSE LAKE

After Several Days' Search Body of J. McGrath is Found.

Information received yesterday from Connaught is to the effect that the body of John McGrath, of Iroquois Falls, was recovered on Tuesday from the waters of Frederickhouse Lake. The late Mr. McGrath had been out on a duck-shooting trip last week with Messrs. Joseph Chirocoski and P. J. Redmond, of Iroquois Falls. They were at Frederickhouse Lake and on Wednesday morning Messrs. McGrath and Chirocoski had gone across the lake towards Buffalo Bay in a duck boat. Mr. Chirocoski landed and was shooting from the shore. Suddenly he heard a shot, and a splash, and then a shout for help, and when he turned to look he noted that the boat was without any occupant. It is surmised that Mr. McGrath shot at some ducks while standing up in the boat, and that the recoil of the gun threw him bodily from the boat, making him lose his balance. He had on a long pair of boots, and also a gun belt, and these no doubt would take away his chances of saving himself. Mr. Chirocoski was unable to go to the rescue of his friend, there being no boat available to reach him. Mr. McGrath went down in about twenty feet of water. It is thought that the place where the body was recovered is about where he went down. When the body was recovered the belt was off and the boots also torn down as if the drowning man had made special effort to free himself so as to have opportunity to swim.
Provincial Officer Finger went to Connaught as soon as news of the tragedy reached here. Every possible effort was made to recover the body, but it was Tuesday before success was attained in this work.
The late John McGrath was very popular and highly esteemed in Iroquois Falls and his death was a decided shock to that community. He is survived by a widow and one little daughter two years old, and to these and the other near relatives and friends the sincerest sympathy is extended in this sad loss.

A Birthday Surprise Party was given at the home of Mr. and Mrs. A. Caron on Tuesday, Sept. 22nd, Miss Melanson being the honored guest. The evening was a delightful one and all present enjoyed it from beginning to end. A presentation was made to the guest of the evening, accompanied by the following address:—
"Dear Miss Melanson:—Birthdays may be called milestones in life's journey, and as you reach another of these anniversary landmarks to-day, permit us to congratulate you on having travelled them thus far in safety, and to wish you, with all our hearts, many similar opportunities of receiving the good wishes of your many friends. That your future years may glide happily away, without care or sorrow, is the sincere wish of all present. We beg of you to accept this small token of our friendship, not for its intrinsic value, but for the many well wishes it will serve to convey to you from your friends."
Miss Melanson was presented with a beautiful parasol.
The evening was spent in dancing, music, games and other social pleasures. A pleasant luncheon added to the enjoyment of the evening. Mr. and Mrs. Caron proved ideal host and hostess. Among the guests present were:—Mrs. M. Bovin, Mr. and Mrs. A. Brazeau, Mr. and Mrs. Hornby and Bertie, Mr. and Mrs. Devine, Mr. and Mrs. Allard, Mr. and Mrs. Morizette, Mr. and Mrs. A. Caron, Mrs. McNaughton, Mr. and Mrs. Nap Caron, Mrs. M. Salley, Miss E. Plouffe, Miss L. Mondeau, Miss M. Mondeau, Miss B. Monreau, Miss McNaughton, Miss C. Melanson, Miss Laronde, Mr. H. Jackson, Mr. McCourt, Mr. Booth, Mr. Conn, Mr. Monicou, Mr. A. Lawlor, Mr. A. E. Brazeau.

BIRTHDAY SURPRISE PARTY GIVEN TO MISS MELANSON

ALTERATIONS, ETC., TO NEW GENERAL HOSPITAL.

Work is in progress at present on alterations and extensions being made in the new general public hospital, corner of Spruce Street and Fifth Avenue. Among other things a large sun parlour is being placed, as well as other additions and alterations to the building. There are no patients in the building now while the building is under repairs, but it is expected that the work will be completed in a week or so when the hospital will be taken over by the Sisters of Providence who will conduct it as a general public hospital. Mrs. Moffatt, who conducted the Cairns Hospital in the building, moved out last week, and will operate a private hospital in other premises in town.

THE RETURN
I'm broke and tired;
My health's a wreck;
Oh, joyful recreation!
In debt I'm mired
Up to my neck—
I've been on my vacation!
—A. L. W.

THURSDAY Bulletin

Mr. Paul Piche, graduate of the Timmins Business College, has secured a position in the office of The Hollinger Mines as Stenographer.

Miss Irene Richardson, graduate of the Timmins Business College, has accepted a position as Stenographer in the Division Court Clerk's Office, Iroquois Falls, Ont.

Both of the above positions have been secured through the Employment Dept. of the Business College.

Mr. Ivan Sopha is the latest enrollment at the Timmins Business College.

Enrollments are being made at the College every week, also reservation for those who cannot enter immediately.

Quick Relief for Rheumatics

Local Druggists Sell Rheuma on Money-Back Plan

If you suffer from torturing rheumatic pains, swollen, twisted joints, and suffer intensely because your system is full of uric acid, that dangerous poison that makes thousands helpless and kills thousands years before their time, then you need Rheuma, and need it now.

Start taking it to-day. Rheuma acts at once on kidney, liver, stomach and blood, and you can sincerely exclaim: "Good riddance to bad rubbish."

Many people, the most skeptical of skeptics right in this city and in the country hereabouts, bless the day when Todds Drug Stores, Ltd., and other good druggists offered Rheuma to the afflicted at a small price and guaranteed money refunded if not satisfied. If you have rheumatism get a bottle of Rheuma today.

Music belongs to no privileged class -- it is the gift of the gods to all says
