HAPPY HALLOWE'EN AT CALEDONIAN SOCIETY

Special Evening for the Lads and Lassies at Regular Meeting Friday.

The regular meeting of the Caledonian Society of Timmins in the Hollinger Hall on Friday evening of last week was a special Halloween Party for the youngsters, the programme being all supplied by the lads and lassies, and games and general fun being enjoyed by all. The event was a Masquerade with prizes for the best costumes worn by youngsters. The number, variety and cleverness of the costumes, were specially noteworthy. The judges had a very difficult time selecting winners from the large number of attractive make-ups. Mr. W. D. Watt, President of the Society, conducted the meeting in very effective way, and it was a happy round of fun and enjoyment throughout. "The Grand Old Duke of York," "Musical Chairs," and other games were enjoyed by the youngsters and there was a programme of decided merit given by the youngsters themselves. The attendance was large and all present were very well pleased with the evening. "Deukin' fer apples," "Chaumpit tawties," and other Old Hand touches added to the evening's interest. The luncheon served was another special. The programme for the evening included:—Violin solo, by Master J. Neilson, a talented rendition on a particularly sweet-toned instrument; an effective piano solo by Miss Annie Scott, given in very creditable way; a bright recitation, pleasingly rendered by Miss Jessie Watt; a duet, in costume, and with banjo accompaniment, by Miss Jean Scott and Master Fordyce Scott, Miss Annie Scott playing the piano accompaniment, this attractive number making a big hit and winning very decided encore; a well-rendered piano solo, by Miss Margaret Geils. Highland dancing by Misses Margaret Geils and Helen Chisholm, these clever little ladies being enthusiastically encored; a solo by Master Willie Shewan, whose fine voice and talented interpretation won very pronounced appreciation; a duet by Messrs Frank and George Roberts brought down the house, the clever work of these little lads pleasing all. Practically every number on the programme was insistently encored and fully deserved the appreciation shown.

The next regular meeting of the Caledonian Society will be held in the Hollinger Hall on Friday evening, Nov. 13th. This will be a particularly lucky meeting for all.

THE REAL REASON

In the interest of the public, the Salada Tea Company wishes to point out the reason for certain stores in Timmins not carrying "SALADA" Tea. "SALADA" they claim, does not allow them a large enough profit. Fine quality at a low price is impossible if large profits are taken, and the nation-wide popularity of "SALADA" has been built only on fine quality. If a grocer does not carry "SALADA" it is only because he does not hold his customers' real interests at heart. -43

KEEP THE ADVANCE ON THE ADVANCE BY ADVANCING \$2.

During the past few days a number of accounts have been sent out to those whose subscriptions to The Advance have expired. There have been a large number of prompt responses, but a few have not taken the tip given by the little bills sent out. It is the custom of The Advance to keep all its subscription list on a fully paid-up basis. A paid-up list is much more valuable to advertisers and the only fair one for the publisher. If a man or woman wants a paper he or she will be ready to pay the small subscription fee. Anyone who will not pay for a paper does not wish to read it very much. The only way The Advance has of knowing whether you wish the paper continued or not is by your sending in the subscription fee. If you do not send in the fee, we have to take it for granted that you do not further desire the paper sent to your address. Accordingly your name is cut off the list. If you do not wish to miss an issue or more, send in your renewal at once. Occasionally a subscriber forgets about his subscription being due. It is for the benefit of those overlooking the matter, that the accounts are made out and sent out three or four times a year. The Advance has done its part and more in the matter. How about you, Mr. Subscriber. If you have overlooked the detail so far, look after it now, at once, immediately, and by advancing \$2.00 keep The Advance advancing to your address for another year. All subscriptions are strictly paid in advance, and subscriptions are not continued after the expiry date is past.

Customer: "Which is the most important—a man's wife or his trousers?"
J. Jones: "Well, there's lots of places a man can go without his wife."

RETREAT OF ICE-SHEET ON LAKE TEMISKAMING

Interesting Geological Report Issued. Retreat of Glacier Depicted.

The results of an attempt to fix the time of the retreat of the last ice-sheet from eastern Canada are presented in a report from Ernst Antevs recently published by the Geological Survey of Canada. The method employed is one that has been used in northwestern Europe. It consists in counting and correlating the annual layers of sediments deposited in lakes lying on the edge of the ice-sheet. A description is given of the unique method of correlation. An interesting piece of work is that which shows that the retreat of the glacier from the mouth of Montreal river on Lake Temiskaming northward to Englehart was made in six hundred years. Interesting notes are also given on the large lakes that occupied the basins of the great lakes during glacial times and on the flooding of the St. Lawrence and Ottawa valleys by the sea when the ice-dam holding it back was removed. A charge of twenty-five cents is made for this publication. It can be had by applying to the Director of Geological Survey, Ottawa.

McCoy's Cod Liver Extract Tablets Fine For Thin Underdeveloped Kids

Children Love Them Because They Are Sugar Coated and as Easy To Take as Candy.

It's your duty, Mother to see that the frail, peaked, sickly youngster grows up to be strong in body, keen in mind and robust in health.

Extracted from the livers of the lowly codfish are the health, weight and strength producing vitamins that are found in McCoy's Cod Liver Extract Tablets, which are sold by pharmacists all over North and South America.

Doctors know about them and so does any druggist anywhere, and if your children need building up ask for these tablets to-day if you want to give your loved ones a good appetite and put pounds of good healthy flesh on their bones. But be sure and get McCoy's.

They are not expensive—60 tablets—60 cents and if you are not pleased with the improvement after 30 days—your money back.

A very sickly child, age 9, gained 12 pounds in seven months and is strong and healthy.

One skinny woman gained 9 pounds in 24 days. -43

SAFE

Old John custodian of the bath houses at an old English resort, was in the habit of entering Miss Augusta's compartment before she had completely re clothed herself.

One morning she said to him: "John, you ought to knock before you come in. Some day you might come in while I was undressed."

To which honest old John replied: "Lor' bless you, miss; no danger of that. I allus peeks through the knot-hole afore I comes in."

MANY TREES YIELD RUBBER.

It is often supposed that rubber is the product of a single species of tree, but this is not the case. It is produced by a number of different kinds, all of them requiring a tropical climate for growth. While some of them flourish in a stony soil with only intermittent rainfall, others require a moist alluvial soil.

After the milk is collected, the little globules of rubber, which float around in it, must be separated from the liquid and worked up into gum. From this gum are finally made such excellent articles as Columbus Rubber Boots. However, great care must be exercised in their manufacture in order that they may have these qualities of comfort and durability for which they are so well known. At all the best dealers. -43

Rheumatic Pains Go Swollen Joints Vanish

Twisted, swollen, unsightly joints are rapidly freed from pain and brought back to normal with Rheuma. Lame people walk without aid; sleep comes to those who have been unable to lie in bed; hands that were helpless because of terrible rheumatism are now able to do their share for the support of the family.

Rheuma is a wonderful remedy for rheumatism, gout, neuritis, lumbago and neuralgia.

It is a wonder-worker; it never falters, never gives up until every vestige of poison is expelled from the body.

Rheuma acts on stomach, liver, kidneys and bladder all at once and quickly brings long prayed for comfort to distressed sufferers. Todd's Drug Stores, Ltd., and all good druggists sell it with guarantee of money back if it isn't satisfactory.

Last fall, one of our residents found it necessary to make a business trip to the South during the hottest months. As it was quite cool here when he left, it did not occur to him that the underwear he was accustomed to, wearing might be uncomfortable in a warmer climate.

A few days later his wife received the following telegram: "S.O.S. B.V.D.'s. P.D.Q." —Pep.
