

Healthful Fruit - Happy Children

Apples and false faces—"Shell Out!"—it's Hallowe'en. Children ask for Apples—beg for Apples—duck for Apples. Hallowe'en is the Apple festival.

Have lots of Ontario Apples in the house for the little folk when they make their calls, clad in strange costumes. Encourage this innocent form of Hallowe'en jollity.

At all times give the children plenty of delicious, healthful Ontario Apples. They are nature's best tonic, rich in salts and minerals. They keep the children and their elders in tip-top condition all the time.

But be sure to get Ontario Apples. You will know them by their crisp flesh and exclusively subtle flavour. The quality of the crop is the highest in years. There are no finer apples.

There are plenty of the best Ontario Apples. Your dealer has or can get them. Get your share of them. Thus you will support an important branch of Ontario's fruit production.

National Apple Week

All Canada will observe National Apple Week, October 31st to November 6th.

Its purpose is to emphasize the deliciousness of Apples, and their healthful qualities.

Take part in Apple Week by serving Apples, eating Apples, talking Apples. Help to increase the use of this splendid fruit. But see that you get Ontario Apples.

For eating, as for cooking, Ontario Apples are the best and most economical fruit. They are cheaper now than they will be later on. Buy a quantity. They keep good for a long time.

Buy them by the barrel or box

KLANSMAN EXPLAINS THE OBJECTS OF KU KLUX KLAN

Another Letter Received by The Advance, This Time by Mail.

Last week The Advance received another letter relative to the Ku Klux Klan. This letter was as follows:—

Timmins, Ont. 26th, 1925,
To the Editor of the Porcupine Advance.

Dear Sir:— In your issue of Oct. 22nd and article appears of an interrogative nature, with reference to the K. K. K.

You are quite correct in your conjecture that someone was "spoofing." In the first place the Knights of the Ku Klux Klan of Canada do not circulate any census report of the Invisible Empire. Our strength in your community is our own secret. However, I am in a position, under authority from the Klan Kleagle, of our Imperial Cyclops, to assure you that the Government of the Invisible Empire has been set up in Timmins, well organized and away to a good start, and we mean to stay.

We trust that we will be received with friendliness. No law-abiding citizen need feel any hostility toward the Ku Klux Klan of Canada. The law of Canada is also the law of our Government or Konclave. We are here to co-operate with you in combatting immorality, crooked politics, crooked business, and law-breaking of any nature.

We intend to take an active interest in your municipal, social, charitable and religious institutions and act in conjunction with your best citizens to make the community a still more prosperous and wholesome place to live.

Yours very truly
KLANSMAN.

If this letter fully and correctly states the case, then no one will find any objection with the K. K. K. But with objects so worthy there does not seem to be any need for mystery or secrecy. Indeed, it would appear that secrecy and mystery would rather work against the good purposes specified. In keeping down those who would prostitute justice and decency to make a few mean dollars for themselves, the "better citizens" need all the open support and encouragement possible. Also, it may be noted that if the letter gives the case accurately, then the Ku Klux Klan of Canada is much different from the K. K. K. of the United States, or the latter has been sadly defamed.

MINER AT O'BRIEN MINE BADLY HURT BY FALL OF ROCK

The Haileyburian last week says:— "M. Cole, a miner employed at the O'Brien mine in Cobalt, was badly injured on Monday, when a large piece of rock fell on him in the mine where he was working. He suffered fractured ribs, a punctured lung and some injury to his spine. He was rushed to the Mines Hospital and Dr. Jackson, of Haileybury, was summoned and rendered medical aid. Although his injuries are very serious, his condition is good and there appears to be very hope that he will recover. Witnesses of the accident say that it is a marvel that fatal injuries or instantaneous death did not result.

WHERE DID THE NORTHERN NEWS LEARN ABOUT KISSES?

In the heat of an election The Northern News, of Cobalt, last week paused to write an editorial on "kisses." Possibly the crosses on the ballot papers suggested the theme to The Northern News, but in any event the article is very interesting. Here it is:—

Whatever your sex, at some time or other you have probably written a letter and put some "crosses" in it—for kisses. But have you ever wondered why a cross should be used as the written symbol of a kiss.

This story is interesting and takes us back to the times when few could read, and still fewer could write. In that respect the nobility were no better than those of a lower station in life; but deeds transferring property, wills, and other documents had to be signed somehow. So those who could not write their names "made their mark," and this, in an age when religious symbolism was very much in evidence, almost invariably took the form of a cross. From motives of reverence the shape used was not that of the cross of Calvary, but the St. Andrew cross, which resembles the letter "X."

Having duly made their mark, the signatories of a document then kissed it—partly as a pledge of good faith and partly as an act of reverence. And so a cross marked on paper became associated with a kiss.

A woman was buying some cigars for her husband's birthday gift. "Do you want them mild or strong, madam?" asked the clerk. "Give me the strongest you have," she said. "The last ones he had he broke in his pocket!"

CORNISH FOOTBALL CLUB HALLOWE'EN MASQUERADE

Presentations to Valued Members of the Club During the Evening.

A very successful masquerade was held on Saturday evening last under the auspices of the Cornish One-and-All Football Club, in the Hollinger Hall. The floor was crowded to capacity for every dance, with another floor-full sitting out. The costumes were many and Messrs. Scottie Wilson and F. Curnow, and Mrs. Wilson and Mrs. Clark had a hard task in choosing individuals for prizes.

The prizes were awarded to Mrs. F. Uttley and Mr. Turner for best dressed lady and gent; and Mrs. Carter and Mr. J. May for the best comic costume. There were two prizes awarded to the children which went to Misses Wilson and Shackleton, these two little girls being unusually charming.

After the prizes were awarded the President of the Club, Mr. S. W. Johns, made two presentations. The first was to Mr. Frank Curnow. The President pointed out that Mr. Curnow not only did a great deal of work on the field, but a lot of credit was due him in his trying duties as secretary which he had filled very capably; also, this was not only Hallowe'en, but also Frank's twentieth birthday. He presented Mr. F. Curnow with a beautiful Mantel Clock, with an inscription engraved on it. Mr. Curnow said on receipt of the present, he was quite surprised and thanked the members of the club. "It is a very fine time-piece and every time I look at the clock I shall always think of the Club."

The second presentation was to Mr. Leslie Harris, who is sailing for the old land on the 21st of this month. Mr. Johns, spoke of his value to the Football Club, for he had played in every position on the field from goal to forward line and was a capable man in every place, and he wished him a successful journey and a speedy return as we need him on the team next year.

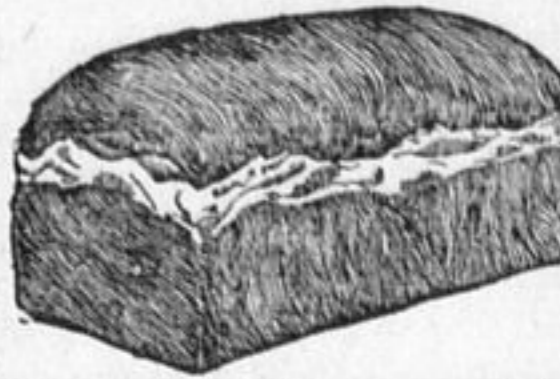

Mr. Harris thanked the members for the pocket-book presented to him and wished the Club every success, and next year, he hoped the Cornish would not be in the third position of the league standing, but at the top at the end of the season.

The dance concluded at 12 midnight with everyone going away very well pleased with the evening. The music

A SPECIAL SIX O'CLOCK DINNER FOR THE KIDDIES

Children who take cold luncheons to school need hot and hearty food at night. Care, however, should be taken to see that the food is digestible as well as substantial in its nature. One mother, whose three thriving children show her good care, contributes this hint:—

Try a vegetable soup made with milk. Cook carrots, potatoes, a little onion and a little turnip all together in an enameled ware saucepan until all are very soft. Rub through a colander. Put milk into an enameled ware double boiler. Heat just short of the boiling point and then stir in the pureed vegetables. Cook slowly in the milk until all is smooth. The soup will not be discolored if it is cooked in enameled ware.

Served with toast or oyster crackers, this soup makes a meal in itself. It is very nourishing and will never give even a delicate child the nightmare, which can be so easily acquired from food too rich or heavy.

was very well rendered by Messrs. Ormston, T. Whaley and Morrison. The refreshments were plentiful and good, and like the rest of the evening up to the highest standard.

The Family Budget

How Much for Insurance?

WHEN you draw up your family budget, do you set a stated percentage of your income aside for life insurance protection? If so, how much? Is it anywhere near adequate?

Life Insurance should provide protection not only for children while they are dependent but for the assured's old age.

It is not an easy matter to determine how much insurance a man should carry in proportion to his income, his expenses and his family responsibilities. That's a matter upon which you may need professional advice. Mutual agents are equipped to give well considered counsel in such matters.

Write to-day for The Mutual Book, which explains the principle of Mutuality.
