Stop Falling Hair!
Money Back if it Doesn't

The big problem with scalp specialists is to get the public to form a consistent habit of taking care of their hair. Van Ess Liquid Scalp Massage comes in a patented bottle with a special rubber application attached. The method of application is easy—and cleanly. The applicator feeds the treatment through rubber nipples direct to the roots of the hair. One minute a day with Van Ess is sufficient. Stops falling hair, cures dandruff, grows new hair. We give you a positive 30-day guarantee.

Schumacher Choral Society
Re-Organized for Season

Away to Good Start. Movement to Build Skating Rink. Painful Accident to Schumacher Man. Many Political Meetings in Schumacher and District. Girls' Own Club Social Event.

Schumacher, October 28th, 1925. Special to The Advance.

Mrs. James Bowen and little daughter, who have been visiting during the past three months with friends in England, arrived home on Tuesday 20th inst.

Dr. E. M. Honey, left last week for a visit to his home in Port Perry. The many friends of Mr. C. Pennie, who was stricken quite recently with an attack of appendicitis, will be glad to hear that he is convalescing.

Mr. and Mrs. Leighton have returned to town, after spending a very pleasant vacation among friends at Orangeville and Toronto.

Mr. George Henderson has gone to Gowganda where he will resume his mining operations.

Mr. and Mrs. Herb. Miller are home from a very enjoyable visit to the Queen City.

Mr. M. Donovan, of the Paymaster Mine was a visitor in town during the week.

A movement to build a new rink is meeting with very much favour from the citizens of Schumacher. Unless one is erected the youth will have to journey to Timmins to enjoy those delightful winter recreations, skating and hockey. This means expense and inconvenience. We have many wealthy corporations and business men who will gladly contribute very generously to a project that will have for its aim the health, and happiness of the boys and girls. Curling, also, is an excellent health-giving winter pastime, and could be provided for at a small additional outlay. A dance will be held in the McIntyre Recreation Hall on Friday night, November 6th, in aid of the new sporting arena. Your support and patronage are solicited.

Mr. Bert Drummond was the victim of a very painful accident, while at his underground work in the McIntyre Mine on Monday, 12th inst. A piece of rock unexpectedly fell upon the foot of the unfortunate young man, fracturing several of the bones. The patient is being treated at the Timmins Hospital and is progressing as favourably as can be expected.

Rev. W. Biesenthal, of Krugersdorf, who has conducted Lutheran services in this locality during the

past three years, has accepted a pastoral call to a larger field of work and paid his farewell visit to our town this week. The worthy minister carries with him the best wishes of the community for continued success.

Several members of the Masonic Order attended divine services conducted by Rev. J. D. Parks, in Timmins, on Sunday.

Many political meetings have been held in the Maple Leaf Theatre during the past fortnight. The public questions of the day have been presented and discussed by eloquent supporters of the different candidates. Public speakers of both sexes from far away, Lambton, Toronto and Quebec, have held large audiences spell-bound by their silver-tongued oratory, and now we all know which way to vote.

Mr. E. Kimberley, of Beamsville, Ont., who is on a business trip to the North Country, called on Schumacher friends recently. Mr. Kimberley is at present interested in the cultivation of fruit in the Niagara district.

The sympathy of the community is extended to Mr. and Mrs. E. Keizer, in the death of their infant child on Friday 23rd, inst. Interment took place on Sunday. Funeral services were conducted by Rev. C. Armstrong Sales.

Mrs. L. Rickard and family of Sudbury, have come to town and are residing on Fourth Avenue.

Mrs. M. McMillan and babe are visiting friends in Cobalt and North Bay.

The home of Mrs. J. R. Todd was the scene of a very delightful Halloween Masquerade party, on Tuesday evening, in honour of the members of the Girls' Own Club and their guests. Mrs. Todd, as usual was the ideal hostess, and all were well pleased with the evening's entertainment.

Mr. H. Blanchfield, who has been harvesting in the Canadian West, is home for the winter.

The Schumacher Choral Society is well away to a good start for some real programmes for the coming winter. On Tuesday of last week a meeting was held at the home of the president, Mrs. Geo. Shippam. The following officers were elected: Mr. Hale, conductor; Mr. Kearney, pianist; Mrs. Shippam, president; Mr. Sturdie, 1st vice-president; Mr. Kearney, 2nd vice-president; Mrs. J. E. Keene, secretary-treasurer; Mrs. D. Lang, librarian. The Society cordially invite all lovers of good music to join them in this musical effort. Any wishing for further information can get it from any of the above officers.

HIGH SCHOOL ANNOUNCES A HALLOWE'EN PARTY

Poetic invitations have been sent out on postcards announcing a Halloween Party on Oct. 30th, under the auspices of the Timmins High School. The invitations are adorned by Halloween cut-outs of cats, pumpkins, etc. The following is the invitation form:—

The High School 'll have a party To which you sure must come. It's on October thirtieth, At 8 p. m.—Gymnasium. There'll be ghosts and witches many

To show you what is done, So come prepared In masks or beard, And help along the fun.

POPULAR SCHUMACHER MAN WEDDED AT PORT PERRY

The following paragraph from The Toronto Globe of recent date will be of general interest:—

"A very pretty wedding was solemnized at the home of the bride's parents, Cochrane Street, Port Perry, on Thursday, Oct. 22, when Kathleen Santon, daughter of Mr. and Mrs. William McCaw, was married to Dr. E. Morley Honey of Schumacher, Ont., son of Mr. and Mrs. Charles Honey. Rev. Dr. Geo. E. Honey, uncle of the groom, officiated. The bride, who was given in marriage by her father, was attired in a gown of white georgette over satin, trimmed with rhinestones and pearls. She carried a beautiful bouquet of Ophelia roses and lily of the valley. The bride was attended by Mrs. H. Emmerson, her twin sister, as matron of honor, and by Miss Edna McKee and Miss M. Irene Glasgow. Ruth Carnegie, her niece, was flower girl. The groom was supported by his brother, Mr. Ralph Honey, of Toronto. Miss Helen Mellow played the wedding music, and during the signing of the register there was a violin selection by Miss Louise Carnegie, and Mrs. D. Carnegie sang. After the ceremony a dainty luncheon was served from a prettily arranged flower-decked table. Later Dr. and Mrs. Honey left for their honeymoon, the bride travelling in a smart brown costume, caracul fur coat and hat to match. On their return they will take up their residence in Schumacher."

KEEFER SYNDICATE TO WORK THROUGH WINTER

Intend to Carry on Development Programme, Taking in Supplies, Etc.

The Keefe Placer Syndicate has decided to carry on a development programme throughout the winter. The transportation of supplies and material will be easier with the snow on the ground and much progress is expected. It is also intended to go down to bedrock and winter conditions will also be favourable to this. The Keefe Placer Syndicate feels that the results in the past justify an aggressive development programme this winter. The assay reports made by Mr. B. C. Lamble a couple of months ago, together with the very favourable report of Dr. Sloan some days ago, suggest that the claims are most promising. Dr. Sloan made a thorough examination and believes that further work will prove fully warranted.

EUCHRE, BRIDGE AND 500 AT SCHUMACHER, NOV. 17.

There will be a Euchre, Bridge and Five-Hundred, under the auspices of the ladies of the Altar Society, Schumacher, in the McIntyre Recreation Hall, on Tuesday, Nov. 17th. Refreshments will be served and there will be attractive music for the event, together with good prizes for the cards.

Progress in the work must come about through men and women of high aspirations and high ideals. —Herbert Hoover.
