## Annual Meeting of the N.O.H.A. Held at North Bay Saturday

Meeting Not Largely Attended, but Was Very Enthusiastic. Three Groups as Before. Timmins and Iroquois Falls Form the Northern Group.

The annual meeting of the Northern Ontario Hockey Association was held at North Bay on Saturday last. The Broke Hustler gives the following summary of the proceedings at the meeting:—

Little change in hockey will develop from the annual meeting of the N. O. H. A. held in North Bay Saturday. The Soo and Sudbury were not represented at the meeting which was smaller than usual, but quite enthusiastic.

The grouping was as follows:—

Southern Group—North Bay and Sudbury.

Central Group—Cobalt and New Liskeard.

Northern Group—Iroquois Falls and Timmins.

The winners of these three groups will play off for championship in junior and intermediate.

As regard towns having a town league the intermediate team to represent that town will be an all-star team picked from all the teams playing.

The proposed off-side rule was laid over until after the annual meeting of the O. H. A. as the N. O. H. A. naturally has to adopt the same playing rules.

Officers were re-elected as follows:—

President:—Fred Thompson, New Liskeard.

Vice-President:—G. W. Turk, Iroquois Falls.

Secretary:—H. P. Charlton, North Bay.

Committee:—Angus Campbell, of Cobalt; Col. Brodie, past president, Sudbury; C. O. Baker; North Bay; James Gemmill, Soo.

The delegates from Iroquois Falls at the meeting were:—P. J. Redmond, Archie Kerr, and Charlie Smith. G. W. Turk, as a member of the executive, also attended.

### LINEN SHOWER ON FRIDAY EVENING OF LAST WEEK

To show the appreciation and esteem in which the young couple are held by all, there was a linen shower given last week at the hospitable home of Mr. and Mrs. Nap. Caron, in honour of the approaching marriage of Mr. Gil Brazeau and Miss C. Melanson. Miss Melanson was the recipient of a large number of beautiful and valuable articles of linen, while the young couple were literally showered with good wishes and appreciation. Mr. and Mrs. E. Allard organized the event for the friends of the couple, and it is interesting to note that among the many beautiful gifts comprising the linen shower there was not a single article duplicated.

About twenty-five friends enjoyed the delightful evening at Mr. and Mrs. Caron's home. Dancing and other social pleasures were enjoyed and all present found the evening a very happy one.

The marriage will take place on Dec. 14th, and bride and groom alike are unusually popular with wide circles of friends and will be given the sincere best wishes of all.

Even a smart man now and then saws into a nail, but only a fool saws through one.

### IROQUOIS FALLS CURLING RINK READY THIS WEEK

The following from this week's Broke Hustler will be of general interest:—

The Curling Rink is completed and the first floods have been made. It is hoped to have ice in a few days so everyone who is going to curl should get in his application right away.

The annual fee of fifteen dollars covers everything, stones, brooms etc. being supplied by the club. While the club urges all who can to pay the whole fee at once, the Committee has made arrangements so that it can be paid in three instalments if necessary, five dollars with the application, five dollars by the 15th. of December and five dollars by the 15th. of January.

The general meeting announced for Dec. 1st, will not be held till December 15th.

Haileybury Board of Trade is planning to hold a special "Publicity Night" this month, when various schemes for the better advertising of the Town of Haileybury will be discussed. If Haileybury will take a tip from another town, they will pay particular attention to assuring themselves that they are getting advertising rather than "publicity."

Do right—and fear no man

### NONE OF THESE CROOKS IN THIS NORTH COUNTRY

Last week reports were sent out from Orillia to warn the banks throughout the Province that an organized attempt was being made on the part of a band of "North Country Crooks" to stage a series of bank robberies. It is but fair to say that at least in this part of the North Land there is no such gang of crooks and never has been. Bank robbery is something that "North Country Crooks" (if there are any such) have avoided up to date. The difficulty of getting away from this country has even discouraged the crooks that come in from outside from all thoughts of bank robbing in this country. The North Land, also, is not exporting any crooks to carry on work down below. The fact is that the "North Country Crooks" are all imported here.

An organization was formed at New York last week to be known as the Society of Sons of Methodist Ministers. It is intended to make the Society a big continental affair with headquarters in New York. Over the door of the head office in New York there will likely be the inscription: "This is no place for a minister's son."

Don't write—and fear no woman.

## THIS IS A STUDEBAKER YEAR

### Pledge to the Public on Used Car Sales

1 All used cars offered to the public shall be honestly represented.

If a car is suitable only for a mechanic who can rebuild it, or for some one who expects only a few months' rough usage on a camping trip, it must be sold on that basis. Each car must be sold for just what it is.

2 All Studebaker automobiles which are sold as CERTIFIED CARS have been properly reconditioned, and carry a 30-day guarantee for replacement of defective parts and free service on adjustments.

This is possible because tremendous reserve mileage has been built into every Studebaker, which it is impossible to exhaust in years.

3 Every used car is conspicuously marked with its price in plain figures, and that price, just as the price of our new cars, is rigidly maintained.

The public can deal in confidence and safety only with the dealer whose policy is "one price only—the same price to all." For, to sell cars on this basis, every one of them must be honestly priced to begin with.

4 Every purchaser of a used car may drive it for five days, and then, if not satisfied for any reason, turn it back and apply the money paid as a credit on the purchase of any other car in stock—new or used.

It is assumed, of course, that the car has not been smashed up by collision or other accident in the meantime.

Not only to the public, but also to The Studebaker Corporation of Canada, Ltd., whose cars we sell, we pledge adherence to the above policy in selling used cars.

**Marshall-Ecclestone Limited**

The Studebaker Corporation of Canada, Ltd., takes pride and pleasure in announcing that the above Pledge is being carried out by

**Marshall-Ecclestone Limited**  
Corner Pine St., S. & Third Ave. Timmins

THE Pledge speaks for itself. It is a formal declaration of the fair and square attitude of Studebaker dealers toward the public. It is an assurance of honest dealing in a line of merchandising

which in some times and places has fallen into ill repute. It is an assertion of confidence in the reserve mileage built into the sturdy "one-profit" Studebaker automobiles.

### JUDGMENT RESERVED IN NIPISSING CENTRAL CASE.

The Supreme Court of Canada has reserved its judgment on the appeal taken by the Province of Ontario in connection with the refusal of the Quebec Government to permit the Nipissing Central Railway to use Crown Lands on the route of its contemplated extension into Rouyn. The case was before the Court on Wednesday and Thursday of last week.

### GAINED 10 POUNDS IN 22 DAYS

### THE LATE M. C. O'NEIL, A PIONEER OF THE NORTH

Some weeks ago brief reference was made to the death of Mr. M. C. O'Neill, of Timmins. Mr. M. C. O'Neill, who had been seriously ill for about a year past, died on November 6th. In the early stages of his illness Mr. O'Neill went to Battle Creek, Mich., for treatment, later going Edmonton, Alberta, for change of climate, where he was much benefited apparently for a time. From the beginning his physician, Dr. Moore, did not hold out hopes of recovery, but Mr. O'Neill thought he might be helped by hospital treatment. Dr. Moore's diagnosis was confirmed by several specialists who were consulted. A few months ago Mr. O'Neill went to Montreal, where in the Notre Dame Hospital, he received every attention that could comfort him in his illness.

The late Mr. O'Neill was born in Fitzroy Township. He was a son of the late Daniel O'Neill. In the early days of Northern Ontario Mr. O'Neill followed the trail of the prospector, and when Timmins was only a "spot" in the great forest he built a home here. Eleven years ago he married Teresa Coady and Mr. and Mrs. O'Neill took up residence in Timmins. The union was one of special happiness. The late Mr. O'Neill was of a quiet disposition, but kind and sympathetic and made many friends in this district. He was a faithful member of the Roman Catholic Church, and in his last hours had the consolation of many friends around his bedside, and was fortified with the rites of the Church. He passed away peacefully. The remains were taken to Pakenham for interment, accompanied by his widow and Mrs. Coleman, of Ottawa. The body was taken first to the home of his brother at Pakenham where sorrowing and sympathetic friends paid their last tribute. The funeral took place on Monday at ten o'clock to St. Peter Celestine's church, Pakenham, thence to the cemetery at Cedar Hill. Requiem Mass was chanted by Rev. Fr. John O'Neill, of Ottawa, cousin of the deceased, assisted by Rev. Fr. O'Toole, P. P. The pallbearers were three brothers, Thomas, Joseph F. and P. H. O'Neill, two brothers-in-law, E. J. and T. M. Coady, and John F. Herriek. Many spiritual offerings were received.

Mr. O'Neill is survived by his wife, who has the sincere sympathy of all in her sad bereavement. Three brothers and one sister also survive and to these also the sympathy of all who knew the late Mr. O'Neill will be extended in their loss.
