Attention! Householder

NOW is the time to clean your yard. Use plenty of Chloride of Lime which can be procured at the City Hall free of charge.

Keep covers on your Garbage can.

All users of well water should boil the water at least twenty minutes.

By Order,
 TIMMINS BOARD OF HEALTH.

LOT OF WINDOWS IN TOWN WERE CLEANED THIS WEEK.

Perhaps all the windows in town would have been cleaned before winter set in, but most of them have been so cleaned this week in any event. In some cases the cleaning was compulsory and had not been intended until last Saturday night (Hallowe'en). On Hallowe'en youngsters of varying sizes and ages were out sky-larking or moon-larking and one of the popular tricks this year was writing on windows, especially plate glass windows. The writing would not come off for a little rubbing. It took water to remove the writing, and as most people did not want the writing to remain, there was a more or less general window washing this week. The window-writing was one of the favourite and fashionable Hallowe'en tricks this year. There were a few other tricks less desirable, but in the main the evening passed off without any serious harm being done. There were large crowds of youngsters and grown-ups out enjoying the fun of Hallowe'en and about the customary number and style of Hallowe'en tricks were perpetrated once more.

Anybody can start something, almost anybody can start almost anything, but it is only the chosen few who can see it through to completion.

G. B. NICHOLSON WINS IN EAST ALGOMA BY OVER 500

One of the most popular Conservative wins, so far as this district was concerned, was that of Mr. Geo. B. Nicholson in East Algoma. Mr. Nicholson is well known to many in this riding, where he has spoken in more than one election in the past. Despite the gerrymandering of the riding Mr. Nicholson won last Thursday by over 500 votes majority over Dr. Caruthers, the Liberal candidate.

In Algoma West, Mr. T. E. Simpson won by over 2,000. This will be another popular win in this district.

FRIDAY THE 13th, "LUCKY" NIGHT AT CALEDONIANS

The next regular meeting night of the Timmins Caledonian Society falls upon Friday, the thirteenth of November. As both "Friday" and "the thirteenth," and especially the two in combination, are supposed to have special significance in superstition, this particular meeting is to be known as "Lucky Night," and the intention is to have a couple of papers on superstition in common acceptance, especially in the Highlands where there are a great many popular beliefs in the supernatural and in signs and omens. The meeting should be of special interest and enjoyment. There will be a special musical programme.

DOMINION CONVENTION OF BOARDS OF TRADE

To Be Held in Winnipeg November 16th, 17th and 18th.

Invitations have been given to some 450 Boards of Trade and Chambers of Commerce throughout Canada, including Timmins Board of Trade and other similar bodies in the North Land, to be represented at a Dominion Conference to be held at Winnipeg, Manitoba, on Monday, Tuesday and Wednesday, November 16th, 17th and 18th, to discuss national economic problems. The suggestion for this Conference was first made by President S. B. Gundy, of the Toronto Board of Trade. The plan found ready acceptance with the Boards of Trade of other cities, such as Halifax, Montreal, Winnipeg and Vancouver, while smaller cities and towns also look upon the proposal very favourably. It is felt that the Conference will accomplish much in regard to Dominion questions what the Ontario Associated Boards of Trade does for Ontario questions and what the Northern Ontario Associated Boards achieves in reference to matters concerning the North. In a word, the Dominion Conference of Boards of Trade is founded upon the ideas of co-operation, "get-together," and "Work-together," and with the thought that in a multitude of counsellors there is wisdom, and that the very discussion of national questions by men from widely separated sections means a forward step to solution.

The Northern Ontario Associated Boards looked favourably upon this Conference idea, and it was decided to have a representative present if the expenses could be financed.

The formation of a Dominion Board of Trade will be discussed at the Conference. The discussion of this will be introduced by A. O. Dawson, President of the Montreal Board of Trade.

An agenda, covering a number of important national questions, has been prepared and is to be sent to each Board of Trade before the Conference. A number of the topics, it is expected, will be introduced by some of the most prominent men in Canada, thoroughly conversant with the subjects with which they are to deal. In fact, among the delegates will be many of the leaders in the commercial and industrial life of the country.

Mr. F. D. Toledard, the capable and popular secretary of Toronto Board of Trade, is the secretary of the Conference.

There will be addresses of welcome by Sir J. A. M. Aikins, Lieutenant-Governor of Manitoba; Hon. John Braeken, Premier of Manitoba, and Mayor R. Webb, of Winnipeg. Sir Thomas White will deliver the principal address.

JOHN FERGUSON IN CLOSE CONTEST IN NIPISSING

The unofficial figures for Nipissing, from returns gathered at all the polls, give John Ferguson (Con.) a majority of 10. Although these figures have been checked and rechecked there is always the possibility of a mistake, and it will be well to reserve judgment until the final count is made. The returning officer, W. Aubrey, of North Bay, will make his official count to-day, Thursday, the procedure being to open the ballot boxes in the presence of those concerned and to tabulate the figures from the official documents of the deputy returning officers. It is not expected that the figures will be altered, so closely have they been checked by both sides.
