CURLERS LOOKING FORWARD TO PLEASANT SEASON
Timmins curlers are looking forward to a happy season of the royal roarin' game. This week the work of flooding the rink was started, and with favourable weather and conditions it will not be long before the curling will be on again full force. Last season curling achieved the greatest popularity here, and it is expected that this season it will be equally popular.

SUCCESSFUL DANCE BY ORDER OF EASTERN STAR
With a good attendance present, the best of music and a enjoyable programme, the first dance held by Arbutus Chapter, Order of the Eastern Star, last Friday evening in the Masonic Hall here was one of the enjoyable events this fall. The Hall was tastefully decorated for the occasion. The music for the dancing was such that it won commendation on all sides, Mr. Ted Whaley the leader, and the A. S. D. Orchestra responding to the insistent encores with a very favourable generosity. Besides the usual waltzes and fox trots, a Paul Jones, under the direction of Mr. R. Hoggarth, made a decided hit. The refreshments served during the evening were one of the features on a splendid programme. The success and good time all enjoyed at this, the first dance of Arbutus Chapter, O. E. S., augurs well for the success of any more held by this organization in the future.

A CURIOSITY IN REGARD TO VOTES IN ELECTIONS
The Edmonton Journal touches on an interesting feature in regard to the voting at elections, saying:—
When the popular vote is compiled, it will be found that in most of the provinces the ballots cast for the different parties are out of all proportion to the seats obtained by them. There is nothing like the preponderance of Liberals in Quebec, or Conservatives in Ontario that the bare returns indicate. In Saskatchewan no Conservative candidates have been elected, but the candidates dates of that party, according to figures available in Regina yesterday, polled over 48,000 votes, only about 1,000 less than did the Progressive nominees, six of whom have been elected. The Liberal total was placed at 72,658 and that party has won 15 seats.

Mr. J. Lonsdale, a well-known figure in Cobalt, died last week, aged 70 years. He had resided in the Silver Town for twenty years. At one time he conducted a teaming and contracting business but for the past eight years he had been in charge of the town team for the municipality. A widow, four sons, and three daughters survive.
