Delightful Dinner Dance at Empire Hotel on Tuesday Evening. President Murdock Conducted the Community Singing. Solos by Mr. R. Smith a Feature of Attractive Night.

There were over a hundred at Ladies' Night given on Tuesday evening at the Empire Hotel under the auspices of the Kiwanis Club. The event took the form of a dinner dance and proved a most enjoyable affair. Those present included Kiwanis Club members, Kiwanees, and their friends. The menu was a most pleasing one, and the service was the very best. Indeed, everything about the evening proved enjoyable throughout. For the dancing there was good music by the Ramblers' Orchestra and the dancing was enjoyed by all. President Murdock conducted the community singing and his rendition of the song, with apologies to Dr. Honey, made a great hit. By request Mr. E. Fortin rendered "Allouette."

posed by President Murdock who referred to the generous assistance given on every occasion by the ladies for the advantage of the community and for all good works. The chorus of the Kiwanis Song was given as a response to this toast. A noteworthy feature of the evening was the singing of Mr. R. Smith. On each appearance Mr. Smith was very enthusiastically encored, all being delighted with his fine voice and the sympathetic interpretation he gave to his selections. Mr. Smith gave very talented renditions of "The Trumpeter," "The Rosary," and "Revenge." Among the specially popular dances of the evening were Tags, Fox-Trots, Paul Jones and a Moonlight Waltz. The evening generally proved so successful that there were several suggestions for more events of similar kind in the near future.

This year, "Lap" is authority for saying, it's going to be the greatest yet. Among the prizes to be featured this year is a big turkey for the gentleman wearing the loudest tie.

ST. MATTHEW'S W. A. SUPPER SUCCESSFUL AND PLEASING

SALE OF POPPIES NETTED I.O.D.E. OVER \$262.00

People of Schumacher Made Very Generous Response Last Week.

Timmins made very pleasant response last week to the Armistice sale of poppies. The total amount taken in by the I.O.D.E. was \$262.00. Of this amount \$75.24 was contributed in Schumacher by the good people there. The Strand Cigar Store, conducted by Mr. Percy Inglis, himself a returned soldier and a former G.W.V.A. President, also gave specially generous assistance, buying the poppies and selling them in the store. A number of the ladies of the I.O.D.E. did unusually good work in selling the poppies in Timmins and Schumacher. The proceeds of the day will go to the patriotic work of the I.O.D.E. In passing it may be noted that contrary to some foolish rumours started last week, the poppies sold were all British made.

Football League Banquet Attractive and Successful

Only Regret the Absence of Mr. E. H. Bridgen, Donor of the Medals. Saturday Evening a Delightful One for All at Second Annual P.D.F.L. Banquet. Service Remarkably Good. Programme of Much Merit.

The second annual banquet of the Porcupine District Football League was held in the Empire Hotel on Saturday evening, Nov. 14th and proved outstandingly successful and pleasant. The only regret of the evening was that Mr. E. H. Bridger, of Toronto, donor of the medals and big booster of football in Porcupine, was unable to be present. About seventy-five sat down to the banquet. The menu was a credit to the Empire Hotel, and the service was perfect. During the evening the Empire Hotel was complimented on all hands for the excellent menu and the super-excellent service. Attractive printed folders gave the menu and the toast list, and were carried away as souvenirs of the occasion. Mr. Ted Duxfield, President of the P. D. F. L. directed the evening's proceedings in very capable and pleasing way. In a few well-chosen opening words he gave all sincere welcome. Then, with "Seotly" Wilson effectively playing the accompaniment, the gathering sang in chorus, "Hail, hail, the gang's all here." The excellent menu for the evening was then enjoyed, the well set tables, the splendid service and the fine full-course dinner, being all that could be desired. Cigars and cigarettes followed the dinner.

pathetically to the player seriously injured during the season and outlined what had been done to help. The referee question, he pointed out, was one of the problems of the League, but this difficulty would be overcome. He thanked the referees all of whom had given such earnest and conscientious service during the past season, and had a special word for Mr. Craig, Mr. Duxfield referred to bad language used once or twice during the season by spectators. He urged all to remember good sportsmanship and carefully avoid anything like this. The President referred to the great support given him by the Vice-Presidents and other officers. Reference was also made to the changes in offside and throw-in rules. He was not sure the changes would improve the game. There was general regret at Mr. Duxfield's suggestion that he would drop out of football this year, and it is generally hoped that he will reconsider.

The toast to the King was responded to by the hearty singing of the National Anthem. Secretary, W. A. Field read a letter from Mr. E. H. Bridger expressing his deep regret at being unable to be present and voicing his pride and the confidence he had in the Timmins Football Team and the interest he maintained in the never-failing good sportsmanship of the football lads of the Porcupine. The toast to the Porcupine District Football League was proposed by Mr. B. C. Lambie in a brief but very effective address. Mr. Lambie is the Past President of the P.D.F.L. He pointed out that the League was now an assured success and it was doing much to stabilize football and add to the good sportsmanship generally of the district. In responding to the toast, G. A. Macdonald congratulated the Hollinger team as winners and the Town A. as runners-up in the League. Their honour was great, because the other teams had played so well. Next season the honour of winning would be still greater because the McIntyre and the Cornish and the Lanes and the other teams would contest the season with still greater skill and vigour. The P.D.F.L. comprised eight good football teams. They had played 52 matches during the season and had provided the best of clean amateur sport. He urged players, clubs and the public to continue to stand behind the officials to keep football the creditable sport it had been in this Camp. He also read a telegram just received from Mr. E. H. Bridger:

"Please convey to everybody my sincere regrets at not being able to be with them at this time. My thoughts will be there, but that is small compensation for the pleasure I had looked forward to during the past year. Also please express to executive and all loyal supporters my high regards for them in the way they have again kept up and furthered the real North Country sporting spirit, and to the team my highest appreciation of their successful season just closed. The loss of the Ontario Cup for the second year may seem tough but the reputation gained as real sportsmen is worth far more than a cup gained and good will lost. May they always play the game as they have done in the past as true amateurs and win or lose they will always be a credit and an honour to good old Timmins. Mention me personally to Football Bill and each of the team, not forgetting the trainer in his thankless but important task. Good luck and a real enjoyable evening.—Ernie."

In the absence of Mr. Bridger, the Mayor, Dr. J. A. McInnis, was asked to present the medals to the Hollinger team, winners of the League. The Mayor made a brief but pleasing after dinner speech, referring to the high standing of football here and the good sportsmanship of the boys. He then presented the Shield to the winners, the Hollinger, and the handsome gold medals donated by Mr. Bridger to the members of the team. The following is the Hollinger team—S. Hetherington (Captain), C. Sathrang, B. Pettersen, S. Dedrickson, A. Roberts, Jr., J. Landers, R. Dunsmore, H. Short, S. Anderson, R. Dunbar, P. Larmer, J. McLaughlin, H. Stephenson, J. Haly, H. Johanson.

The silver medals given by the League to the runners-up, the Town A. team, were presented by Mr. J. F. Curnow, Vice-President of the P.D.F.L. Mr. Curnow made a very thoughtful address with many helpful suggestions. He suggested that organization be perfected earlier in the season, so as to give the teams an earlier and a better start. He recommended the erection of a grandstand for the spectators, pointing out that the public supporting football deserved this and also that it would naturally add to the support given the game. Mr. Curnow touched on the finances and general conduct of the Cornish Football Club to show what could be done by all working together. He urged the same co-operation in the League and all working together for the good of football. The following are the members of the Town A. team:—A. Roberts (Captain), E. Street, J. Liddle, A. Cadman, F. Cadman, G. Cooper, R. Adamson, W. Jackson, B. C. Lambie, J. Patrick, A. Dawson, G. Ritchie, J. Davidson, H. Rankin, H. Dunne.

In addition to the shield and medals, the King Cup, the Goodyear Cup, the Dickson Cup and the C. V. Gallagher Cup (N.O.F.A. championship) graced the table. The musical numbers given during the evening were noteworthy for their excellence. The first number, a duet by Master W. Shewan and Mr. E. Street, with Master Shewan effectively taking the solo parts, won the heartiest applause. The Band Quartette—Messrs Lloyd, Cornthwaite, Wolno and Murphy—made a great hit with their well-rendered numbers and were warmly encored. In cornet solo work Mr. Jas. Lloyd delighted all with his gifted playing, each of his numbers winning well-deserved encore. The piano accompaniments by Mr. G. Jenkins added much to the effectiveness of these cornet selections. The solos by Mr. R. Smith were outstanding in their excellence. Mr. Smith's sympathetic rendition of "The Trumpeter" was a gem and won the highest appreciation. Messrs Smith and Street also won hearty applause by a duet. Mr. T. Huntley, with his clever rendition of humorous songs was also a big hit. Mr. W. H. Wilson did good work as piano accompanist for the evening. Mr. J. Liddle pleased all with his rendition in fine voice of "Mary of Argyle." Two little poems by Edgar A. Guest were given by Mr. B. C. Lambie, and these clever little verses with their inspiration, and their effective rendition, were much appreciated.

Before the meeting closed, President Duxfield took occasion to urge greater attention to football among the school boys, and advised a school league. "For football in the future we must depend on the lads," he said.

The Basketball games are attracting unusually large crowds of fans. Basketball has certainly made a hit this season.

CONCERT TUESDAY NIGHT A VERY DECIDED SUCCESS

Large Audience Greatly Appreciated Remarkably Good Programme

The concert in the New Empire Theatre on Tuesday evening, under the leadership of Mr. Jas. Geils, proved to be an event of special merit. Seldom has a North Land audience enjoyed a programme so varied in its selections and so uniform in its excellence. It was probably the biggest money's worth of good music and pleasing entertainment ever given to an audience here. There was a good attendance, and the hearty applause given each and every number testified to the appreciation felt for the talent evidenced.

Rev. J. D. Parks made an ideal chairman for the occasion. In his introductory address he said some very apt words about the excellent spirit of this Camp where there is such a fine tendency to work together for good ends, irrespective of creeds or race. His bright comments during the evening also added to the success of the programme. His humorous story, given so effectively in braid Scots was also another delight for the audience. The male quartette—Messrs Geils, Cowan, Dodge and Heffernan—rendered several selections in very effective way and won hearty approval.

Mr. J. T. Heffernan was in fine voice and his solo was a noteworthy contribution to an all-round good programme. Mrs. Barrett won further honour as a vocalist of undoubted talent, her fine voice and attractive selections so well rendered pleasing all and winning insistent encores on merit.

On this, her initial appearance before a Timmins theatre audience, Mrs. Bowles, of South Porcupine, made a decided hit, each of her well-rendered selections being enthusiastically encored. A good voice, perfect enunciation, a gift for interpretation, and outstanding musical talent made the solos by Mrs. Bowles of striking interest.

Another South Porcupine artist to delight the audience was Rev. Mr. Bain who won the heartiest appreciation for his great gifts as a violinist. Rev. Mr. Bain showed himself to be a violinist of very marked ability, with a sure and sympathetic touch. He put soul into his playing, and his talented selections were most enthusiastically applauded as they merited.

The audience showed very marked approval and appreciation for the selections so well rendered by the instrumental quartette from the Timmins Citizens' Band—Messrs. Lloyd, Cornthwaite, Wolno and Philips. These instrumental selections were given with talent and effect.

The music-lovers were delighted with Mr. Dodge's vocal solo, voice, selections and rendition being all of the most attractive type. Mr. Jas. Geils' was one of the very best numbers on the whole excellent programme. This stirring number, so perfectly given, was one of the most appreciated selections of the evening.

Mr. Jas. Cowan, in Lauder songs, in costume, made a big hit with the audience, rousing laughter and applause by his finished and artistic renditions. Probably the most popular artists on the evening's programme were the gifted and graceful little dancers. Little Misses Margaret Geils and Maisie Roberts won very decided recall

COMMITTED FOR TRIAL ON SIX SERIOUS CHARGES

Hector Chenier Will Answer to Six Charges at Cochrane Next Week

At police court here on Wednesday (yesterday) Hector Chenier, grocer, of Sixth Avenue, was given preliminary hearing on six separate charges of indecent assault. The girls concerned in the six cases were all small youngsters, around eight and twelve years of age. The stories they told in court were similar in the important features, alleging that Chenier had acted improperly towards them when they were in the store. Chenier was committed for trial in each case. He will come up for further hearing at Cochrane next Tuesday at the General Sessions.

The charge of seduction against Mike Stomyk was withdrawn, the girl in the case and Stomyk being married in the meantime. A charge of non-support against Jos. Bigras was also withdrawn, the matter being settled out of court.

On the drunk charge he was fined \$10.00 and costs or thirty days, and on the theft charge the sentence was 60 days. McLean expects to spend the 90 days away.

Two common drunks were assessed the usual ten and costs.

Officers Cushing and Pareher were searching a place in Moneta when they saw Traleaux go to the door and throw something away. Officer Cushing had his eye on the accused and jumped for the road where he picked up a revolver that had apparently been just thrown away.

Two wage cases were remanded for a week.

by their talented rendition of the Highland Fling. Little Miss Helen Chisholm gave a charming example of very clever skirt dancing. The comment by the chairman at the close of this pleasing number was very apt. "It would make us almost believe the stories about the fairies and their wonderful dances," he said. Misses Margaret Easton and Helen Chisholm brought down the house with their finished rendition of the Irish Jig. The clever work in this dancing number fully warranted the enthusiastic applause given the clever little artists. Mr. H. M. Martin, of South Porcupine, and Mr. Parks, of Timmins, were the piano accompanists for the evening, while Mr. A. Gordon, on the violin, also gave valuable assistance in the accompaniments.

STABLE MANURE MAY BE DUMPED ON H. S. GROUNDS

The Timmins High School intends to beautify the grounds around the school next spring and so stable manure will be useful for the grounds. During the winter many owners of stables find difficulty in disposing of the manure that accumulates. Some have been taking it to the dump and others using other methods to get rid of it. Any who have this material to dispose of, could accommodate themselves and at the same time save the cost of purchase to the High School next spring by dumping the manure this winter on the H. S. grounds where it would be ready for attention next spring.

A lodge of the Loyal Order of the Moose is now being organized in Kirkland Lake.

Dome Mines, Nov. 18th. Special to The Advance. "Dome Foam." Mr. William Hoeking, brother to Charley, arrived out from Redruth, Cornwall, on Tuesday evening.

Mr. Clement, of the Paymaster, returned last Saturday from Butte, Montana and points west.

The Porcupine Juvenile Orchestra "showed their stuff" on Saturday evening last. Mr. and Mrs. J. Fell were the hosts and expressions of appreciation of the good music were frequent. The boys enjoyed themselves greatly and everybody concerned had a good time. One of the pieces much encored was the old favourite, "Let me call you sweetheart," and the players must have been thinking of their best girls judging by the feeling that was put into the music. The Marsh Gold Mine is rapidly assuming the character of a producer of foundations for the mill being well on the way. Mr. C. Frank, of the West Dome Consolidated, is acting in an advisory capacity in the designing and construction of the mill.

Mr. Arthur Ewing, formerly with the U. P. Co. is working in the Assay Office.
