MASONS HEADING THE SENIOR BASKETBALL

Have Not Lost a Game So Far. Some Fine Junior Games Played.

Last Tuesday evening, Nov. 24th, saw two more good basketball games, and this sport is certainly becoming very popular. The Junior games between the Holly Rec. Jrs. and the Night School Jrs. was a right snappy exhibition, ending by the close score of 14 to 13 for the Night School. Webb and Trumble were the bright lights for the losers, while DeRoche at defence for the winners played a stellar game. Referee, F. J. Wolno.

The second game between the High School Seniors and the Holly Rec. Seniors was rather a disappointment, the Holly Rec. boys having no subs, and finding the going hard. The game ended with the score 34 to 17 for the High School. Kennedy was the outstanding player, scoring 20 of the points himself. Graham was the leading point getter for the losers. Holly Rec.—Graham and Quinn, forwards; Horne, centre; Sloan and Golden, def. Night School—McGrath, Kennedy and Severt, forwards; Walker, centre; DeRoche, Oates and Weir, defence. F. J. Wolno, referee. Timer and scorer, H. C. Chittenden.

Friday evening the Holly Rec. Srs. and Masons met in battle, resulting in a win for the Masons. It was not the best of basketball, but flashes were seen in spots. The Masons won 21 to 15. Masons—Wolno, Boyd, Haines and Fraser, forwards; Street, centre; Jarrett and Klinkenberg, defence. Referee, J. Oates. Timer and scorer, H. C. Chittenden.

The game between the Holly Rec. Jrs. and the Shops Jrs. was won by the former by a score of 21 to 19. The Shops Jrs. played four men to five so it was rather uneven. However, the Holly Rec. boys are showing much improvement and are playing better basketball every game. Holly Rec. Jrs.—Trumble, Alton, McLean, forwards; Webb centre; Murphy and Farrell, defence. Shops Jrs.—Evans and Boyd, forwards; J. Roberts, centre; N. Greco, defence. Referee, F. J. Wolno.

On Tuesday evening, Dec. 1st, at the High School gymnasium, the H. S. boys added another game to their list by beating the Night School Jrs. 15 to 14. The game was very fast and some good combination was witnessed. The High School boys showed excellent work offensively as well as defensively. F. J. Wolno, referee. H. C. Chittenden, timer and scorer.

The second game between the Night School and the Ramblers was one of the fastest games witnessed so far this season. The game ended 40 to 18 for the Night School. The re-appearance of Ervie Tait at centre for the Night School certainly filled up a hole. Ervie accounted for 18 points himself and turned in a nice game. McCann for the losers at defence worked like a Trojan and broke up many a rush by his untiring efforts. Night School Seniors—McGrath, Kennedy, Walker, forwards; Brown, centre; Thompson, McCann, Portance, Clark, defence. Referee, F. J. Wolno. Timer and scorer, H. C. Chittenden.

THURSDAY Bulletin

November Theory Examinations were held at the "Gold Medal School" Monday of this week results of which will be given in next week's issue of the Advance.

In looking over the year's work at the Timmins Business College (Gold Medal School) it is encouraging to find that the College has graduates employed in the United States, Montreal, Toronto, Sault Ste. Marie, as well as in the majority of the offices in the Town of Timmins and District. There is also at least one Timmins Business College graduate in every large mine office in this Gold Camp and some have as many as six employees.

The Employment Dept. of the Timmins Business College does all in its power to secure positions for its graduates and has proved most successful. At certain times there is less employment than others and it is in those times students should be preparing to accept positions when vacancies exist, as demands, when made, usually exceed the supply of graduates and "out-of-town employees" must be brought in. We, as well as Employers, much prefer that our own boys and girls prepare themselves for the office positions in their "own home town" and district.

The winter months are the best months of the year to study and prepare yourself. ENROLL NOW or make reservation for the WINTER TERM beginning Jan. 4, 1926.

Effective Address Proves Importance of Care of Teeth

Kiwanis Club Hear Dr. Fred. Conboy and are Greatly Impressed with his Presentation of the Case for the Public Health. Officers Elected for Ensuing Year for Timmins Kiwanis Club.

At the Kiwanis Club luncheon in the Empire Hotel Tuesday evening, commencing at 6.30, the members were greatly impressed with the thoughtful and helpful address by Dr. Fred Conboy, Director of Dental Services for Ontario, who was the speaker for the day. The Kiwanis at Timmins has been favored with many good addresses, but the one by Dr. Conboy is rightly considered as one of the very best.

There was a large attendance on Tuesday evening, the members being out in force for the event, and several visitors also being present. The members of the dental profession in the Camp were fully represented.

Dr. Conboy proved in logical fashion the great importance of the care of the teeth. Good teeth, he demonstrated, were the greatest asset for good health, and of the greatest assistance in preventing and combatting the ravages of disease. He gave striking figures which forcibly illustrated the immense improvement in health conditions in the Dominion through dental inspection in schools, and the high standard of efficiency attained by modern dentistry. He urged the co-operation of all citizens with the municipal and Provincial health authorities in establishing dental clinics in Timmins. He promised to visit Timmins again at an early date to assist in bringing the question further to public attention and securing the co-operation of all.

The speaker was introduced by Dr. Lee Honey. After his very able address a very hearty vote of thanks was moved by Dr. J. A. McInnis and seconded by Mr. Gordon H. Gauthier, expressing the sincere appreciation of the Kiwanis Club for the excellent address by Dr. Conboy.

Chairman Jos. Weston had provided a good programme, Violin and piano selections were rendered in very pleasing way by Messrs. R. R. Johnston, George Makin, A. Bell and W. H. Wilson.

Mr. F. P. R. Gallagher (Paddy), of Cochrane, sang a selection of

Italian Grand Opera, while Messrs. Karl Eyre and Ernie Fortin contributed humorous items.

The election of officers of the Timmins Kiwanis Club for 1926 resulted as follows:—
President—W. D. Cuthbertson.
Vice-President—S. Lee Honey.
Treasurer—W. S. Jamieson.
District Trustee—C. R. Murdock.
Directors—W. O. Langdon and Wm. Nicholson.

Mr. Geo. Murray won the attendance prize, and will preside at next week's meeting.
