## McIntyre Baseball Club Banquetted on Saturday

Very Pleasing Event at McIntyre Hall. Presentation of Sweaters and Trophy, Etc. Very Interesting Address by Mr. G. C. Bateman, Secretary Ontario Mining Association.

A very successful banquet was held in the McIntyre Recreation Hall on Saturday evening having as its main purpose the feting of the victorious McIntyre Baseball Team and members of their field club, and at the same time the winding up of the season and receiving the cup which was presented to the Mines League by Mr. Geo. Lake, of Timmins. Mr. Jas. Shewan acted as chairman and commented on the very fine spirit shown by Mr. Lake in donating this trophy for competition which could only have one result in stimulating amateur baseball interest and healthy wholesome sports in the camp in general. During the evening the following members of the club who took part in the baseball and track events were presented with sweaters:—E. Anggrignon, C. Thomson, W. Small, C. Vallentine, J. Chisholm, C. Chisholm, N. Theriault, Tupper Campbell, R. D. Parker, Ken. Gray, Earl Monaghan, Mac. MacMillan, Bony Bonnelli. Some very fine speeches were made by the citizens of Schumacher and their distinguished visitors. The outstanding talk of the evening was by Mr. G. C. Bateman, Secretary of the Ontario Mining Association, who showed that he had an interest in the camp beyond the more prosaic one of business. The toast list was as follows:— McIntyre Mines, proposed by Dan Gannon, replied to by D. E. Keeley. Visitors, proposed by S. A. Wookley, replied to by G. C. Bateman. Town of Schumacher, proposed by Henry Sands, replied to by J. R. Todd. Our Club, proposed by R. D. Parker, replied to by I. A. Solomon and H. S. Robinson. All enjoyed the very fine repast put

before the guests by Mr. Solomon, manager of the McIntyre Baseball team, which was supplemented by the orchestra and individual efforts of the musically gifted members.

### TIMMINS YOUNG MAN MAKES FINE SHOWING IN BIG RACE.

The New York Times devotes considerable space last week to the cross country race in which the competitors were Columbia, Dartmouth, Cornell and Pennsylvania Universities. The event was an important one, and readers of The Advance will be particularly interested in view of the fact that Mr. H. K. Auer, of Timmins, was the acknowledged leader in the barriers for Dartmouth College, and finished a good second in the event. The race was run in the teeth of a regular gale, but all the athletes finished in good condition. Schmid, of Columbia, was first with time of 31.49; Auer, of Dartmouth, second, with 31.59. Auer led for much of the way and until the last quarter of a mile held place with the winner. In the last sprint, however, Schmid forged ahead to win by 30 yards. The Times speaks highly of the fine qualities of Hildreth Auer as a runner. "Auer clung to the heels of his rival until a quarter of a mile from the finish when Schmid began to put away," says The Times. "Auer put up Hard Eight," is one of the headings in The Times in regard to this New York event.

On Nov. 23rd, H. K. Auer will be one of the popular contestants in the Intercollegiate Cross Country Run in New York City, one of the big athletic events of the year.

In his success, Hildreth Auer reflects honour on his home town of Timmins, Ont., and proves again the virtue of the climate and life here in building up the right type of men.

### TWO ALARMS, BUT NO FIRES, DURING LAST WEEK-END.

Friday morning at 11.20 the Fire Brigade had a call to Mr. Leslie Walker's, Maple Street. Mrs. Walker had returned home to find smoke pouring up from the basement in such volume as to suggest a fire in good progress. The firemen made very prompt response and on investigating found there was no fire, but that the pipes in the basement had fallen down, causing the smoke from the furnace to fill the house. The trouble was promptly remedied without any damage being done.

Saturday evening there was another call for the Fire Brigade, without any loss resulting from the fire. This call was from the Salvation Army Barracks at about 9.30. The stove pipes caught on fire but no damage resulted.

Schumacher Public School last week contributed a collection for the Tract Society work for the sailors on inland waters, over twenty-one dollars being the generous amount contributed for this good work by the youngsters.

### QUARANTINE MUST BE OBSERVED IN ALL CASES

Board of Health to Prosecute Those Disregarding Rules.

Because of the neglect of the rules of quarantine regular epidemics of mumps and measles have developed in town from a few cases. There is similar danger from other cases of communicable diseases. As a consequence of this danger, the Local Board of Health intends to prosecute any cases where quarantine is not observed. Quarantine is imposed to protect the public, and to be effective those under quarantine must observe the restrictions. Good sense and good citizenship should be enough to assure the observance of quarantine so as to protect others. Apparently, however, there are some who will not show this good citizenship, and in such cases the only alternative is to apply the force of the law. Mr. I. E. Dunn, Inspector for the Board of Health, informed The Advance this week that the regulations in regard to quarantine in ALL cases of communicable diseases are to be rigidly enforced.
