

Breaking New Ground in the Rockies

The fastnesses of the Rockies abound in virgin territory never touched by the foot of man and one of the latest of these to be traversed is the Illecillewaet Glacier where a new ice cave has been discovered this year of which the photo above gives a good idea. It was found by Chris Haessler, one of the Swiss guides stationed at Glacier B. C., and the ascent to it was made in September by 19-year-old Paul McIntyre, an annual visitor with his family to Glacier, the guide and W. J. Oliver of Calgary. Mr. Oliver describes the adventure as follows:—

"It was a glorious day, Mount Sir Donald was crowned with a circular cloud like a halo; the vegetation was at its peak and with the early morning dew the valley was filled with a delightful fragrance. After walking through massive timber we gradually emerged into jackpine, brush, and on to the tongue of the glacier, here were the headwaters of the Illecillewaet River winding its way down the steep valley from this huge glacier. Our progress from this point was somewhat slower, our good trail had been left far behind; the first 1,500 feet was over rock and moraine, crossing freshets and miniature waterfalls from the ice above. As soon as we reached the ice we adjusted the grampons to our feet, these grampons are made of iron and are similar to a

small bobsleigh each having 12 spikes distributed evenly over the surface and about 1 1/2 inches long.

"Travelling along these huge crevasses is very thrilling, at times there was only a walking surface of 2 feet and on either side of this narrow ledge of ice were drops from 1,200 feet. Chris Haessler the Swiss Guide led the way and roped to him was Paul McIntyre and self. Our course over the ice field was continually brought to a halt on account of a huge gulch in the ice being too wide to cross, we would then have to travel either up or down until our guide could locate a place narrow enough to cross. Finally we located the ice cave after travelling along the base of one of these huge crevasses, it proved to be 10 feet high and 20 feet long, the sides were worn like the sands after an ebbing tide and with the strong sunlight that was coming in at its entrance these pieces of jutting ice scintillated like huge diamonds. Right in the centre across the valley, framed by this wonderful oval cave stood the Swiss Peaks and Mt. Hermit.

"Leaving here we travelled on to the ice seracs near the top of the glacier and it made the unaccustomed stand in awe to see the Swiss Guide and Paul McIntyre run around these ice columns and up and down the sides of their steep ice banks like children at play."

How About It?

"Isn't it queer," an advertising man asks,

- That a man who thinks he is a business man
- Will get up in the morning
- From an advertised mattress,
- Shave with an advertised razor,
- And put on advertised underwear
- And advertised hose, shirt, collar and tie and shoes,
- Seat himself at the breakfast table
- And eat advertised breakfast food,
- And drink advertised coffee, or
- Advertised tea.
- Put on an advertised hat,
- Light an advertised cigar,
- Ride to business in an advertised motor car,
- And then turning down advertising
- On the ground that advertising
- Doesn't pay!

RE-OPENING SERVICES AT THE BAPTIST CHURCH

Services Being Conducted in Enlarged Church by Rev. Mr. Brown, of Toronto.

The formal re-opening services in connection with the Timmins Baptist Church were held on Sunday last. During the summer the church building has been enlarged and remodelled, the whole work being carried through without stopping any of the services. The new church has a much greater seating capacity than previous to re-modelling, and the building is not only convenient but looks exceptionally well inside.

On Sunday the special services were conducted by Rev. Mr. Brown, of the Annette Street Baptist Church, Toronto, who delivered thoughtful and impressive sermons. There was a large attendance of members and adherents at each service. The singing of the choir added to the interest of the services. At the morning service Mr. Green sang a solo that was much appreciated, and at the evening service Mrs. M. R. Hall gave an effective and pleasing rendition of a solo.

Each afternoon and evening this week special services are being conducted in the church by Rev. Mr. Brown. These are being largely attended. The last of these special services is being held this (Thursday) evening.

RAMBLERS SECOND ANNUAL MASQUERADE ON TUESDAY.

The Ramblers Club held their second annual Hallowe'en Masquerade on Tuesday night in the Hollinger Recreation Hall. The Ramblers Orchestra discoursed the best of music and the luncheon was up to the usual high standard. Great credit is due to the ladies for the decorations, which were original and beautiful. The costumes gave the judges a hard task, and the winners were announced as follows:—

Best Dress—Ladies, 1st, Miss Josephine Tremblay; 2nd, Mrs. T. Royon; Gents, 1st, W. H. Parker; 2nd, Doug. Brown. Comic Dress—Ladies, 1st, Miss Regina Blanchfield; 2nd, Miss Cissie McGowan; Gents 1st, W. H. Wilson; 2nd, K. Blaw.

QUEER IDEAS OF SPORT AND FAIRNESS FROM STAR

Toronto Newspaper Shows Odd Attitude and Poor Sportsmanship.

Elsewhere in this issue will be found an article from The Toronto Star in regard to the Ulster Football Team's default in the Ontario Cup series. It seems a mess of misunderstanding and a mess of mendacity from start to finish. "Why should this be done when neither team is a Toronto one?" asks The Star, and then that paper wonders why its city is sometimes called "Hogtown."

The Star is incorrect in stating that "four inches of snow covered the Timmins ground for the match with Claremont. There was a little snow in evidence but nothing like two inches, let alone four. Also, the snow was scraped from the football ground, and the going was much better than often happens in Toronto with a little rain. In any case, there would have been no snow or cold weather had the game been played when the rules required it. It was Toronto's fault that the semi-finals were delayed so long. As in past years Toronto and district held up the Ontario Cup matches to an unreasonable date.

As to the gate here, that also was caused by Toronto's tardiness. Had the match been played two or three weeks before, or even the previous week, there would have been good weather and a big crowd, with receipts fully doubled. In any event, Claremont was satisfied, so why should Toronto object. Toronto does not say a word about the gate received by Timmins at Toronto in the last year's semi-finals for the Ontario Cup. Last year Timmins share of the Toronto gate was \$41.00. On the other hand Timmins paid Oshawa's railway fares out of the gate here and handed another \$300.00 out of the gate for Brantford's trip here.

To suggest that Ulster did not come here on account of possible small gate is the worst kind of misrepresentation. As a matter of fact the O.F.A. offered to advance expenses to Ulsters to come here. Ulsters played in Toronto on the dates first selected to play here so it could not be lack of players either. The real reason for Ulsters default must be sought in another direction.

It is evident that The Toronto Star is ready to misrepresent and belittle Timmins unfairly. Timmins might well make a note of this fact.

Iroquois Falls is to have a Lodge of the Loyal Order of Moose, and the officers and several members from Timmins Lodge are going there on Sunday to assist at the institution. Supreme Vice-Dictator Norman G. Heyd, of Toronto, will conduct the ceremonies.

DEATH OF MR. L. N. HEIL AT SAN ANTONIO, TEXAS

The sad news was received this week in town of the death on Wednesday at San Antonio, Texas, of Mr. L. N. Heil, father of Mr. H. P. Heil and of Mrs. V. Woodbury, of Timmins. The late L. N. Heil was a veteran of the Civil War, and one of the outstanding citizens of San Antonio. He will be remembered in Timmins for the interesting and informative address given by him at a Kiwanis luncheon here this summer while he was visiting his son and daughter in town. The sympathy of all here will be extended to the bereaved relatives.

BUSINESS MEETING NOV. 3rd. SCHUMACHER CALEDONIANS

The Schumacher Caledonians will hold a business meeting in the McIntyre Recreation Hall on Tuesday evening, Nov. 3rd. It was originally planned to have this meeting on Thursday of this week (tonight) but on account of this being election night it was necessary to change the date. Then Wednesday next was selected, but this also proved impractical, and Tuesday, Nov. 3rd was definitely agreed upon by the executive. The meeting on Tuesday will be a business one and for members only and those wishing to join.

The Hollinger Stores Bowling League has been organized and much good sport in this line is expected this season.

Announcement is made in this issue that Mr. Percy Youlten, of 28 Main Avenue, has been appointed agent at Timmins for the Cunard and Anchor-Donaldson lines.

GHOSTS AND KLANSMEN AT A.S.D. LAST NIGHT

Bib Time Enjoyed at Masquerade Event by Young People's Club.

About sixty members of the A.S.D. Club gathered at the Oddfellow's Hall last night garbed in habiliments usually ascribed to the departed spirits or to Klansmen of the Fiery Cross, and a right good time was enjoyed by those present. The event for the evening was Ladies' Night, in addition to a Ghost Masquerade, and the successful evening resulting is due to the work of Miss Mary Boyd and Mrs. E. L. Urquhart.

An interesting programme had been drawn up by the ladies on the Executive Committee which gave all the members a happy evening. A Biscuit Dance was a novel feature introduced at A.S.D. dances which made a hit and was perhaps the most enjoyable part of the programme. Mr. Maurice Belanger acted as director for a Paul Jones, which unfortunately had to be cut short to allow for the serving of refreshments. The luncheon served was the feature of the evening; it consisted of apples, salad, cakes, bread and tea. After luncheon Hallowe'en crackers were issued to each member, the idea being to duplicate the paper hats found in the crackers for a dancing partner.

The A.S.D. Club Orchestra provided the best of music for the evening, and taken with the excellent programme provided, Ladies' Night was a very happy event. Next Wednesday evening will be the Annual Meeting and Election of Officers, and it is particularly requested that a large number turn out for this event. The election of officers usually follows the luncheon, and does not take very long, so that there is plenty of time left for dancing.

HIGH IN CROSS COUNTRY RACE AT CAMBRIDGE, MASS.

Harvard harriers won from Dartmouth's cross-country team at Cambridge, Mass., last Friday, 27 to 28. A Harvard man was first with time of 28.30. K. H. Auer of Dartmouth University, was fourth, his time being 29.06. Despatches only give the standing of the first ten, so it is interesting and pleasing to note the name of a Timmins athlete included in the list. Mr. Auer being only 36 seconds behind the leader.
