World's Poultry Congress To Be Held in Canada in 1927

Noteworthy Event in the Poultry World. Preparations Now Actively Under Way to Make This Event at Ottawa a Credit to Canada and a Great Impetus to the Poultry Industry.

Great interest is shown in this town and district in the poultry industry. Indeed, it is doubtful if any town this size has displayed more active and intelligent interest in poultry-raising and the encouragement of thoroughbred poultry and pet stock.

The Poultry and Pet Stock Show to be held at Timmins on Tuesday and Wednesday, December 2nd and 3rd, is one of the evidences of the interest taken here in poultry. In the Camp there are many live fanciers of poultry, with an unusually large number of high-class birds. Accordingly, there will be more than usual interest here in the World's Poultry Congress to be held in Ottawa in 1927. Preparations for this event are now actively under way and it is certain that the congress will not only be a success from the standpoint of encouragement to the poultry industry, but also will prove of much value in advertising Canada as a progressive and modern country.

Great Britain, Ireland, France, Belgium, Holland, Denmark, Spain, New Zealand, Czecho-Slovakia, Australia, India, Burma, Egypt and the United States are countries which have already signified their intention of participating in the World's Poultry Congress to be held in Ottawa in July 1927. Many more acceptances will follow the issuing of the official invitation, which will go from Canada to over one hundred governments.

The first congress held at the Hague in 1921, was the first World Congress of any body of investigators to be called after the war. This no doubt helped to bring more official attention to the "hen", particularly so because of the place she took as a food producer during the period of short supplies from 1914 to 1918.

The President of the World's Poultry Congress in 1927 will be Mr. Edward Brown, F.L.S. of London, England, who is president of the International Association of Poultry Instructors and Investigators. He has recently visited Canada, and in speaking of these Congresses described the first at the Hague as a wonderful example of organization, and the second

at Barcelona last year as wonderful from the standpoint of its exhibition. The standard has been set, and Canada must make the third Congress in 1927 an outstanding example of what an international congress should be, and in addition try to let the delegates see and realize that Canada is a nation,—young it may be in nationhood,—but one whose ambition knows no limitations, and whose hospitality is offered wholeheartedly.

The Congress crest depicts a fowl standing on the world, which may be taken as emblematic of the position enjoyed by poultry today. Poultry is more widely bred than any other class of livestock, and poultry products find a place in every home. Such an industry is worthy of the fullest recognition by the governments of the nations. It is today receiving that recognition, and the World Poultry Congresses are an evidence of this.

Enthusiasm and a realization of Canada's opportunities and responsibilities are necessary to success in 1927. One paper has said "The whole of America is behind this undertaking." The statement is true, but the responsibility for making the Congress a success, for making the delegates feel at home and wanting eventually to make Canada their home, for united effort by each and every province, and for welding another link in the chain of poultry progression, rests with Canada. It is not entirely a poultry man's job, but something in which every Canadian can take a hand.

The honorary chairman of the Congress Committee is the Hon. W. R. Motherwell, Minister of Agriculture; the chairman—Dr. J. H. Grisdale, Deputy Minister of Agriculture; the chairman of the executive and general director of the congress—F. C. Elford, Dominion Poultry Husbandman, and the Congress secretary, E. Rhoades, Experimental Farm, Ottawa

A congress committee is being formed in each province, and the respective ministers of agriculture will represent their provinces on the Congress Executive.

FOUR SLIGHTLY HURT IN AUTO MISHAP LAST WEEK

On Thursday evening last week an auto met with a mishap on the South Porcupine Road, near McNamara's Camp. The car slid over on the road and turned over into the ditch, the accident being due to the slippery condition of the roadway. There were four in the car at the time, but fortunately all escaped serious injury. The occupants of the car were Miss Cazz, Mrs. Sol. Silver, Mr. Sol. Silver and Mr. S. A. Silver. All of them were bruised and cut and shaken up, but escaped any material injury, and are making good progress to complete recovery. The car was slightly damaged.

PRESENTATION BY HOTEL STAFF TO MR. AND MRS. SMITH

Mr. and Mrs. I. D. Smith, who have been in charge of the Empire Hotel since the opening of that fine hotel, left on Monday for Toronto to take up residence. During the past few months Mr. and Mrs. Smith have made many friends through the courtesy and excellent service given in the conduct of the Empire Hotel and through their general high standing as good citizens. There is general regret at their leaving. Evidence of this regret was given last week when a presentation and address of appreciation were made to Mr. and Mrs. Smith by the staff of the hotel. Mr. and Mrs. Smith were invited to the Grill Room during the evening, and there they found the whole staff assembled. An address was read expressing the appreciation and high esteem felt for Mr. and Mrs. Smith and the good wishes for their future. Mr. Smith was presented with an elegant and valuable writing pad for his desk, while the couple were showered with the best of good wishes.

Mr. T. Sammon, formerly of Pembroke, took over the management of the Empire Hotel this week, and will conduct the business so as to maintain its present high standing as "the Pride of the North," and the "Travellers' Home."

MISS MYRTLE GAUTHIER MARRIED AT GALT, ONT.

Readers in this district will be interested in the following despatch from Galt, Ont., last week. The bride in the case is Miss Myrtle Gauthier, of Iroquois Falls, who is well known to many in Timmins, having visited here on more than one occasion. She played on the Iroquois Falls Ladies' Hockey team and also took prominent part in other sports and activities in the Falls, and was also very popular in Timmins, Cochrane and other towns of the district. The despatch from Galt last week says:—

"A quiet wedding took place at St. Patrick's Presbytery at seven o'clock last Wednesday evening when Miss Myrtle Gauthier, elder daughter of Mr. and Mrs. Alfred Gauthier, of Iroquois Falls, and Dr. James E. Durran were united in marriage. The Rev. Father Doyle performed the ceremony. Dr. and Mrs. Durran left later by motor for a short honeymoon and upon their return will reside on Brant Road, Galt. The bride is well-known in North Bay where she has frequently visited and is a sister of Arthur Gauthier, of the 1922-23 Trappers, and of Albert Gauthier, formerly of the Iroquois Falls Seniors, now both of Galt. It was while on a visit to her brothers in Galt that the bride met Dr. Durran. The bridegroom is very popular and a highly successful professional man of Galt."
