Turn back a few of your life's pages just for a moment and be young again. Picture in your mind the great fun we used to have at those old-fashioned Hallowe'en parties. Of all the "stunts" that were put on and what excitement they provided.

Member one of those "stunts"—at midnight—was for some young lady in the party to take a mirror and hold it just above her left shoulder? To take a position away from the crowd and when she glanced into the mirror she hoped to glimpse "her future husband?"

Well, this page is like that mirror. It reflects a host of most appropriate Bargains and suggestions to insure the happy success of your forthcoming Hallowe'en party. Read carefully each advt. - - - then visit these establishments for satisfactory Service, Right Prices and True Quality.!
