Timmins and District Notes

Mr. Douglas Johnson, of Montreal, was a visitor to town last week.

Mr. Angus Campbell, of Cobalt, has been elected again to the executive of the O. H. A.

Mrs. Ross Way, of Hamilton, is visiting her parents, Mr. and Mrs. W. F. Richardson, for Christmas.

Cecil Tyacke, a Sudbury public school lad, won the Strathcona medal, awarded to the public school cadet in Ontario with the highest rifle score during the season. His average was 98 per cent. for the season's shooting.

Last week a heading in The Advance suggested that there was another "Skating" boom near Ontario. In this case the "Skating" should have been "Staking" but the intelligent compositor evidently thought a little typographical error like that did not cut any ice away.

This week the Fire Brigade had several runs, all made in the usual good time and with the usual good results. The blaze in each case was only a chimney fire and the Brigade saw that any danger was removed without damage being done.

Mr. Hee. McQuarrie is quoted as saying that the new Council is not much better than the old one. Hear this, several literal-minded people have solemnly said: "Why the Council is practically the same as it was before."

Mrs. F. J. Wolno and little son left last week for Montreal, where they will visit at Mrs. Wolno's old home until the New Year.

To-day (Thursday) there is a Sale of Aprons and Home Cooking in the Oddfellows' Hall, under the auspices of the Rebekah Lodge.

There will be a social evening held by the Caledonian Society, Schumacher, on Wednesday, Dec. 15th., in McIntyre Recreation Hall, commencing at 8.30 p.m.

"Honey through the Ages" is the heading of an article in The New Liskard Speaker last week. New Liskard folks are great on this "soft and sweet" stuff.

The next regular meeting of the Town Council is scheduled for Monday, Dec. 14th, 1925. The new Council does not take office until Jan. 1st.

With Monday as election day, Tuesday as Division Court Day, and Wednesday and Thursday as police court days, the week started out big and busy for the old town hall this week.

Rev. F. J. Baine, of South Porcupine, will preach at both services at the United Church, Timmins, on Sunday, Dec. 13th. Special music by the choir. Offerings for the Church Building Fund.

An open dance will be held on Monday evening, Dec. 14th, in the McIntyre Recreation Hall, Schumacher under the auspices of Schumacher L. O. L. No. 2975. Music will be provided by the Ramblers' Orchestra.

Sunday, Dec. 20th, the Band Concert in the Goldfields Theatre, after the church services, will be "Cornish Night," Cornish singers rendering Cornish songs, and Cornish carols being featured.

Large assortment of samples of Personal Greeting Cards for Christmas at Stadelman's Book and Music Store, Goldfields Theatre Block, Third Avenue, Timmins. Prices very reasonable. Have you given your order yet?

MANY KNOW OF THIS KIND OF OPTION ALL RIGHT

The Sault Daily Star has the following:-

"It won't be one of these Kathleen Mavourneen options," said Joe Whalen, in telling of a report that the Canada Mines Syndicate was looking at one of the properties of the Algoma Exploration Company. "There'll be cash in it."

"What's a Kathleen Mavourneen option?"

"You remember the old song. 'It may be for years, and it may be forever,'" said Joe.

NOVELTY NIGHT AT A.S.D. CLUB WEDNESDAY NIGHT

Next Week There Will be a Christmas Tree and Programme. Meeting on Dec. 30th.

There was a large crowd present last night for the Novelty Night put on by the A. S. D. Club in the Oddfellows' Hall here. The programme took the form of novelty dances. Among the specials which deserve mention was a Biscuit Dance, a Lucky Number Foxtrot and Ladies' Choice Foxtrot. The whole evening's entertainment was successful from every viewpoint and reflects the greatest credit on the committee in charge of the evening, Miss Birdie Hill and Messrs W. B. Andrews and J. M. Belanger. A Paul Jones made the usual hit during the evening. In the Lucky Number Dance the holders of the lucky number were Miss Rose Ayotte and Mr. Ted Whaley. The refreshments served during the evening were of the best and the music provided by the A. S. D. Club Orchestra was worthy of special mention. The Orchestra which now consists of four pieces shows great improvement each night and Mr. Ted Whaley is to be complimented on the splendid showing made.

The meeting next Wednesday evening will be a Christmas Tree. The committee in charge of this night's entertainment is Misses Nellie Studor and Mary Boyd and Messrs H. P. Shantz and A. W. Pickering. A draw was made at the meeting last night by the members, each buying a gift for the name drawn, and after wrapping and addressing same leaving it at the Clubrooms, or with some member of the committee. The evening will surely prove to be an enjoyable one and the members are requested to be on hand early.

Christmas week the Club have decided that no dance will be held, the Wednesday preceding Christmas falling on the 23rd, and there will be quite a number away, and the necessary preparations for the holiday would make it inconvenient for those remaining in town to attend. On December 30th the last meeting of the year, the Club will hold a Resolution Night. This evening will be a novel one, and an enjoyable time is assured all attending. The Committee in charge is Mrs. E. L. Urquhart, Messrs J. Jacobs, E. L. Urquhart and C. G. Pirie.

After the new year it is expected that the Club will move to their new quarters in the new I. O. O. F. Hall, which will be a distinct improvement over those now occupied. Further information on this will be given later.

JOHN R. BOOTH, FAMOUS LUMBERMAN, DEAD AT 98.

John R. Booth, Canada's famous lumber king, died at his home in Ottawa on Tuesday afternoon, at the grand old age of 98 years. The late John R. Booth by energy and ability, built up a fortune of many millions, and from a poor boy rose to take a place among the great people of the world. Death was due to old age. He enjoyed good health and vigour until a couple of months ago, and preserved his wonderfully keen faculties until the last. The late J. R. Booth had many interests in this North Land, and many personal friends here also both among the rich and those not so well attended in this world's goods.

The Booth fortune is estimated to be worth around thirty million dollars. Most of this was made from lumber, but railway and other deals proved profitable in the astute hands of J. R. He helped out the Canada Atlantic when that railway was in difficulties, and is said to have sold his interests in that venture for over \$14,000,000.

A granddaughter of the late Mr. Booth married Prince Eric of Denmark.

DEATH OF COL. McALPINE'S FATHER AT LINDSAY, ONT.

The many friends made here by Col. C. D. H. McAlpine will extend sincere sympathy to him in the death on Sunday of his father, Dr. John McAlpine, at Lindsay, Ont. The late Dr. McAlpine was in his 76th year, and was a native of Glencoe, Ont. He was a son of the late Capt. Malcolm McAlpine. For over forty years Dr. McAlpine was a practising physician at Lindsay, where he was an outstanding figure in his profession and a doctor beloved by the people of the town. He was a big man, in frame, in mind and in heart, and he will be specially missed in Lindsay and district. For over 30 years he was Medical Health Officer for the Town of Lindsay. In politics he was a staunch Conservative, but with wide circles of friends in other ranks because of his fairness and broadmindedness. He was a member of the Presbyterian Church, and in general a man of the highest standards of life. He married Miss Eliza Hughes, a sister of the late Major-General Sir Sam Hughes and a daughter of the late John Hughes, who survives him. In addition to his widow there are left two children, Mamie, wife of W. McClellan, manager of the Bank of Nova Scotia, Windsor; Lieut-Col. C. D. H. McAlpine, of Toronto and Captain Bernard McAlpine, an adopted son, who resides in the Township of Ops.

LEAVING THE PLACE THE SAME AS HE FOUND IT.

The following from The Thrift Magazine will remind some Timmins people about a dispute here some years ago that came close to being famous:—A Philadelphia man called up a bird-store the other day and said: "Send me 30,000 cock-roaches at once."
"What in heaven's name do you want with 30,000 cock-roaches?"
"Well," replied the householder, "I am moving today and my lease says I must leave the premises here in exactly the same condition in which I found them."

MR. T. J. McGRATH REPORTED AS SEEN AT GOWGANDA

There was a report this week in town that Mr. T. J. McGrath, who disappeared from his home at Timmins on Sept. 28th, was seen last week at Gowganda, Ont. A man formerly resident here believed he saw Mr. McGrath at Gowganda, but the authorities are inclined to believe that it is a case of mistaken identity, though every effort is being made to follow up this clue, as well as all other evidence that may by any chance lead to the discovery of the whereabouts or the fate of Mr. McGrath. Mr. McGrath left his home at an early hour in the morning of Sept. 28th, and since that time no clue as to where he went or what may have happened to him has been discovered. The police and his relatives have carried on a careful and persistent search for two months but without result. A number of apparently promising clues have been followed up, only to turn out to be without foundation. It is feared that the report of the missing man being at Gowganda is only another clue that will prove barren of results, but no chances are being overlooked, and the report is accordingly being investigated very thoroughly and very carefully. Some weeks ago circulars describing the missing man, together with a good photograph of him were sent all over the country, and other plans were tak-

en to locate the missing man. Mr. McGrath had many friends, all of whom are anxious for his safe return home.

Friday evening this week is "Bachelors' Night" at the Caledonian Society meeting in the Hollinger Hall. All Scots and Scotswomen will find it a "guid night." The programme is being arranged by a committee of the bachelor members.

ASTHMA HEAD and BRONCHIAL COLDS
