Another Delightful Silver Wedding Anniversary Event

Mr. and Mrs. F. W. Harrison Observe Twenty-five Years of Married Life Together by Pleasant Social Event last Week. First Native Born Couple to Celebrate Silver Wedding in Timmins.

Two other silver wedding anniversary events have been observed in Timmins but the event on Friday last was the first occasion in the town where native-born Canadians celebrated twenty-five years of married life. On Friday evening last Nov. 6th, at the Hollinger Recreation Hall, Mr. and Mrs. F. W. Harrison entertained a number of their friends at a social evening to observe their silver wedding anniversary. Mr. and Mrs. Harrison were married at Meaford, Ontario in 1900, Rev. Mr. Smith, a Methodist minister conducting the service. Friday evening there were about a hundred invited guests present for the noteworthy occasion, and Mr. and Mrs. Harrison and daughter showed the heartiest and kindest hospitality, the evening being a very pleasant one indeed. The best of music, and lots of it, was provided by the Ramblers' Orchestra, and dancing to this good music was one of the

features of the evening. A dainty luncheon was served, and the guests treated to generous portions of the wedding cake.

During the evening the friends present had Coun. J. Morrison take the chair, and in a brief but apt address he proposed the toast to the bride and groom. This toast was received with enthusiasm and Mr. and Mrs. Harrison were greeted with the heartiest applause. Mr. and Mrs. Harrison both made neat response to the toast, thanking the friends for the hosts of good wishes and the kindly feeling shown. Messrs J. C. Rowe and G. A. Macdonald also spoke briefly expressing the high regard entertained for Mr. and Mrs. Harrison and the sincere good wishes extended them for many, many more years of happy life together.

Mr. and Mrs. Harrison received a large number of beautiful and costly gifts of silver to mark the occasion and to express the good wishes of their friends.

HALF A DOZEN CHIMNEY FIRES IN LESS THAN A WEEK

The Fire Brigade had no less than six calls in five days within the past week. Response in each case was prompt and effective and damage avoided, the blazes in each case being chimney fires. On Thursday at 7.30 p.m., there was a call at 2 1/2 Viny Road, owned and occupied by Mr. Shankman. At 10.05 p.m., there was a call at Mr. Holland's 51 Maple North. There were two calls on Saturday, one at 6.30 p.m., to Mr. Sharp's, 52 Mountjoy Street, and one at 6.40 p.m., to 59 Balsam Street, Mr. Pecore, owner and occupant. On Nov. 9th the call was to 6 Commercial Avenue, occupied by Mr. W. Phillips. On Nov. 10th there was a call at 8.20 p.m., to 29 Middleton Avenue, owned and occupied by Mr. Bennett. The way the firemen knocked out all these chimney fires shows how skilful the fire-fighting force here is and how prompt response is half the battle in fighting fires.

TWO-DAY POLICE COURT STARTED HERE THIS WEEK

Only the Ordinary Number of Cases on the Docket. One Very Serious Charge.

Starting this week Timmins will have police court two days a week—Wednesday and Thursday—instead of one day as formerly. Magistrate Atkinson will come here from Swastika on Tuesday evening, leaving here on Friday morning. Wednesday and Thursday will be devoted to court at Timmins and South Porcupine. Magistrate Tucker, of Cochrane, has taken over the court at Iroquois Falls under the new arrangement. Whether two days a week is necessary here for the cases arising may be open to question, but there can be no doubt but that the new arrangement makes any talk of a resident magistrate here unnecessary and undesirable.

COLLECTING FOR WORK IN BEHALF OF SAILORS.

Miss Lillian Kellett, Deaconess, is in the Camp on the annual work of collecting for the Tract Society's Mission to Sailors on Inland Waters. Miss Kellett has paid several visits to Timmins during the many years she has been connected with the good work carried on by the Tract Society in behalf of the sailors. Many here know Miss Kellett and give her hearty welcome on her annual visits of collection. To those who do not know her it may be said that the Deaconess has not only a pleasing personality but the work in which she is engaged is deserving of the very heartiest support. Timmins in the past has very rightly given generous support to the cause represented by the Deaconess and it is to be hoped that this year will even exceed all previous records. The Tract Society does a very commendable work for sailors on the great lakes and for workers in the lumbering camps, etc. For these, libraries are provided, comforts are supplied, and other helpful attention given. Sailors speak in warmest terms of the goodness of the Tract Society's work. Sailors' homes are maintained at lake ports, and in various other ways the Society brings light and pleasure to the lives of the sailors and the workers in distant camps. Among the recent places supplied with a library, Smooth Rock Falls may be mentioned, the Society's library there being much appreciated.

Mr. R. A. McInnis, Iroquois Falls, was elected second vice-president of the Ontario Associated Boards of Trade at the annual meeting at Kingston last week. Mr. K. J. Dunstan, of Toronto, is the president. Among the elected members of the executive are:—Mr. Frank K. Ebbitt, Iroquois Falls; Mr. Larry O'Connor, Sudbury; and Mr. Arthur Stevens, Cochrane.

God grant me these; the strength to do
Some needed service here;
The wisdom to be brave and true;
The gift of vision clear,
That in each task that comes to me
Some purpose I may plainly see.
God teach me to believe that I
Am stationed at a post,
Although the humblest 'neath the sky,
Where I am needed most.
And that, at last, if I do well
My humble services will tell.
God grant me faith to stand on guard,
Uncheered, unspoke, alone,
And see behind such duty hard
My service to the throne.
Whatever my task, be this my creed,
I am on earth to fill a need.—
Edgar A. Guest.

Winter Time is Carnival Time in Banff

Banff in winter time is fairyland. Shafts of the sun strike the white snow-covered mountains and valleys of the Canadian Rockies, changing them into a landscape of flashing iridescence. Colors—blue, red, green and purple—dance over the scene, as gaily costumed devotees of the snow shoe, the skate and the ski move in the vastness of the great outdoors. Fancy skaters swing gracefully into intricate figures on the rinks. Ski jumpers thrill the spectators with their marvellous leaps through the air from the ski jump on the top of a nearby mountain. Ski-jorers dash down the Bow River behind fleet mountain ponies. Blanket-coated snow-shoe trappers take the trail to the snowy woodlands. In the evening, the brilliant scene is softened by the silver gleam of the moon. Winter time is carnival time in Banff. February 3rd to 17th has been set for the 1926 Winter Carnival, and Mrs. Basil Gardom has been chosen as the fair Queen. A splendid palace of glittering ice, sparkling with myriads of bright colored electric lights is being built for the chosen beauty. With true regal pomp and splendor she will be crowned and seated on her throne as the culminating triumph of the carnival. Trains pull into the station at Banff. Passengers on their way west stop off to disport themselves in the snowy, gay little town. Passengers on their way east delay long enough to see the famous ski jumpers breaking world records. Passengers from both east and west with Banff as their objective, and snow shoes, skates and skis in their luggage, hurry to attend the festivities in honor of the carnival queen.
