Cornish Football Club Has Very Satisfactory Season

Very Pleasing Balance in Bank After Successful Year. Officers for the Year Complimented. Broadening of Membership Discussed. Officers Elected for Coming Season.

The annual meeting of the Cornish One-and-All Football Club was held in the Council Chambers on Tuesday. In the absence of the President, Mr. W. S. Johns, the Vice-President, Mr. P. Tonkin, occupied the chair. Among the communications read was one from Mr. Johns resigning as President of the Club.

The annual report showed the Club in a very favourable position. The balance in bank at the beginning of the season, \$45.53; receipts for the year, \$623.06; total \$668.59. Expenditures for season, \$500.20; leaving a balance in bank on October 31st, 1925 of \$168.39.

The report was adopted unanimously. Mr. F. J. Curnow, in moving the acceptance of the report, said it was a credit to the Club, and he complimented the officers and executive for the way the affairs of the Club had been conducted. Mr. Curnow also said a few well-merited words of praise for the ladies of the Executive who also had taken a due share in the work of the Club. Mr. Curnow suggested that the meeting could do no better than to re-elect what was left on the old executive, as he thought they had done remarkably well. Some of them were now away from the Camp, but enough were left to form a basis for another successful season.

The following were the officers elected for the ensuing year:—

Honorary President—B. Richards (re-elected).

Honorary Vice-President—J. F. Curnow (re-elected).

President—C. E. Richards.

Vice-President—P. Tonkin (re-elected) and A. Odgers.

Secretary-Treasurer—F. J. Curnow (re-elected).

Executive—W. J. Bright, A. Nicholls, T. Gay, H. Drew, S. Brewer, A. Truscott, S. Opie, and J. Harris.

Mr. Richards, the President, thanked the Club for putting him in the chair, and promised he would do his best, without bias or favoritism. His fairness was proved later in the evening. "We have got to get together and stick together and play the game," he said, pointing out that, this was the only way to get along. There was a lively discussion as to

the meaning of "Cornish One-and-All." Mr. Curnow, Sr., said he had been approached with the suggestion that the Club be thrown open and the best players be secured, regardless of nationality. The President said that Cornwall was only a small place and players from there were naturally restricted. By changing the present rule no doubt a better array of players would be available, but they would have to drop the name, "One and All." "I don't think this would be fair to Cornwall," he said "but I am ready to go with the majority."

Mr. Odgers said they certainly would have a good team, but he wouldn't like to see any of the Cornish lads playing for other teams. He also referred to the financial difficulties in entering the big league, involving trips to Kirkland Lake. After some further discussion it was duly moved, seconded and carried that the Club be kept strictly Cornish. Later in the evening a playing members of the team started the meeting by pointing out that in the past season the players were not all Cornish. The President pointed out that the matter had been dealt with, but that to give all a fair chance the question might be re-opened. It was decided to discuss the question at a general meeting to be held on Dec. 17th, and the President asked for the largest possible attendance at this meeting.

Mr. Odgers moved a hearty vote of thanks to the past President, Mr. W. S. Johns, and this was carried with enthusiasm. On motion of Mr. Curnow, Sr., it was decided to have all Club funds remain in the bank until March 31st, 1926, and any expenditures in the meantime be financed through social evenings or other events. It was agreed that a Social Evening and Dance will be held shortly, arrangements for same being left in the hands of the executive.

The Rummage Sale held on Saturday day last by the Girls' Auxiliary of St. Matthew's church proved both interesting and successful. There was an attractive array of articles for sale and the event was well patronized.

DID NOT SHUT OFF WATER TO CAIRNS HOSPITAL

The Northern Fruit Company has sent The Advance a copy of a letter written to the Town Council. This letter refers to the report in The Advance of the last Town Council meeting. In this report Mrs. Moffat was quoted as asking for assistance or advice in connection with the water service. "She had paid for the water service," the report said, "but the tenant in the lower part of the building had turned the water off."

The Northern Fruit Company, as the tenant in the lower part of the building, informs Council that the water service had never been interfered with by them. They did not use the water and had not touched the service. If the water had been turned off it must have been done by the Town, and the Northern Fruit Company feels that it should not rest under the unjust insinuation of interfering with the service to the hospital.

Mr. Walter Graham, of Ottawa, spent a few days last week in Timmins.

The Dream of C. S. Macgregor

After dinner, at the end of a hard day's work, he dropped off to sleep. It was only a few seconds, but—

Like a flash there passed before him a panorama of the happenings of the next twenty years. A moving picture—with himself as the leading man.

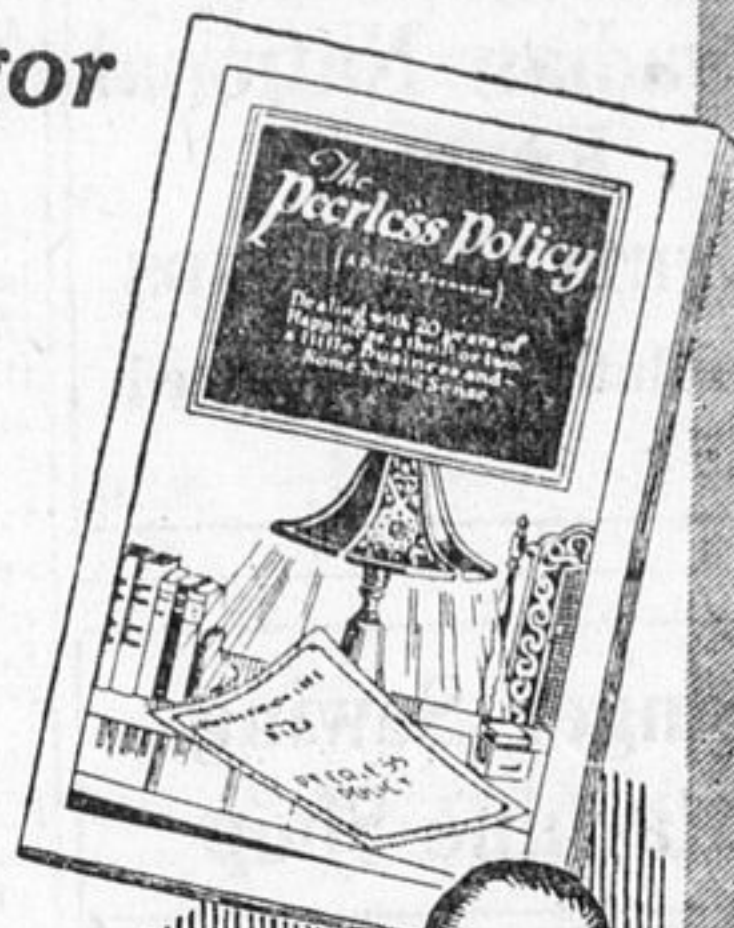

What he saw is shown in the booklet, "The Peerless Policy." The pictures show a series of incidents that may happen to any man, and they are none the less thrilling because they are true to life.

Every one will be interested in the pamphlet: men and women—wives and husbands—all the family.

Write to the Agent whose name appears below for a copy of "The Dream of C. S. Macgregor." He will gladly send it.
