Every Member bring Prospective Candidates and answer

THE CALL OF THE MOOSE

**South Porcupine Firemen
Called Out by Deranged Man**

Man Tells Brigade Fire is in His Head. Successful Armistice Dance by Eastern Star. Mr. W. G. A. Woods and Family Going to Toronto. New Church Proposed for Golden City. Superintendent of New Hospital at South End.

South Porcupine, Nov. 17th. Special to The Advance.

The Armistice Dance given under the auspices of the Order of the Eastern Star was a decided success. This is the annual social event given by the Eastern Star and is always looked forward to as being one of the best affairs of the season and this year it kept up the reputation it has gained in former years. Quite a number of friends from Timmins were present. Colombo's Orchestra furnished their usual high-class music and there being about two hundred enjoying the dancing, the spacious floor of the New School Hall was not overcrowded so that everyone present reports having "one of the best times ever enjoyed there." The refreshments were both delectable and bounteous.

Mr. C. V. Gallagher, Reeve of Tisdale returned by Sunday's "National" from a business trip to Toronto and Ottawa.

Mr. Geo. D. Hamilton was in Mon-teith during the past week on business.

In giving the list of floral tributes sent for the late Stewart M. Wilson, a beautiful wreath from Kitchener Rebekah Lodge of South Porcupine was inadvertently omitted last week.

Our town is losing some of its best known and most highly respected citizens in the persons of Mr. and Mrs. W. G. A. Woods and W. Woods, Jr., who are leaving shortly for Toronto where Mr. Woods intends opening a Brokerage and Mining Office. Mr. and Mrs. Woods have both taken a live interest in the affairs of the town and have been of great help to various organizations during their struggling infancy. The best wishes of a host of friends will follow them to their new home. Mr. Woods has recently disposed of some of his mining properties in Deloro at a handsome figure but still holds several other valuable claims in this vicinity.

Mr. and Mrs. G. Bull, of Edmonton, Alberta, are visiting their niece Mrs. W. D. Pearce.

Mrs. Rowan, Sr., also Mr. Edgar Rowan and bride, left for their home in Quebec on Monday after visiting at the homes of Mr. Walter Rowan and Mrs. McKinnon.

Mr. Jason Cunningham has returned to South Porcupine after a successful operation at the Royal Victoria Hospital, Montreal. He is back at work again after an absence of two months.

Miss A. McLellan, of Bellecote, N.S., is visiting her brother, Mr. Dan McLellan.

Mr. Paddy Gallagher, of Cochrane was a visitor in town during the past week.

Mr. D. Levinson visited Cochrane over the week-end.

Major A. MacDougall has purchased a fine new hay-press to take care of the large crop of hay produced on his farm this year.

The many friends of Mr. Teddy Hull, of South Porcupine, are sorry to hear that he is showing very little improvement in the Cochrane Hospital where he has been undergoing treatment for some weeks.

Rev. F. J. Bain preached the Thanksgiving services at Hearst on Sunday last. He was accompanied by Mrs. Bain. The services in the United Church, South Porcupine, were taken by Mr. Childs and by Miss Kellett of the Bible Tract Society. A fine new piano has been placed in the United Church. One of the donations which helped very materially in acquiring it was that of Mrs. Rapsey, Sr. who donated her own piano to be given as part pay on the splendid piano purchased.

Miss Chambers, of Toronto, who is to be Superintendent of the new hospital being opened here, is expected to arrive this week for an inspection of the building, etc., with a view to deciding what changes will be required to be made.

Mr. and Mrs. B. Walton and Miss Anna have taken up their residence at the Porcupine Paymaster for the winter.

Among the new arrivals in town of late, was a wee daughter at the home of Mr. and Mrs. F. Bisette, on Thursday, Nov. 12th, and a small son was born to Mr. and Mrs. Boney (nee Violet Childs) at the home of Mr. Childs.

It is with regret that her many friends here, have learned of the serious illness of Mrs. Moore, wife of the Inspector of Provincial Police. She has been in the Hospital in Toronto for some time but lately returned to her home in Cobalt. Mr. and Mrs. Moore and family were formerly residents here.

On Friday evening, Rev. Dr. Biney of the Maintenance and Extension Fund Committee, gave a most interesting address in the United Church telling the history of the Union and many of the plans, etc., for the future upbuilding of the newly formed church.

The South Porcupine Dramatic Club are presenting a three-act

comedy, entitled, "The Adventures of Grandpa," on the 2nd of December, in the Majestic Theatre. This is the first of a series of plays that are to be produced by this company, under the direction of Mr. Wm. Lowery, during the winter months. This one is being given in aid of the Anglican Church Building Fund, and anyone who enjoys a good laugh should keep the date open, for this comedy is a series of laughs from start to finish.

We understand the South Porcupine Fire Dept. are already making preparations for their big New Year's Ball. The fire-fighters are always on the job whether it is a call to duty or making one of their social events a good time for everybody.

Messrs Wilfred and Freeman Pettigrew of Toronto are on a visit to their sister, Miss Pettigrew.

Mrs. McKelvie, of New Liskeard, is a guest at the home of her brother, Mr. F. Dowzer and Mrs. Dowzer. Mr. McKelvie was also here for a few days, being on an official visit to the Consolidated West Dome Lake, of which he is one of the Directors.

We hear from those who attend from this side of the lake, that there is talk of a new Union Church for Golden City, the one there at present not being large enough to accommodate the attendance.

Misses Rose Burns and Mariette Arbour were visitors at Iroquois Falls during the past week.

Mrs. F. J. Hamilton spent the week-end in Cochrane.

On Monday afternoon the fire-bell was rung and when the boys responded the stranger who had given the alarm pointed in the direction of Railroad St. The Capt. and one of the men hastened with the chemical equipment but could find no trace of fire. When the rest of the boys came they brought the alarmist right with them. Not being able to locate any fire the stranger further astounded them by saying that the fire was in his own head, that his brains were burning out. The Captain, therefore took him to Dr. Smith's office but as all the medical men in town were out on cases at the time, and it seemed evident that the man was not well mentally, Provincial Officer Craig was called and took care of him. At the time of writing he is still being held under observation. As nearly as the facts can be ascertained his name is James Pickett and he came out from Great Britain, in April 1924, and has spent most of the time since in the West. He carried credentials from a watch-making establishment in the old country, where he is supposed to have worked for fifteen years. From his rambling remarks it is thought he was either working on a farm or in a saw-mill out West, and he is supposed to have come in on Sunday evening's train. Although seeming rather weak and despondent, he refused to eat on Monday evening. He carried an empty wallet but was warmly, though plainly dressed.

Mr. Allan Percival, of Englehart, spent the week-end with his sister, Mrs. Harry McGinn.

The Band Concert on Sunday evening at the Majestic Theatre after the church services was very well attended, the house being filled to capacity. Among those who delighted the audience with their solos were Mrs. F. Reynolds and Messrs S. Kincaid and Geo. Honer. A clarinet duet by Messrs Mike and Tony Papone was also a pleasing feature, and the selections by the String Sextette were most enthusiastically encored. Among the high-class selections of the Band were the "Shelby," march by Noel; the overture, "The Gypsy Festival," by Al Hares; Chas. Unelife's Waltz, "Thrills"; also the selection, "Louise," by J. M. Fulton; and another which pleased very much was "Japanese Sunset," and Noel's "Scout March." The concert was brought to a close by the audience singing "God Save the King," accompanied by the Band.

Miss Ida Percival spent the week-end with friends in Timmins.

According to the Haileybury assessor's figures this year the population of Haileybury is now 2,755, an increase of 149 over 1924. There are 810 children of school age.

**Here is
a Money Making
Business
Opportunity.**

In one of the best towns to live in, in Northern Ontario, there is a location for three bowling alleys, five English billiard tables, which if conducted under the up-to-date plan of

**ONTARIO'S
MINERALS**

The mineral resources of Ontario cover practically the entire list of metallic and non-metallics. Ontario possesses the largest individual deposits on the continent of talc, feldspar, mica and graphite. The greatest nickel mines in the world are at Sudbury, the largest deposits of cobalt and the richest silver camps at Cobalt and South Lorrain, and highly productive gold camps at Porcupine and Kirkland Lake. Ontario's gold mines are attracting worldwide attention. The production of this metal in 1924 was valued at \$25,669,262.

The mining laws are liberal, fair and just. A miner's license obtained from the Department of Mines or any Mining Recorder, costs \$5.00 and entitles the prospector to stake out three claims in each mining division in any year. After performing 200 days' work on a claim, patent is granted on payment of \$2.50 or \$3.00 per acre, depending on location in unsurveyed or surveyed territory.

Arrangements have been made by which parcels of gold ore will be purchased from prospectors developing their claims or others who may have gold ore to sell. Full particulars may be obtained from A. A. Cole, manager, Temiskaming Testing Laboratories, Cobalt, or the undersigned.

For list of publications, geological maps and reports, copies of the Mining Laws, etc., apply to—

THOS. W. GIBSON
Deputy Minister of Mines
Toronto.
