If a poll is necessary, voting day will be Monday, Dec. 7th, with the following polling places:—A. to F., Finlander Hall; G. to Mc., Council Chamber; N. to Z., Jewish Synagogue, Cedar Street.

There has been considerable discussion of municipal matters, and a number of "slates" have been suggested. There are many ratepayers who have felt a special interest in municipal affairs immediately before or after

paying one of the instalments of town taxes. Others have taken the attitude that the Town has made remarkable progress and secured modern improvements and that all this costs money. They feel that the Council, as a whole has given good service, and done the best possible under the circumstances. It is recognized that taxes are high, but it is equally clear that modern improvements cost money. It is doubtful if the solid people of the town will be anxious to dispense with the services of men who have given unselfish and talented service to the public during the past four years. Up to date no "slate" has been suggested that promises the people as good service as has been given by the present members of Council

HON. LINCOLN GOLDIE ON VISIT TO THE NORTH LAND

Accompanied T. & N. O. Commission on Regular Tour of the Line

Hon. Lincoln Goldie, Provincial Secretary of Ontario, was a visitor to the North Land this week, accompanying the T. & N. O. Railway Commission on their tour of the line. The party visited Timmins on Wednesday. Hon. Mr. Goldie visited the Hollinger Mine and other places of interest and was greatly impressed, as all visitors are, with the development and possibilities of the North Land.

The T. & N. O. Railway Commission—Mr. Geo. D. Lee (Chairman), Col. L. T. Martin, Col. J. MacLaren, and Secretary W. H. Maund—met a delegation of the Board of Trade in connection with certain questions which the Timmins Board has been taking up with the Commission. These questions include:—that prospectors be allowed to carry their canoes and supplies as baggage while on genuine prospecting trips; that the freight rate on pulpwood be reduced; and that the time limit be extended for the free return of automobiles taken south on vacation trips. The Commission gave the delegation the most considerate hearing and promised that the subject referred to would be dealt with at the regular meeting of the Commission this week. In regard to freight rates on pulpwood, Chairman Lee pointed out that the rate on the T. & N. O. was the lowest allowed by any Canadian Railway. At the same time the Commission were open to assist in the case of any contract where the freight seemed a hardship and where it could reasonably be adjusted to help the pulp industry of the North.

The extension of time for the return of automobiles from the South will likely be granted. The Chairman pointed out, however, that the concession would only apply for a year or so, as when the North land highway was ready for use there would be no need for the privilege, as automobiles would be able to travel on the highway from the North to the South and back again.

SPECIAL THANKSGIVING AND ARMISTICE SERVICES.

The Thanksgiving and Armistice features were emphasized at the services in all the churches here on Sunday, with special music, special addresses and special references to the reasonableness in this country for the spirit of thanksgiving. There were also appropriate references to those who had served and bled and died for the cause of humanity and the right in the Great War.

FRIDAY EVENING IS "LUCKY NIGHT" AT CALEDONIANS

The regular meeting of the Caledonian Society of Timmins this Friday evening in the Hollinger Recreation Hall is to be "Lucky Night," and will have many very interesting features. It was decided to call it "Lucky Night," because it is "Friday the 13th." The meeting will deal especially with signs, superstitions, omens, etc., and particularly those of Scottish origin. Mr. M. B. Scott is to give an address on "Superstitions and Signs," and then the idea is to have others take part in a discussion of lucky tokens and unlucky signs. In the Highlands particularly, signs and omens and portents formerly had much attention, and Mr. Scott will undoubtedly deal with the topic in unusually interesting way. Anyone who can add any information relative to Scottish signs and omens is expected to assist. There will be songs and other musical numbers and other entertainment that will make all agree that it is a "Lucky Night" all right. Refreshments will be served as usual and there will be the usual dance or tow, the whole evening promising to be a "Lucky" one for all attending. All Scots and Scotswomen and their friends are welcome to these Caledonian meetings.

LARGEST CROWD IN RECENT YEARS AT I.O.D.E. DANCE

Armistice Event Attracted Large Gathering and Proved Successful

The seventh anniversary of the Armistice which brought the Great War to a conclusion was observed by the Timmins Chapter, I. O. D. E. by a Dance in the Masonic Hall here. There was a record crowd out for the dance. Many who have been regular attenders at events of this nature in the Masonic Hall say that those present on Monday evening exceeded in numbers the attendance at any other dance in recent years. The Hall was decorated for the occasion, many appropriate references to the day being observed being in evidence. A delightful lunch was served during the evening by I. O. D. E. The music for the dancing was furnished by Ted Emery's Orchestra, and pleased the crowd present.

ST. MATTHEW'S SOCIAL CLUB ENJOYS FINE EVENING

St. Matthew's Social Club had a most enjoyable evening on Tuesday. The first hour was given over to business, several important matters being put before the club for discussion, one of which was changing the meetings from the 2nd and 4th Tuesday to the 1st and 4th Tuesday of each month. This caused so much discussion, that it was put to a vote, the majority being in favor of the change. The President, Mr. O. J. Morgan, was obliged to leave after the business was over, and Mr. W. D. Forrester took charge of the meeting, performing his duties as vice-president in a very capable manner. Miss Jones kindly brought her gramophone, which, with the records supplied by Mrs. Wheeler, afforded splendid music for all the dances except the Paul Jones. Miss Simms played the organ for the latter. Much of the success of the evening was due to the readiness with which the members took part in the games; those having forfeits to redeem showed themselves to be real good sports, and provided a great deal of fun. Musical chairs, match-box race, and "fruit-basket" were some of the games enjoyed. The applause with which Mrs. Forrester's recitation was received was very generous, and she replied with a short encore. Next came the supper provided by Mrs. Dunbrille, Mrs. Hudson, Miss S. Moses, and Miss Tilley, assisted by Mr. Vine and Mr. Howard as teamakers. The refreshments were as plentiful and delicious as usual. After a couple more dances Miss Mossong "Smilin' through" which was insistently encored. Mr. Fowler's rendition of a couple of good old favorites made a decided hit, everyone joining in the choruses. The meeting broke up just before midnight with Auld Lang Syne and God Save the King, everyone voting the evening the best yet. All members of St. Matthew's congregation, who are not already members of the S. M. S. C. are given a very hearty invitation to join the club at the next meeting, which will be held on Tuesday, Nov. 24th, at 8 p.m. Will all members kindly note that, until further notice, the meeting will be held on the 1st and 4th Tuesday of each month instead of the 2nd and 4th as formerly.

DEATH OF MRS. O. DEMERS ON FRIDAY OF LAST WEEK

Funeral on Sunday Afternoon Attended by Over a Thousand.

The death of Mrs. Omer Demers on Friday last came as a shock and a sorrow to wide circles of friends in town and district. During the six years that she had been a resident of Timmins, the late Mrs. Demers had made innumerable friends here by her fine character and pleasant disposition. Death was due to typhoid fever and came after a comparatively brief illness.

In addition to the bereaved husband, one son, a lad of seven years, is left to mourn the loss of a devoted mother. Mrs. Demers' father, mother and sister also survive in Winchester, England. To all of these the deepest sympathy is extended in their sad loss.

The funeral took place on Sunday afternoon to the R. C. church and cemetery. Requiem High Mass was said by Rev. Father Morency. There were over a thousand people in the church for the service, thus evidencing the high esteem in which the late Mrs. Demers was held by all. There was a profusion of beautiful floral tokens, including floral designs from the Timmins Citizens' Band, of which Mr. Demers has been a valued member for many years; from the Loyal Order of Moose, Mr. and Mrs. A. P. Dooley, Mr. and Mrs. H. Herman, Mr. and Mrs. Ross, Gamble-Robinson, Limited, Mr. and Mrs. J. H. Bacon, Mr. and Mrs. G. A. Macdonald, Mr. and Mrs. F. W. Harrison, Mr. P. Rowe, Mr. O. J. Morgan, Mr. and Mrs. F. J. Hornby, from the husband, M. O. Demers, and from the little girl friend, Hilda. High Mass was offered again on Monday morning. Two high masses were also offered,—one by Mr. E. Allard and one by the Choir St. Cecile. The pall-bearers were:—Messrs H. Herman, Jean Pare, Ivan Stadelman, C. Kenney, E. Claremont, L. Dusseau. The Timmins Citizens' Band attended in a body, the coffin being carried from the hearse to the church through lines of the bandmen.

The late Mrs. Demers was born in Winchester, England, and there in 1917 she met and married Mr. Demers then overseas with the Royal Air Force. In 1919 Mr. and Mrs. Demers came to the old home of Mr. Demers here in Porcupine, and with the exception of a year spent in Detroit, have resided in Timmins since that time.

DEATH OF MR. M. C. O'NEILL AT MONTREAL LAST WEEK.

The sad news was received in town this week of the death at noon on Friday last at Montreal of Mr. M. C. O'Neill, one of the pioneer residents of this Camp. The late Mr. O'Neill, who was a carpenter by trade lived in Timmins for many years and had hosts of friends—here who will deeply regret his death. He lived at 44 Second Avenue and was widely and favourably known. Some months ago he found it necessary to go to Montreal for treatment owing to continued ill-health, and a message received here on Sunday from Mrs. O'Neill gave the sad news of his death. The late Mr. O'Neill was an uncle of Mr. J. Ray O'Neill, member-elect for the Dominion House for this riding.

VICTORY NIGHT AT THE A.S.D. CLUB LAST NIGHT

Members and Friends Enjoyed Very Interesting and Pleasant Evening

The eighth Armistice Day falling on the regular night of the A. S. D. Club dances the anniversary of the cessation of hostilities in the Great War was celebrated by the Club staging a Victory Night. The evening was also an open night, when all friends of members could be invited, and there was a good turn-out of members and visitors.

The Oddfellow's Hall was decorated with small Canadian ensigns, and the large picture of the Prince of Wales was draped with the Union Jack and the Canadian flag. Poppies were also placed along the walls, and red streamers ran from end to end making a very striking effect.

The evening was a great success from the start until the finish, every one of the large crowd present enjoying every minute of the programme. The popular Paul Jones made a big hit, and a Broom Dance Foxtrot was also a popular one. The orchestra favoured the gathering with some dance selections popular during the days of the Great War, and these were also enjoyable features. The refreshments under Mrs. E. L. Urquhart's supervision were as usual much enjoyed, and were up to the high standard set by the lady members of the A. S. D. Club at past dances of the Club.

During the evening a few words of welcome were extended to the visitors present by Mr. C. G. Pirie, president of the A. S. D., all being asked to join in the fun of the evening, to assist the members in making the Club slogan of "Always Something Doing" a fact.

In every way, Victory Night was one of the happiest Club gatherings this season, and the success attending this event would be sufficient recommendation that it become an annual occurrence.

The remaining two meetings for the month of November were decided upon at an executive meeting of the Club, held in the apartments of Messrs J. M. Belanger and J. Jacobs on Sunday afternoon. Next Wednesday the annual Cards and Dancing Party will be the feature. A bridge will be played. The committee looking after the evening are Messrs Jacobs, Andrews and Belanger.

Then on Wednesday evening, November 25th, Visitor's Night will be held, when the married friends of the members will be entertained by the Club. The Committee looking after this event consists of Misses Birdie Hill and Nellie Studor, Messrs R. Hoggarth and H. Shantz.

Several matters pertaining to the Club were brought up at this meeting, and everything points to the fact that the A. S. D. Club this season will repeat the successes of former years. A four-piece orchestra has been engaged, and Mr. Ted Whaley has charge of this very essential part of the Club personnel. The members are requested to attend sharp at nine next Wednesday, for the cards start sharp at that hour, and dancing will start at 10.30, so to make the evening the success it should be all are asked to be on deck at nine sharp.

TOOK IN NEARLY \$100,000 AND WROTE 800 RECEIPTS

Big Day's Work at Tax Collector's Office on Tuesday.

Tuesday of this week was a big and busy day at the office of the Tax Collector. There would have been a natural rush of business for the day, it being the last date for the payment of taxes without penalty, but the fact that two holidays intervened between it and the last previous day for the office to be open made Tuesday a regular whirlwind for rush. There was a crowd lined up before the office all day, as many as 50 men, women and children being in line at one time. Tax Collector W. S. Macpherson and his assistant, Miss Garvey, had a desperately busy and trying day, but speed and efficiency carried through successfully. Nearly \$100,000.00 was taken in and about 800 individual receipts were made out and signed.

PICKING PANSIES IN TIMMINS IN NOVEMBER

Mr. J. Tierney, of the Kingston Hotel, this week favoured The Advance with a beautiful pansy picked outside the hotel this morning. Other pansies are growing there and living in beauty despite all the frosts and threats of frost. Picking pansies outside on November 12th, is a pretty good recommendation surely for the climate in this North Land.

MR. WM. DAVIDSON PASSES AWAY IN NOVA SCOTIA.

Friends in Timmins will learn with deep regret of the death at Isaac's Harbour, Nova Scotia, on Sunday, Nov. 8th, of Mr. Wm. Davidson, formerly of Timmins. Death was due to tuberculosis, from which the late Mr. Davidson suffered for some time past. The family formerly lived on Vimy Road, Hollinger Townsite, Mr. Davidson and his two sons being employed at the Hollinger Mine. Some months ago the state of Mr. Davidson's health was such that Mr. and Mrs. Davidson and daughter returned to Nova Scotia, the two sons, Ernest and Arthur remaining here. The sons received a wire this week from Nova Scotia informing them of the death of their father. Mr. and Mrs. Davidson and family enjoyed the deepest respect of all who knew them, and to the bereaved family the sincerest sympathy of all will be extended at this sad time. Messrs Ernest and Arthur Davidson left this week for the East to attend the funeral of their father.

No Restaurant in Town to Keep Girls After 11 o'clock

By-law to This Effect Endorsed by Town Council. Permission Given for Erection of Taxi-Drivers Shelter. Court of Revision on Pavements and Sewers on Dec. 14th. Other Town Council Business.

The regular semi-monthly meeting of the Town Council was held on Tuesday afternoon, Monday being a Dominion holiday. Dr. Melniss, Mayor, presided, and Councillors, J. H. Bacon, E. L. Longmore, H. Charlebois and J. Morrison were present.

Mrs. Moffat asked Council for assistance or advice in connection with the water service at the Cairns Hospital. She had paid for the water service but the tenant in the lower part of the building had turned the water off and the hospital had no water she said. Council pointed out that the matter did not come under its jurisdiction and advised Mrs. Moffat to see a lawyer.

Mr. H. W. Warren asked Council for permission to erect a small, temporary, portable shelter for the taxi-drivers and patrons near the taxi stand.

Council gave Mr. H. W. Warren authority to erect a suitable building for a shelter for taxi-drivers on the park grounds opposite the Empire Hotel, the building to be built to suit Town Engineer and to be removed on ten days' notice from the Engineer.

A grant of \$500.00 was made for the work of the Associated Charities of Timmins now handling the relief work for the town.

Authority was given for the rebating of the taxes on the Curling Rink for 1925, as per the arrangement made with the Council.

Mr. S. A. Caldwell appeared on behalf of his clients, the Chinese restaurant keepers of the town, to call to the attention of the Council what appeared to be an injustice and discrimination. Some time ago the Chinese cafe owners had been asked by the authorities to allow all their girl

waitresses to go home at 11 o'clock at night. It had been very rightly considered that it was not good to keep girls out as late as one and half-past one as had been the case in times past. The Chinese had agreed to the restriction and had carefully observed it. Restaurants in town kept by white people, however, had continued to have their waitresses stay until one and later. This was not fair, and Mr. Caldwell thought the Council should make a by-law that would apply to all alike. His clients were ready to abide by any regulation along this line and to observe it carefully. Council agreed with Mr. Caldwell in the matter, and on motion the Town Solicitor was instructed to draw up a by-law prohibiting the employment of female help in restaurants after 11 p.m.

Council decided to hold the Court of Revision for pavement on Wilson Ave., on Dec. 14th, at 3.30 p.m.; for pavements and storm sewers on the same date and at the same hour.

A number of rebates in taxes were authorized where the facts were clear, and some other cases were laid over until all the facts were available.

The Town Engineer called attention to the case of a man who had been allowed to connect with the sewerage system to prevent flooding of his cellar. The understanding had been that he should pay for the work in the spring. Instead he had sold the property and left town. Effort will be made to secure the amount involved.

The usual number of accounts were passed, as well as estimates for work on sewers, pavements, etc.
