New Anglican Church Now Nearing Completion. Surprise Party at Postmaster McLennan's. Valuable Dog Lost. Other Items of News From South Porcupine Correspondent.

South Porcupine, Oct. 13th. Special to The Advance.

Mr. and Mrs. Pirie, of Shawville, Que., are visiting their daughters, Mrs. Geo. Helmer and Mrs. Robt. Bennet, and their son, Geo. Pirie.

Mrs. T. Swanson has returned from Montreal, where she was called owing to the illness of her daughter, Cora, whom we are glad to report is now on the road to recovery.

A jolly crowd of our young people, about thirty all-told, spent a very pleasant time at the home of Postmaster and Mrs. McLennan, on Friday evening last. The gathering was in the form of a Surprise Party. Mr. McLennan was a partner in the secret, but Mrs. McLennan was completely taken by surprise when the youth and beauty of the town came trooping in. The Postmaster and his wife proved a most genial host and hostess and a very enjoyable evening was spent in dancing, etc.

Captain Young, of the Hollinger Mines, has been in town two or three times this week in search of a valuable dog which he lost from his car on his way through to Frederic-house Lake last Saturday. The dog is a pedigree Chesapeake Bay and a much-prized pet with his children.

The many friends of Miss Ivy Starling will be pleased to know that the first operation she underwent at the Mayo Institute, Rochester, U.S.A., has proven quite successful. Dr. Mayo wrote to her doctor here saying they now had great hopes of the benefit their treatment would bring her. She was to undergo another operation the latter part of the week but at the time of writing the result of this has not been heard here.

The Young People's Social and Literary Club entertained their friends from Timmins at a Banquet and Turkey Dinner on Tuesday evening last. The dinner was provided and served by the Women's Guild of the United Church, which means that, not only the Turkey but all the other accessories that go with it, were of the best. Between thirty and forty sat down to the banquet table. Mr. Geo. Honer, President of South Porcupine Literary Club, acted as Toast Master in a very capable manner and proposed the toast to the King, Miss

Marshall in a neat and witty speech proposed the toast to "The Men," to which Rev. F. Bain responded. Miss Mary Hanson very aptly and fittingly "toasted" the "Guild" to which Mrs. J. Herman made response. Mr. V. Evans was right in his element when proposing the toast to the Ladies. To this Miss Snyder, Principal of the High School, made an apt and clever response, Mr. Geo. Starling, with his usual humour, "toasted" the Visitors, to which Mr. Claire Severt of Timmins very appropriately responded. Mr. MacMillan of Golden City in his toast to "The Club," complimented them on the work they were doing. To this Mr. Geo. Honer made a suitable reply. Following the dinner was a short programme, during which Mrs. (Dr) Russell, who is always a favourite sang. Miss Petronella Smith gave a reading in a very capable manner. Rev. F. Bain gave one of his Violin selections, to which his audiences always look forward, as a source of special pleasure. Mr. Geo. Honer favoured the banqueters with one of his splendid tenor solos, and as a conclusion there was a Playlet without words entitled "A Spanish Tragedy." Miss Marshall represented the Spanish Cavalier. Miss Vesta Snyder his daughter, and Miss Snyder the Spanish lover. All were in picturesque Spanish costume and although no words were spoken the "tragedy" of the play was quite easily understood.

Kitchener Rebekah Lodge is putting on a Benefit Euchre, Bridge and Dance in the I.O.O.F. Hall on Wednesday evening, Oct. 21st. Already several hundred tickets have been sold and we all wish them success in this worthy cause.

Mrs. F. Bain has been quite ill but is now on the road to recovery.

Mrs. R. Brinton and Miss B. Brinton are visiting Mrs. Brinton's daughter, Mrs. F. Brown, Cochrane.

The new Anglican Church is fast nearing completion. At a successful Vestry meeting held during the past week, all reports were so favorable that Archdeacon Woodall was very much pleased. It is thought that the edifice will be ready for occupancy early in November.

The Dome Ladies of the Anglican Church are giving a tea at the school house, there, on October 20th, the proceeds to be used towards the Church Fund. It is expected that quite a few from town will be out to enjoy the hospitality for which the ladies of the Dome are noted.

On Saturday last several of the ladies from town were out to the Bridge and Tea given by Mrs. T. Lang of the New York Porcupine, in honor of Mr. Lang's mother, Mrs. Robt. Lang, of Sault Ste. Marie, Ont. There were five tables of Bridge and all report a very enjoyable afternoon. Mrs. Lang, Sr., left on Monday to return to her home in the Soo.

During the week, Miss Shaw, Principal of our Public School, sent out notices to the parents, giving the times at which the call-bell will ring. This ought to be a help in getting children to school on time as there is a bell each time, fifteen minutes before the school is called. In the more outlying districts the bell cannot be heard but it is hoped this will soon be remedied, and the teachers and classes that are there on time will not be hindered in their work by the arrival of tardy pupils.

Mr. Thos. Sloan of Vinton, Quebec, is on a visit to his daughter, Mrs. Cecil Cavanagh.

In Loving Memory of Carlo Schneider. Died, October 18th, 1924. O Carlo, dear, just entering manhood, Our hopes were high of what you'd do;

But God has willed it, not as we would, And to Himself has taken you As an angel up above Sheltered by all Heavenly love.

A year has gone but still we miss thee, The same as on the day you left And everybody brings back to memory The times before we were bereft Of our bright and loving lad, Leaving hearts that still are sad. —Father, Mother, Sister, Brother and Chums.

FAREWELL PARTY TO MR. AND MRS. SHAW LAST WEEK

On Wednesday evening last Mr. and Mrs. J. B. Forrester entertained a number of friends at a farewell party in honour of Mr. and Mrs. G. Shaw who are leaving to take up residence in England in the near future. During the course of the evening little Miss Helen Forrester presented Mrs. Shaw with a walnut serving tray as a token of the esteem in which she is held by her many friends. A very pleasant social evening was passed by all present, the only regret of the evening being the expected early departure from town of the guests of the evening.
