

**For Baby's Bath**

More than that of any other member of the family, baby's tender, delicate skin needs the greatest care and attention. The soft soothing oils in Baby's Own Soap make it specially suitable for babies, and its clinging fragrance reminds one of the roses of France which help to inspire it.

**OPENING BAND CONCERT DELIGHTS BIG AUDIENCE**

Programme Throughout of High Excellence and Effectively Given.

The first of the indoor band concerts by the Timmins Citizens Band was held in the Goldfields Theatre on Sunday evening after the church services. Despite several counter attractions, there was a large attendance, the theatre being well filled for the occasion. The programme for the evening was an unusually good one and was much appreciated. It was both varied and interesting, and the vocal selections were especially noteworthy. The guitar selections by Bandsman Poad also made a special hit.

Dr. J. A. McInnis, Mayor of Timmins, occupied the chair in his usual effective way, lightening the proceedings with a number of witty sallies and humorous stories. In opening the meeting he referred in complimentary words to the Timmins Citizens' Band and its leader, Mr. F. J. Wolno. From small beginnings the Band had developed into a musical organization that the town had good reason to be proud of. In support of this the Mayor mentioned the appreciation generally expressed at Iroquois Falls from people from all over the district at the recent Labour Day event when the playing of the Timmins Band had created so favourable an impression by its excellence. There were now 34 members in the Band, and the organization was showing decided progress in every way. During the past summer there had been ten open air band concerts, and now the intention was to hold a concert every second Sunday during the winter season. The Mayor also made complimentary reference to the vocal and other talent assisting at these concerts. He asked for the thoughtful support of all, by attendance and good order.

The Band was out in strength and was in the best of form. The playing of the Band Sunday evening set a very high standard for the concerts this season, but one that the boys intend to maintain or better. Each of the selections by the Band was given with a talent and finish that pleased all music lovers and reflected credit on leader and bandmen alike. Among the selections by the Band

were:—March, "The King's Highway"; selection, "Der Wildshutz"; selection, "The Golden Dragon"; fantasia, "Sounds of England."

The vocal selections for the evening were specially good. Mrs. Barrett's effective rendition of a solo was greeted with insistent encore and her responding number was equally successful. Her fine voice, sympathetic and carefully trained, pleased all as usual. Mr. R. Smith roused much enthusiasm with vocal selections, and he was given very sincere applause. He has a baritone voice of striking clearness and richness of tone, with a wide range, and his enunciation and expression are practically perfect. The standard set by the vocal numbers on this opening programme was a very high one.

There were two special instrumental numbers on the programme, both of them proving very popular and much appreciated. The instrumental trio by Messrs. Wolno, Poad and Stephens, cornet and saxophones, was a cleverly executed number that deserved the recall given. The guitar selection by Bandsman Poad were outstandingly popular. While these numbers were being given the audience scarcely stirred, and not a sound could be heard but the sweet music given by the gifted artist, the audience being unanimous in its evident decision that not one note of this sweet music should be missed.

The next Sunday evening band concert will be held in the Goldfields Theatre on Sunday evening, October 25th, after the church services.

**SUCCESSFUL CONCERT BY BAPTIST MISSION CIRCLE.**

There was a very pleasing and successful sacred concert held at the Baptist church on Friday evening last by the Baptist Church Mission Circle. There was a large attendance and all found the evening an interesting and inspiring one, the program being particularly attractive. The meeting was opened with devotional exercises, scripture reading and introductory remarks by the President of the Circle, Mrs. G. A. Macdonald. Miss Olive Copp then took the chair and gave a very interesting and helpful address on "A Mission Circle." Ladies of the Circle rendered two choruses, "Blessed Saviour," and "Watch and Pray," in very pleasing way. During the taking of the offering Mrs. Rand, Mrs. Geo. Pond and Mrs. O. Martin sang "In the Shadow of His Wing," each of the ladies singing a verse and the trio rendering the chorus in very effective manner. Another very pleasing musical number was the solo by Mrs. M. R. Hall, which was much appreciated. Mrs. Bolster's reading, "India," gave a very clear and interesting review of the missionary outlook of to-day in India. Miss Quick in a brief but pleasing address brought greetings to the Circle from the United Church. Two well-rendered readings recitative, added interest to the programme, and were much appreciated. They were "Phoebe," given by Mrs. Mansfield, and "The Legend Beautiful," by Mrs. G. A. Macdonald. A particularly interesting number on the programme was the Blackboard Review of the activities of Baptist Missions in India and Bolivia in 1924 as effectively shown by Mrs. Hemming. During the evening a pleasant luncheon was served by the ladies of the Mission Circle.

The Advance last week misunderstood the exact terms of the sentence imposed upon Emile Barron, found guilty of manslaughter in connection with the death of Donat Champagne. Barron was sentenced to six months, the sentence to date from the time the sentence was imposed, and not from the date of arrest, as suggested by The Advance.

**LOCAL BARRISTER NOW AMONG KING'S COUNSEL**

Mr. A. C. Brown to be Crown Prosecutor at Fort Frances Assizes.

Mr. A. C. Brown is the first barrister practising his profession in Timmins to be elevated to the rank of K.C.—King's Counsel. Those who have noted Mr. Brown's recent work in his profession will agree that he has been chosen on merit as a King's Counsel. Mr. Brown will be the Crown Prosecutor at the fall assizes at Fort Frances this year. There are a number of important cases before the court, the district covered being a wide one. It is a foregone conclusion that the interests of the Crown will be looked after with ability and thoroughness.

Another North Land barrister to be similarly singled out on merit is Mr. W. A. Gordon of Haileybury. This talented new K. C. will be the Crown Prosecutor at the assizes this fall at Sault Ste. Maire.

**COMMENT ON FOOTBALL SITUATION IN TORONTO**

There has been considerable comment on the situation created by the recent default of Ulsters in the Ontario Cup series. It is worthy of note, as indicative of a proper appreciation of good sportsmanship, that there is no defence offered for the unsportsmanlike action of the Ulsters. In The North Bay Nugget last week there were the following interesting paragraphs on the sports page:—

"There is a hot fight on in Toronto over the action of the O.F.A. in closing the Ulster Stadium, as a result of the team's refusal to meet Timmins on Saturday. The owners of the stadium point out that it and the team are two entirely different things and that it is an injustice to penalize the owners of the stadium for what the team has done. However, the football moguls are not worrying and the ban was still on for the games on Saturday."

"It seems a funny thing that while Ulster could not raise a team to come North for the Ontario Cup series, they were able to scrape together enough for the Robertson Cup. They had arranged to meet Congasco on Saturday in this series but the game was, perforce, called off. Dominion Stores and Davenport Albions were to have met

at the Ulster grounds, but this game too was postponed."

"Ulster has offered to put up a certified cheque for \$500 if the ban is lifted temporarily, pending an appeal. This would not, by any means, be unfair to the Timmins team, providing, that if the cheque is put up that it is converted into cash and Timmins given enough out of it to reimburse them for what they lost through the failure of Ulster to keep their appointment. Timmins would probably much rather have the money than see Ulster outside the pale."

NO one would build with old-fashioned lathes and plaster if he knew the advantages of Gyproc. Gyproc is fireproof wallboard made of solid rock. It is cheaper than lumber, twice as durable and much more satisfactory. Gyproc Walls and Ceilings are permanent, strong, light, easy to handle—pure rock, yet it saws like wood.

Read the listed advantages of Gyproc Fireproof Wallboard in this advertisement. Then ask your dealer about it.
