

Buy and eat Ontario Apples

For meals and between meals

Let the boys and girls take an Apple whenever they want. Don't make them wait for mealtime. Apples won't spoil the appetite for other food.

A good Apple is a bit of good health. The juice is one of nature's finest tonics. It promotes the secretions. Children who get plenty of Apples don't need "medicine".

You're just a grown-up boy or girl. Eat lots of Ontario Apples yourself. Start the day with one or two. They gently stimulate lazy livers. Eat one when you're hungry or tired during the day. Eat them at night—any time. At meals, or between

meals, you will enjoy them. There is no finer fruit.

This year there are plenty of Ontario Apples. The quality is the best for years. Get your share of them. They keep well and are cheaper now than they will be later. You will know Ontario Apples by their piquant flavour and firm flesh. By using them you will promote an important branch of our fruit production.

Get your Winter Apples now

Put in a supply of Ontario winter Apples now. Store them in a cool place where they won't freeze. They'll keep good until you finish them.

Ontario Northern Spies are the world's finest winter Apple, both for eating and cooking.

Other good winter Apples are the King, Baldwin, Ontario, Golden Russet, Pewaukee, Seeks, Hubbardston, Stark and Wagner.

Bake and cook with Apples. There are 200 ways of preparing them for the table. Every day—every meal, if you wish—you can have an Apple dish different, wholesome, enticing.

Buy them by the barrel or box from your dealer

Death of Stewart M. Wilson At South Porcupine, Friday

Returned Soldier Answers the Call. Home and School Association. Interesting Literary Night at Young People's Social Club. Skating on Porcupine Lake Work Started on Curling Rink at South End.

South Porcupine, Nov. 10th. Special to The Advance.

The friends of Mr. Robert Bennett were sorry to learn that he had found it necessary to leave on Thursday for Haileybury Hospital where he is undergoing treatment for ulcers of the stomach. Latest reports say that he is progressing as well as can be expected there, and may possibly be able to return in a couple of weeks.

On the Literary Night of the Young People's Social Club, Mrs. Max Smith gave an excellent paper on the "Life and Works of Dickens." Mrs. Smith knows personally many of the places in England connected with the life of Dickens, and made her talk very realistic and interesting. Mr. Jno. Fell, Sr., gave a most instructive talk on the Scottish bard, Robert Burns, stressing the pleasant side of his nature and the strong note of optimism and courage that is characteristic of his writings.

Mr. and Mrs. Jno. Cunningham, of Shawville, Que., are on a visit to their daughter, Mrs. Clarence Farrell.

Mr. D. O. McDiarmid, of New Liskeard has been renewing acquaintances in South Porcupine for the past week or so.

Mr. Leslie McKay, of Englehart, was a visitor at the home of Mr. A. McGinn during the week-end.

Dr. H. Cameron-Smith is away on a holiday. During his absence he purposes visiting many of the leading hospitals in both Canada and the United States, gleaming thereby first-hand knowledge of what is being done in other parts of the medical world.

Miss Laura Lamb spent the holiday with friends in Cochrane.

The Women's Auxiliary of the Anglican Church held a successful meeting at the home of Mrs. T. Farrell on Thursday evening, Nov. 5th.

Mr. Armitage, of the United Provision Co., spent the week-end in Timmins. Although this was supposed to be a holiday visit we understand that it was not altogether "painless."

Mr. Bert Strain left on Friday for New Liskeard to take treatment from Dr. Farlinger there, for a growth on

his tongue that has been troubling him for some time. Mrs. Strain is at present in the hospital in Timmins, but we understand, will soon be able to come home.

Reeve C. V. Gallagher is in Toronto on business for the township.

The construction of the new Curling Rink has been started on the site near the corner of Moore St. and Commercial Ave., which is convenient for approach as well as for the water supply. The firm of Craik, Cassidy and Farley have the contract for this new building and judging from their other work here, this ought also to be a credit to our town. As much as possible whatever available material there is in the former building of the Curling Club, will be used in the new place being erected to take the place of the one which the storm de-roofed last summer. The new rink will have three sheets of ice and it is being planned by the management to have one sheet reserved each night for friendly games. Another feature of the winter's programme is that for the ladies. It is proposed to organize so that the ladies may avail themselves of the rink, probably having two sheets of ice during certain afternoons of the week. The Curling Club are arranging for a Smoker to be held on Nov. 19th. "Hoot, mon! Dinna yekken the besom and stane will be roaring unco noo?"

Quite a number of the more venturesome spirits of the town are already enjoying the skating on Porcupine Lake.

Mr. F. Farrant, of the McKinley Drug Store spent Thanksgiving in New Liskeard.

One more of our soldier boys has answered his last reveille. On Friday, Nov. 6th, the call for the Last Great Awakening came to Stewart McNair Wilson, and with only time for a short good-bye to those he loved he was gone to join the great army of our boys who have passed on before and are now watching and waiting for the dear ones, who when they were in the thick of earthly battles waited and yearned for them. Among the

first to enlist after war was declared was Stewart Wilson, brother of our well-known townsman, H. M. Wilson. He first joined the 4th Division Canadian Cyclists as a private and saw active service with them until they disbanded when he became a member of the Royal Naval Air Force, remaining with them until the Armistice was signed. Upon his return he went to Winnipeg and took a position with the Metallic Roofing Co., with which firm he had been connected before enlisting. About four years ago, he developed Sleeping Sickness, having ever since been a partial invalid, and a bad cold which developed into pneumonia proved too much for his weakened constitution. During the past two years he and Mrs. Wilson have spent considerable time here, with Mr. and Mrs. H. M. Wilson, and everybody who knew him marvelled at the happy courage and love of activity which seemed to predominate in the nature of one who was suffering as he was from a hopeless malady. He was born in Montreal thirty-two years ago, but came to Toronto at nine years of age, where he grew to manhood in the home of his grandmother at S. Parkdale. Five years ago he was married to Miss Mary Earle, of Toronto. Besides his sorrowing widow, he leaves to mourn his loss his one brother, H. M. Wilson, of South Porcupine. The funeral took place at the home of his brother and at the United Church on Sunday at 2 p.m., the Rev. F. Bain taking as his text a part of the 23rd Psalm. The floral tributes were many and beautiful, among those sending such being: Mrs. C. B. Morgan, South Porcupine Fire Dept., Mr. and Mrs. W. W. Wilson, Miss E. Wilson, Dr. and Mrs. Russell, Mr. and Mrs. Max Smith, Mr. and Mrs. Pyke and Mrs. Deacon, Can. Gen. Electric Staff, Mr. and Mrs. J. Easton, Mr. and Mrs. H. Greweoc, Mr. and Mrs. J. Schneider, Boys of Porcupine Central Garage, Mr. and Mrs. Jas. Alexander, Mrs. Sheppard and family, Mr. and Mrs. Fairhurst and Miss Spur, Mr. and Mrs. J. Herman, Mr. and Mrs. Jas. Fera, Mr. and Mrs. Hugh Boyle, Mr. Gene Colombo, Golden Encampment Lodge, Mr. and Mrs. Dowzer, Porcupine I. O. O. F. Lodge, Mrs. Jones and Ernie. A perpetual wreath to be kept on the grave from the boys of his original Division, various wreaths from relatives in Toronto, and also from Mrs. Wilson and from Mr. and Mrs. H. M. Wilson and from his three little nieces, Ada, Isabel and Muriel.

Miss Vera Dempsey spent the week-end with friends in Iroquois Falls. Miss Pauline Belanger spent Thanksgiving at her home in Elk Lake. Mr. Bill Mitchell, of Iroquois Falls, was a holiday visitor in town. Miss Nettie Armstrong and Miss Ethel Irish, of Cochrane, visited friends in town over the holiday.

Mrs. Page and her daughter, Mrs. Findlay, of Haileybury, are visiting in town, the guests of Mrs. D. Deacon and of Mrs. Jekylls.

There was a farewell party given at the home of Mrs. Garrity on Monday evening for Mr. Sherman Simpson. About thirty of our young people were present and put in a lively time with games, dancing, etc., also enjoying the dainty refreshments provided. Mr. Simpson is leaving to take a position in Englehart.

The Home and School Association will hold their regular meeting on Wednesday, Nov. 18th, in the Public School. Prizes are being given for an oratory contest in one of the Sr. II. Classes. Three-minute talks on familiar subjects being given by the pupils competing. The judging will be marked according to the following ratio:—Material, etc., 40%; Delivery, Department, etc., 35%; Pronunciation 25%.

Among the improvements having been made in town recently is the new cement basement under the Imperial Bank. This basement is the full size of the building. A new furnace has been installed; a large new vault has been built in; the water-works have been put in, and all the latest improvements, the same as one would find in an up-to-date city bank. The job will practically be completed this week.

The contract has been let for putting a new roof on the Provincial Jail. There will be no services in the Anglican Church next Sunday, Nov. 15th, owing to Archdeacon Woodall having to take special services elsewhere on that day. The fine new residence of Mr. and Mrs. Chas. McInnis is nearing completion and is a great improvement to the Bruce Ave. vicinity where there are already several nice homes. This tastefully arranged bungalow, consists of eight rooms:—living-room, den, dining-room, kitchen, bath and one bedroom on ground floor and two bedrooms on the second floor. It will be ready for occupation possibly by the end of another week.

A very delightful Bridge and Tea was given in the Bluebird Tea Rooms by Mesdames Woods and Evans on Saturday evening. Those present report a most enjoyable affair and gave much praise to their hostesses for the way they planned for their guests' entertainment. Mr. F. C. Evans has returned from a business trip to Toronto. Mr. W. Donaghy is in Toronto and may be away for some time. Mr. Sarsfield is taking his place in the Mining Recorder's Office during his absence. Invitations have been issued for an At Home to observe the 11th Anni-

versary of Porcupine Lodge No. 453, I.O.O.F., South Porcupine, the event to be held in the Oddfellows' Hall, on Wednesday evening, Nov. 18th, commencing at 9 o'clock. There will be dancing, bridge and euchre, all starting at 9 p.m. Colombo's orchestra will furnish the good music. These annual events are always delightful and no doubt all fortunate enough to receive an invitation will accept the opportunity for a very pleasant evening.
