Mrs. A. F. Brigham	63-12	51
Mrs. M. B. Scott	65-13	52
Miss Agnes Chesser	77-23	54

The winner on Friday afternoon was Mrs. Jamieson, this making the third time in succession that Mrs. Jamieson has turned in the lowest score in the Friday afternoon matches. For second place Mrs. A. G. Carson and Mrs. Geo. Lake tied with a net 40, Mrs. Geo. Miller coming third with a net 42. The above gives the gross score, handicap and net score of each. Friday afternoon was not the best afternoon for golf, rain falling in slight showers, and a raw north east wind spoiling the afternoon.

**FIRST TO TIMMINS OVER NEW SHILLINGTON ROAD.**

Mr. Harry Child, of Matheson, was a visitor to Timmins on Saturday last and claims the honour of being the first motorist to come into Timmins by way of the new Shillington Road. He made the trip in a Jewett car and said the trip was a pleasant one, the road being in pretty good shape.

**HAILEYBURY TALKING ABOUT TOURIST CAMPS**

At a recent meeting of the Haileybury Board of Trade there was consideration of the question of a site for a tourists' camp at Haileybury, and a committee of four was appointed to take the matter up with the Town Council at an early date. The proposal for a tourists' camp was brought forward by Mr. N. J. McAnlay. Mr. McAnlay said that other towns were providing sites in anticipation of considerable motor traffic when the trunk road is completed in another year or two. He stated that Temagami, Latchford, New Liskeard and Englehart had all provided sites and he thought Haileybury should fall in line. The proposal met with the approval of all present.

**COMMUNITY HALL AND ARFNA FOR HAILEYBURY**

It may be an inopportune time to suggest a new town hall or a community hall or anything like that for Timmins. In the past projects along this line have been made as long as ten years ago. Once, the matter progressed to the stage of a public meeting of representatives of practically every organization and interest in town. This meeting appointed a committee to report further at another meeting. The committee never reported. Since then all three members of the committee have left the town altogether. Various reasons have caused the question to be dropped, though the need is apparent enough. At the present time with practically no one recovered, either financially or temperamentally, from the paying of the first installment of the year's municipal taxes, it would be something similar to suicide to advocate too loudly for a community hall or town hall or anything else that would cost money.

However, information from Haileybury brings the idea to notice. Haileybury believes it has every reason to expect that a new community hall and arena will be erected at Haileybury in the near future. It is the intention to finance the project with the proceeds of the insurance on the armories. An Order-in-Council has been passed providing for the turning over of the amount of \$33,500, voted for the purpose at the last session of Parliament, to the town of Haileybury for the construction of the building, and only some minor arrangements have now to be made before the project can be gotten under way.

According to The Haileyburian, the building will consist of a community hall, with one or two offices in connection, and a large arena which will be available for an armory should occasion arise. The arena, as shown on the plans, will be 70x170 feet with an arched roof and plenty of light.

The Haileyburian further comments that this "will be almost all that is now required to make the town of Haileybury at least as great as it was before the last big fire and the citizens will welcome the establishment of a community building which will be available for large gatherings when occasion arises."

**PRESENTATION ON FRIDAY TO MR. AND MRS. H. W. HOOKER**

Mr. and Mrs. H. W. Hooker who have recently taken up residence in the town were the hosts at a surprise party last Friday evening, when a number of their friends gathered at their home and gave them a real North Land welcome to the Town of Timmins. Later in the evening a delightful luncheon was served at the home of Mrs. J. A. Howse, where Mr. and Mrs. Hooker were presented with a handsome floor lamp. Mr. N. Laprairie read the presentation address, and Mr. Hooker spoke briefly in reply. Those present were M. and Mrs. H. Rinn, Mr. and Mrs. F. C. H. Simms, Mr. and Mrs. G. S. Lowe, Mr. and Mrs. A. G. Carson, Mr. and Mrs. Geo. Lake, Mr. and Mrs. S. R. McCoy, Mr. and Mrs. N. Laprairie, Mrs. Culham, Messrs. W. Rinn Eric Dunstan, J. E. Grasset and Chas. G. Pirie.

**SPECIAL SERVICES AT TIMMINS BAPTIST CHURCH.**

The formal opening services of the Timmins Baptist Church, after the alterations and extensions made this summer, will be held on Sunday, Oct. 4th. Rev. Mr. Brown, of the Annette Baptist Church, Toronto, will be the preacher for the occasion and there will be special services on Sunday, Monday, Tuesday and Wednesday. There will be the services at the usual hours on Sunday and on the week days the services will be held both afternoon and evening each day.

The alterations and extensions to the Baptist Church are now practically completed. It is interesting to note that the work has been carried out without any interference with the regular services. Accordingly, while the special services, Oct. 4th, to 7th, may be referred to as "Opening Services," the fact is that all the work this summer at the Baptist Church has been carried through without the closing of the church for a single service.

Considerable comment has been made in Sudbury on the pluck of Josh McKeddie, Western cowboy, whose hand was amputated above the wrist several days ago, after he had it terribly cut by a rope attached to a wild steer. In spite of the accident McKeddie took part in the Rodeo and Stampede during the whole three days. He rode about in the saddle, with his injured arm in a sling.

**THIS** is the remarkable total earnings record of the business now joined together in the National Grocers Company, Limited, whose 8% Preferred Stock we offer and recommend as a splendid investment. One of the firms, now in the consolidation, is actually located right in this city, and is well known to you; therefore, its standing in your community will give you an idea of the sound, conservative character of the business and of the integrity of the men who are directing it.

By this consolidation, the National Grocers Company, Limited, becomes the largest firm of Wholesale Grocers in Canada, and one of the largest in the world. Its turnover is almost 60% of the entire Wholesale Grocery trade in Ontario.

The businesses now combined have been in continuous and successful operation for an average period of fifty years. There are net tangible assets of \$373 behind every share of the Preferred Stock. Now, remembering this, and remembering that the actual dividend earnings have been 3.90% times the 8% Preferred Stock dividend requirements, think how much greater the earnings will be with the increased buying power of the Corporation, and the savings that will be effected in the travelling expenses and freight rates.

Another thing to remember, is that the business is very staple. Bad times do not affect it. People must eat no matter what happens.

For these many reasons, therefore, we thoroughly recommend you to purchase this Preferred Stock, if you have any money to invest.

The 8% Dividend is well protected. It is free from normal Income Tax, and it is only reasonable to expect that when the Shares are listed on the Toronto Stock Exchange (application for listing will duly be made) there should be an appreciation in their market value.

Send your order directly to us, using the order form below, if you so desire.

The price of the Shares is par, (\$100) and accrued dividend. If you wish, you may pay for them under our Savings Investment Plan. That is, send a cheque for 10% of the amount with your order and pay 10% per month for the following nine months.

If you require further information before investing, write us for it.
