Mr. McCrea to Present Shield To Dome Ambulance Brigade

Event to be at Majestic Theatre, South Porcupine, Friday Night. Items on Radio Matters. Mines in the Dome Section of the Camp Making Noteworthy Progress.

Dome Mines, Oct. 14th. Special to The Advance. "Dome Foam."

There is noteworthy activity in the mining properties of the Dome section of the Camp. New mills are in course of erection for the Paymaster, Ankerite and Marsh Gold Mines.

The Paymaster Mine is pouring concrete into the foundation forms and things are booming.

The Ankerite has been building a new bunk house to accommodate 100 men and excavations for the new mill are well on the way to completion. Mr. H. Doelle, General Manager, expects to move into his new residence in a couple of weeks.

The Marsh Gold is another mine making sure and steady progress to the producing stage. Excavations are being made for a 100-ton amalgamation and filtration mill.

Mr. Allan Anderson, of the West Dome Lake staff, has returned from a trip to his brother's wedding in Toronto.

'Tis said that everything comes to him who waits (if he waits long enough), and the old saw has again proved true. The Shield that had been won by a team representing the Dome Division of the St. John Ambulance Brigade on June 25th is at last to be presented to the winners. The Hon. Chas. McCrea, Minister of Mines of Ontario, is going to officially present the Trophy on Friday evening of this week, in the Majestic Theatre, South Porcupine, at the hour of 8 p.m. This trophy, which is a beautiful example of the Silversmith's art, is emblematical of the championship in First Aid Competition among

the mines all over Ontario. It is hoped that every member of the Dome Division will be in attendance at the presentation.

Born to Mrs. and Mrs. A. M. Hogg, Dome Extension, a boy, on Friday the 9th inst. Mother and baby both well.

Last week we had an item regarding long distance radio reception. This week we have to record a long distance wedding celebration. Mrs. Bentley Webb, whose sister was married recently over in the Old Country, had had sent out, a wedding cake and to fittingly observe and celebrate, Mrs. Webb staged a musical evening and supper which was very much enjoyed by the invited guests. Cornwall was well represented and Lancaashire was there too, and the party only broke up early in the morning, which is a positive indication that it was well worth attending.

Mr. W. A. Andrews, of Galt, who had been formerly working here, but who has recently been employed in Detroit, has again returned to the Dome and is bringing his family up and will reside at the Dome Ex.

Some folks who are radio listeners have been using adjectives more forcible than polite lately, the cause being the pleasant sound of Violet Ray apparatus coming in just about the time when an artiste from 2 L O is singing, "Listen to the Mocking Bird." While there is no law against using these cheerful sound producers, the law of live and let live, should induce the users of the violet rays to utilize the machines at hours which will not cause their good neighbors to wish that the violet rays were shrinking violets instead.

The home of Mr. and Mrs. Hector Hodgins was the scene of a pleasant entertainment last Friday evening when the Porcupine Juvenile Orchestra, composed of Robert Miner, violin; George Humphreys and R. Mitchell, saxophones; Miss Pearl Miller, piano and Len Truelufe, traps, discoursed music which was a surprise and a delight to the listeners. An impromptu dance was held and the orchestra proved that in a very short while that they will be in great demand for big dances.

Mr. H. T. Leslie, Manager at the Goudreau Gold Mines, where they recently poured the first brick, and Mrs. Leslie, who has been over to the Old Country, are both visitors to Camp.

The I.O.O.F. in South Porcupine have a well deserved reputation for their successes in putting on any entertainment and once again the boys are holding an "At Home" on Nov. 18th, so hold that date open. Invitations will be sent out in lots of time.

There will be a Tea and Sale of Home Cooked Pies, Cakes, etc., in the Old School-House on Tuesday the 20th from 3 p.m. to 5 p.m., in aid of the Building Fund of the Anglican Church. The past events of this nature have always drawn a well pleased crowd, so those who are "fed up" with their own cooking or desire a chance to purchase eats just like Mother used to make, are advised to get around early. The proceeds are for a worthy cause and you will get full value for your money.

We who live in the Porcupine Camp do not realize the growth of Timmings. This Town is going ahead by leaps and bounds, as is proved by a picture post card purchased the other day. The view was entitled "Timmings Athletic Grounds" and showed the Dome Football Field with Dormitories, Recreation Hall, etc., etc., in the background. The post card was printed by some firm in Ottawa.

Mr. Lewis Watson is out of the hospital but it will be quite a while before he will regain his former vitality.

Mr. George Woods, who is sojourning at Weston Sanatorium, is improving wonderfully. We will be glad to see George back with us again totally recovered.

Quite a few went over to Timmings last Saturday to witness the football game; this in spite of the fact that the gentlemen interested in drawing a big gate, didn't think it worth while to advertise the game at the Dome. The well wishes of all the Dome Soccer enthusiasts are with the Timmings team when they play in the Ontario Cup Final.

SUCCESSFUL RUMMAGE SALE BY FELIX CLUB

The Rummage Sale held on Saturday last by the Felix Club proved a successful event. The girls had a goodly array of attractive articles for sale. The attendance was good and a neat amount netted from the sale. The Felix Club is a girls' organization in connection with the United Church Sunday School pupils. The girls of this new club plan to finance the kitchen equipment of the new basement of the extended church.

Many a time-clock has wished it could tell a lie when it sees some fellows comin' in late after a big night.

MYSTERIOUS MR. RAFFLES TO BE HERE THIS WEEK-END

\$25.00 in Gold and a Velour Hat as Prizes for His Capture.

The mysterious Mr. Raffles will visit Timmings on Saturday, October 17th, and will be at various places during the day. The Goldfields Drug Co. is offering \$25.00 in gold for his capture, and Ostrosser & Co. will give a velour hat as an extra prize. The mysterious Mr. Raffles will be at the station at 11.20 a.m., on Third Avenue between three and four o'clock in the afternoon, and all that is necessary is for a person to have one or more coupons from the Goldfields Drug Co. and the Ostrosser Co., and to step up to Mr. Raffles and say:—"You are the mysterious Mr. Raffles and your number is 108." If he is the Mr. Raffles, and the person making the capture produces the necessary coupons, Mr. Raffles accompanies his captor to the stores where the prizes are turned over. If the mysterious Mr. Raffles is not captured on Saturday he will be at several places on Monday, including the Stock Exchange and the Post Office. He will remain on the street between the Goldfields Theatre and the Goldfields Drug Store for a half an hour after 7.30 p.m. Monday if not captured before.

The mysterious Mr. Raffles has been in many towns and the plan has always aroused much interest and amusement.

ENJOYABLE MEETING OF ST. MATTHEW'S SOCIAL CLUB

The St. Matthew's Social Club had an auspicious start. The first meeting of the S.M.S.C. was held in the basement of the church on Tuesday, Oct. 13th. The President, Mr. U. J. Morgan, whose motto was evidently, "Be brief, but to the point," opened the meeting with a few well-chosen-words. The programme was not as long as had been planned owing to the unavoidable absence of two members of the Executive. Mr. Newman's rendition of "Macushla" on the cello was enthusiastically endorsed, and he responded with "Rocked in the Cradle of the Deep." Mrs. Richards' clear, musical voice was heard with much admiration, when she sang "The Old-fashioned House," and "Drink to me only with thine eyes," as an encore. The Paul Jones, under the direction of Mr. Wheeler caused much merriment, and was enjoyed as much by the onlookers as by the participants. Mrs. Baryett sang, "Somewhere a Voice is Calling," and of course had to give an encore for which she sang "The Laughing Valley." When the applause for this number finally died down, the President remarked, that it was a surprise to some, and gratifying to all, to know that there is such splendid talent in the Club. He spoke of the splendid times in store if every member will do their bit to make the Club the success it promises to be. Any member who is willing to take part in the programme for the next meeting, or anyone desiring information regarding the club is asked to get in touch with any member of the executive:—Mr. U. J. Morgan, President; W. D. Forrester, vice-president; Miss R. Simms, treasurer; Mrs. W. D. Forrester, secretary and Mr. Fowler. Rev. Mr. Cushing, kindly accompanied the soloists, and proved that it is surprising what can be done with an organ. Cards followed, there being six or seven tables; then refreshments of which there seemed to be an inexhaustible supply. After some more music and chatting the meeting closed with "Auld Lang Syne."

Altogether it was voted a very successful evening. All members of St. Matthew's Congregation are cordially invited to the next Social Club meeting on Oct. 27th at 8.00 p.m.

DOMINION W. A. PRESIDENT PAID VISIT TO TIMMINS

The ladies of the Anglican Church were greatly honoured on Saturday evening last, when the Dominion W. A. President, Mrs. Ferrabee, of Montreal, visited Timmings and addressed them on the work and aims of the W. A., and the idea of the Forward Movement Campaign which is to draw in all women of the church who are not already members of the W. A.

Those who did not attend the meeting Saturday night certainly missed a most inspiring address. It is not often that the opportunity is given to hear so gifted and earnest a speaker as Mrs. Ferrabee proved to be. The

different departments of the work were fully explained and special stress was laid on the fact that the women who raised the money for missions also attend to the spending of the same. In closing Mrs. Ferrabee urged all to maintain the high standards and ideals of the Church in whatever work might be undertaken.

"You simply cannot find a maid who is honest. That one you recommended just left suddenly and took with her nine of my towels."
"What kind were they?"
"They were those Pullman car towels which I brought back from my trip."
