The Cochrane Post last week says: Ty Cobb and his party of hunters, including J. D. Mackay from here, returned from their hunt well satisfied with the results, having bagged a fine specimen of bull moose. Mr. Mackay states that Ty Cobb is enthusiastic about the North Country as a hunting paradise, and stated that next year he will bring his whole ball team with him.

Last week Mr. and Mrs. J. T. Nidd, of North Bay, observed the 37th anniversary of their wedding. Mr. and Mrs. Nidd have been residents of North Bay ever since their marriage. Mr. Nidd is well known all through the North having been for many years one of the train staff of the T. & N. O. Recently he was appointed Inspector under the Luxury Tax Act.

Mr. Angus McDonald, ex-M.P., who collapsed while addressing a meeting in the recent election campaign, is reported from Cobalt as improving in health and able to be out and around again.

Farmers at Shillington report that the snow during the past few days made it impossible to get all their grain threshed. Most of it, however, is reported as saved all right.

Mr. Elwyn Jamieson, an old-time popular resident of this Camp, who has recently been living at Owen Sound, Ont., is renewing acquaintanceships in the town and district this week and being heartily welcomed here again by many old friends.

Reports from Gowganda last week tell of pansies blooming in a garden there. A Toronto lady visiting in the Camp gathered two bunches of the flowers. The flowers were picked on Oct. 27th, with a carpet of snow on the ground at the time.

Back-firing of the engine of one of the planes of the Northern Air Service, of Haileybury, one day last week caused the gasoline to take fire. Two men on board the airship were thrown out into the water when the gas fumes exploded, but it was possible to fight back the fire and prevent the burning of the gasoline tanks. The airship was badly damaged.

At the recent annual meeting of the North Bay District of the Ontario Secondary School Teachers' Federation, delegates were present from Timmins, Liskeard, Haileybury, Sault Ste Marie and North Bay. Mr. S. E. Henry, of Timmins, was elected secretary-treasurer of the association. Principal F. D. Wallace, of North Bay, is president.

A woman giving the name of Mrs. Pianosi, and address as Schumacher, was taken off the train at Cobalt some days ago on the charge of a breach of the O. T. A. The Provincial Police had found liquor in the suitcases that were travelling along with the lady. She was fined \$200.00 and costs, and the liquor was confiscated.

The Timmins Chapter of the Daughters of the Empire has a well-earned reputation for excellence in events presented, so it may be taken for granted that the Armistice Dance, to be given next Monday evening, in the Mason's Hall, will be up to the usual high standard. There will be the best of music, refreshments served, and a general good time assured.

This (Thursday) evening marks the Dedication of the new United Church building at Schumacher, at 7.30 p.m., with Rev. F. J. Baine, M. A., B. D., as the special preacher for the occasion. From 5 to 7 there will be a turkey supper served in the basement, and from 7 to 7.30 there will be an organ recital.

The new general public hospital for Timmins has been opened under the charge of the Sisters of Providence, and promises to be a useful and beneficial institution for the town. The hospital, corner Fifth Avenue and Spruce street, has been thoroughly remodelled and extended and is now up-to-date in every particular.

The Business Man (dining with a pretty companion in the hotel grill): "I say, waiter; why are you staring so rudely at this lady that's with me?"

"Pardon me, sir; it ain't rudeness; honest it ain't," returned the waiter. "It's real admiration. You see, this is the fifth time to night that she's been to dinner."—Exchange.

Several Happy Hallowe'en Events Held in Schumacher

Canadian Girls in Training Have Specially Pleasing Social Evening Last Week. Visitors to and from Schumacher. Marriage of Dr. E. M. Honey, of Schumacher, at Port Perry, Ont.

Schumacher, Nov. 4, 1925. Special to The Advance.

Mr. Alex. Feldman is on a business trip to Montreal.

The illness of Mrs. John Kallio necessitated her removal to the Toronto General Hospital on Friday last. Mrs. Kallio was accompanied by her friend Mrs. C. Kenerva.

Mrs. W. Cowan was in South Porcupine during the past week the guest of her daughter, Mrs. T. Mahon.

The home of Mr. and Mrs. William McCaw, Port Perry, was the scene of a very pretty autumn wedding on the 22nd ult., when their daughter Kathleen, was united in marriage to Dr. E. M. Honey of this town. The ceremony was performed by Rev. Dr. G. E. Honey, uncle of the groom. To the strains of the Wedding March played by Miss Helen Mellow, the bride looked charming as she was led to the altar by her father. She was beautifully attired in a gown of white georgette, over satin, trimmed with rhinestones and pearls and carried a shower bouquet of Ophelia roses and lily-of-the-valley. The attendants of the bride were Mrs. H. Emmerson, as matron of honour and Misses Edna McKee and Irene Glasgow. Mr. Ralph Honey, of Toronto, brother of the groom acted as best man. A violin selection by Miss Louise Carnegie and an appropriate vocal solo by Mrs. D. Carnegie were very sweetly rendered during the signing of the register. After a dainty luncheon served amid prettily arranged autumn plants and flowers, the young couple left for their honeymoon, the bride's travelling apparel being a smart brown costume, caracole fur coat and hat to match. Dr. and Mrs. Honey will make their home in the thriving gold-mining centre of Schumacher, in the Porcupine District.

The Hallowe'en Masquerade Ball under the auspices of the Schumacher Social Club which was held in the Recreation Hall on Friday evening was one of the most attractive social events ever held in the North Country. About four hundred and fifty of the pleasure-loving citizens of Timmins, Schumacher and South Porcupine assembled, and were entertained by the captivating strains of the music, the costumes, beautiful, artistic, quaint and otherwise and the grace, stateliness and beauty of the masqueraders. The prize winners were:—Most original Hallowe'en costume, vanity case—Miss Josephine Tremblay. Fancy dress, manicure set—Miss Monette. Most comic dress, serving tray—Miss Walker. Most comic gentleman's costume—Mr. H. Waddle, the prize being a scarf. Best gentleman's costume—pair of gloves—won by Mr. W. R. Sullivan. Special mention—Miss Annie Garovich and Mr. August

Mrs. C. Kanerva returned on Monday from Toronto.

The Canadian Girls in Training are to be congratulated on the success of their Hallowe'en Social which was

held in the church on Thursday evening. A very suitable programme was presented by the members, after which lunch and various games passed the hours pleasantly away. Although the fishing season is nearly over the "fish pond" appeared to be the centre of attraction. The attendance was quite satisfactory, the proceeds being about fifty-two dollars.

Mr. and Mrs. R. Cox, of Dome, were in town this week, the guests of Mr. and Mrs. W. J. McKay, Second Ave.

The home of Mr. and Mrs. H. A. Kee was the scene of a very pleasant Hallowe'en party on Saturday evening, when Charlie entertained a number of his youthful friends.

Mrs. A. McGillies and Miss Morrow who were visiting Mrs. Cressy Beattie in Timmins, have returned home to North Bay.

Flow of Christmas Traffic Flows East

1.—Typical Christmas scene in Montreal. 2.—Finish of Eastern Dog Derby in Quebec. 3.—Riding and Ski-ing in Winter.

Ever since that time, some years ago now, when the West was discovered by the East as the most likely place to amass a fortune in the briefest possible time, and the simple words, "Go West, young man!" were the best advice a parent could give a son; well, ever since that time, the young man who heeded the advice has been coming back East at least once a year, and that once is generally Christmas.

Perhaps the young man has amassed no great fortune; perhaps he has; and perhaps again he has fared rather ill; but in any event he usually finds that as Christmas draws near, recollections of his childhood, his Christmas stocking, the tree at home, the plum-pudding or the turkey and cranberries, constitute too powerful a memory to negate. And because these recollections are so potent, transportation companies operate special services to handle what they call the Christmas traffic.

This year the crop has been extremely good; money will be more free in the West than for some time past. The season's work is done and the Westerner will have lots of time on his hands. If he has few financial worries he may spend quite some time in the East; there is much to attract him. There is the social life in the big hotels, where all is luxurious comfort; winter sports such as hockey, skiing, skating, sleigh riding and tobogganing to indulge in, or to watch, if he so prefers, the round of the theatres to make, where he will hear the tunes that will be popular for the year, or see the plays that will be discussed at most civilized dinner tables; and if he has brought friend wife, there are the shops to visit, though many a man has found this a costly pastime, more so perhaps, than poker or the races.

However, from every angle, the season in the East is rich and pleasant. That side of the continent is a magnet for holiday seekers and it is at that particular time that the ancient provinces reclaim their sons, if only for the briefest of visits. This year it will have visitors galore.

The Canadian Pacific Railway announce that many inquiries and requests for reservations have already been made at their agencies throughout western Canada. This would indicate the likelihood of a huge volume of traffic moving in an easterly direction this December. A portion of it will no doubt move straight through to the British Isles and the Continent, as many settlers are originally from those places. The Canadian Pacific will run special trains from all western centres, connecting directly with their Atlantic liners, sailing from the winter port of Saint John, N.B., to all the larger ports in northern Europe.

But the great portion of the traffic will be pointed for Eastern Canada and the company will facilitate its movement by offering special train services and special tourist cars that will obviate the necessity of change at any point along the route, and further than this, special excursion rates will be given. These conditions will prevail from December 5th to January 5th, and will be effective from all stations in Manitoba, Saskatchewan and Alberta.
