MATHESON FALL FAIR ON FRIDAY OF THIS WEEK

There have been a number of enquiries here recently as to the date this year of the Matheson Fair. The Matheson Fair this year will be held on Friday of this week, Oct. 2nd. There will be classes for everything, with good prizes. In addition there will be special features such as Sports, Baseball, Motor Parade, Baby Show. As there is a good motor road now from Timmins to Matheson and of all attending this fair, Matheson there should be a good attendance from these two districts if the weather is fine. Meals will be served on the grounds and efforts made generally for the comfort and convenience of all attending this fair. Matheson Fair has achieved a high reputation for its exhibits and attractions and this year it is hoped to even excel past successes.

TIMMINS YOUNG COUPLE WEDDED AT ECHO BAY

Miss Helen Hurley and Mr. J. R. H. McCarthy Married Recently.

All in Timmins and district will be interested in the wedding that took place at Echo Bay, Ont., on Sept. 15. The bride, who was Miss Helen Hurley, was on the staff of Simms, Hooker & Drew, Timmins, for a considerable time, and made large circles of friends here. The groom, Mr. J. R. H. McCarthy, only son of Mr. and Mrs. J. J. McCarthy, is one of the most popular young men of the Camp. Innumerable friends in Timmins will extend very sincere good wishes to the young couple.

The Daily Star of Sault Ste. Marie, Ont., recently gave the following interesting account of the wedding:— "A very pleasant event took place at the home of Mr. Wm. Hurley, Echo Bay, Ont., on Tuesday evening, Sept. 15th, when his daughter, Helen May became the bride of Mr. John Richard Holden McCarthy, only son of Mr. and Mrs. J. J. McCarthy, of Timmins, Ont.

The ceremony was performed out-of-doors, the wedding party standing beneath a large maple tree, which together with green vines and rose shrubs, made a very effective background. The bride who was given away by her father, looked charming in a gown of white duchess satin and georgette with bouquet of sweetheart roses, lilies of the valley, and maiden hair fern. She was attended by Miss Ruby McCarthy, sister of the groom, who was gowned in shell pink georgette, carrying a bouquet of pink roses. The groom was supported by Mr. Howard Hurley, brother of the bride.

After the ceremony about 30 relatives and friends sat down with the young couple to enjoy a sumptuous repast, tables being spread upon the lawn and lighted by coloured gas lanterns strung above, while the bride's bouquet occupied the centre of the table, with the wedding cake in white and silver.

The groom's gift to the bride was a Rebekah lodge ring; to the bridesmaid, an Eastern Star lodge ring, and to the best man gold cuff links.

Among the guests were: Mrs. J. J. McCarthy and Miss Ruby McCarthy, of Timmins, Ont., mother and sister of the groom; Mrs. Wm. Watson, and Miss Ida Watson, Sault Ste. Marie, Ont.; Mr. and Mrs. Chas. Weeks, Sault Ste. Marie, Ont.; Mr. Wm. Lake, Sault Ste. Marie, Ont.; Mr. and Mrs. Alex Brodie, and Isabella, Evelyn, and Elvia Brodie, Bar River, Ont.; Mr. Geo. Smith and Etta, Mrs. Jas. Mitchell, Mrs. Mary McDonald, Mr. and Mrs. Harry Swinn and Miss Ruby Hawkins.

"The young couple were the recipients of many beautiful and useful gifts showing the high esteem in which they were held. Later in the evening, they left for Sault Ste. Marie enroute via Algoma Central Railway for Toronto, Niagara, Windsor and other eastern points, after which they will go to Timmins where they will temporarily reside. The bride travelled in a cocoa brown ensemble suit, trimmed with fur, with shoes, gloves and hat to match.

"The good wishes of the community are extended to Mr. and Mrs. McCarthy in their journey through life together."

To exult over an enemy oppressed, and heap affliction on the afflicted, is the mark and the mean triumph of a dastard soul.—George Smollett.

H. W. KEARNEY WINS FIRST PRIZE IN ESSAY CONTEST

In Competition With Essayists From All Over the Dominion, Timmins Optometrist Takes First Place

Some time ago the Imperial Optical Co. inaugurated a competition open to all opticians in Canada for the writing of an essay on Perflex Lenses and Imperial Kryptoks. There were hundreds of essays submitted and the general standard of the contribution was so high that the judges had considerable difficulty in making the award. Last week, however, the judges reached their decision, which awarded the first prize to Mr. H. W. Kearney, of the Curtis Optical Co., Timmins. A cheque for \$100.00 accompanied the honour of first place in the contest. Second prize (\$50.00) was won by Mr. J. N. Waterman, Collingwood, Ont. There were also 15 prizes of ten dollars each, awarded as follows:—C. R. Nimnio, Stratford, Ont.; Mr. Ross Sauvage, Seaforth, Ont.; Norman Foy, Toronto; M. S. Annis, Lindsay, Ont.; Miss Geraldine Woods, Toronto; W. L. McGill, Galt, Ont.; F. Bryans, Hamilton; H. R. Kirkeconnell, Toronto; Roger Barker, Leamington, Ont.; A. E. Mallette, Cochrane, Ont.; W. H. Currie, Hamilton; R. M. Mitchell, Bowmanville, Ont.; Gordon Shaw, Vernon, B.C.; Alf. Hipkins, Hamilton; L. A. Bartlett, Calgary, Alta.

In making the awards, the judges—Messrs W. H. Wilkins, W. G. Maybee and E. A. Lewis, mention that the essays on the whole were of such uniform excellence that they found great difficulty in making the awards. The papers were numbered and the names of the writers were not known until the awards had been made.

To compete in this contest successfully it was not only necessary to be able to write in attractive literary style, but also a very wide knowledge of optical matters and a grasp of the technical details of the profession were essential. In winning first place Mr. H. W. Kearney not only has done credit to himself but he also has reflected a certain amount of honour on the town where so outstanding a leader practices his profession.
