SPECIAL CONCERT ON  
SUNDAY EVENING, DEC. 13

For Benefit of Injured Football  
Players. Good Programme  
Assured

On Sunday evening, Dec 13th, in  
the Goldfields Theatre, after the  
church services there will be a grand  
concert by local talent. The pro-  
gramme will be a particularly good  
one, as a number of leading artists  
are expected to take part. There  
will be vocal and instrumental num-  
bers and other items of special inter-  
est. Mr. Jas. Geils is directing the  
event, so the excellence of the pro-  
gramme may safely be taken for  
granted. There will be a collection  
taken at the door, this to go for the  
benefit of football players injured  
during the past season. The concert  
will be an attractive one, and all  
should attend to aid in the benefit  
collection for the injured football  
players.

ONLY SIX ELECTIONS IN  
HISTORY OF THE TOWN

In the fourteen years of this Town's  
existence, there have only been six  
elections to fill municipal offices, the  
other years the offices being filled by  
acclamation.  
For the years 1919, 1921 and 1926  
it was necessary to have elections for  
both Mayor and Councillors. In  
addition in 1916, 1922 and 1924 there  
were elections for Councillors only,  
the Mayor being elected by acclama-  
tion in each of these years.  
In 1919 Dr. McInnis had his first  
contest for the Mayoralty, winning  
by 25 votes, there being only 235 vot-  
ing for Mayor, the Town then being  
small. The second Mayoralty con-  
test, 1921, gave the Doctor 117 Major-  
ity in a total of 389 for Mayor. The  
third mayoralty contest in the history  
of the town was the one this week, for  
1926, the total vote cast for Mayor  
being close to 1800.  
Some were under the impression  
that a record was made this year in  
the number of candidates for Council.  
This is not a fact, there having been  
twenty candidates for Council in the  
1923 election.

LADIES BOWLING CLUB  
PLEASANTLY ENTERTAINED

On Tuesday afternoon of this week  
Mrs. I. K. Pierce entertained the  
Ladies' Bowling Club at her home,  
and the afternoon was a very pleas-  
ant one. Mrs. M. B. Scott assisted  
Mrs. Pierce. The four captains of the  
teams in the Ladies' Bowling Club  
are:—Mrs. Fogg, Mrs. Porter, Mrs.  
Scott and Mrs. Miller. Mrs. Fogg's  
team came high for the first series.  
In the individual bowling Mrs. Scott  
came first and Mrs. Pierce second.  
There is the greatest interest being  
taken this season in the Ladies' Bow-  
ling Club.

Two drug stores in Cochrane some  
days ago were fined \$2,000.00 each for  
breach of the Ontario Temperance  
Act and the same week a private in-  
dividual in the town paid \$500.00 and  
costs for the breach of the same Act,  
the fines thus totalling \$4500.00 for  
the one week.

The restaurant at Englehart Station  
was taken over again by Mr. A. Stev-  
ens who will conduct it in future.  
Mr. D. W. Porter, who was recently  
in charge, has left Englehart, his  
staff accompanying him.

Patience is bitter but its fruit is  
sweet.

The City of Happiness is in the  
State of Mind.

South Porcupine Dramatic  
Club Score Great Success

"Adventures of Grandpa," Enjoyed by all. Bachelors'  
Insomnia Club Give Delightful Sleepless Night, all  
Right. Officers Elected for Eastern Star Lodge.

South Porcupine, Dec. 8th, 1925.  
Special To The Advance.  
Mr. T. J. Wright has returned from  
a trip to Montreal.  
A son was born to Mr. and Mrs.  
Jas. Dogue at the Davidson Mine on  
Wednesday, December 2nd.  
The school at Golden City is being  
renovated and an extra lining of wall-  
board being put on the interior. When  
finished this ought to be the coziest  
school of its size in the North Coun-  
try.

One of our popular young ladies  
surprised some of her friends by the  
flashing of a handsome new diamond  
on her ring finger during the past  
week. More news later.

On Wednesday evening Mrs. Donald  
Frood entertained at bridge in honor  
of Mrs. McKelvie, who has been  
visiting Mr. and Mrs. F. Dowzer.  
Mrs. Stanley Pearce won the first  
prize and Mrs. H. Wilson second. Al-  
though only a few of her most inti-  
mate friends were entertained every-  
one reports this as one of the happiest  
little bridge teas of the season. There  
was a special gift prize for the guest  
of honor. Mrs. McKelvie intended  
leaving for her home in New Liskeard  
this week, but owing to the illness of  
Mrs. Dowzer's mother, Mrs. Rapsey,  
Sr., she is remaining somewhat longer.

Mrs. Jas. Devine and family, Ar-  
thur, Rose, Violet and Cecilia, left on  
Monday of this week for Detroit,  
there to make their future home. The  
young people will be greatly missed  
especially in musical circles, where  
they usually took an active and very  
acceptable part. We all wish this  
very popular trio of young people,  
their parents and little Cecilia, pros-  
perity and happiness in their new  
home.

Mr. Geo. Cole, Mining Inspector, ar-  
rived home on Wednesday from Win-  
nipeg, where he attended the Great  
War Veterans' Convention.

The Chisholm Construction Co. have  
finished their contract at the Dome  
dam and were moving their camp out-  
fit, machinery, etc., away last week.

Misses Del. Craig and Imelda Pilon  
of Iroquois Falls, attended the Bachelors'  
Ball on Thursday night.

Mr. and Mrs. Doug. Warren of Con-  
naught, came up to see "The Adven-  
tures of Grandpa" on Wednesday  
night.

Mr. Charlie Langlois, of the Chis-  
holm Construction Co., left on Satur-  
day for his home at River Beaudette,  
Quebec, for a few days' visit before  
going to the Company's headquarters  
at Cornwall, Ont.

The Comedy put on by the South  
Porcupine Dramatic Club on Decem-  
ber 2nd, in the Majestic Theatre was  
a remarkable success. We were told  
beforehand that there was a laugh  
in every line of "The Adventures of  
Grandpa," but, there was not only  
that, but a great many between the  
lines and the make-up of some of the  
actors was so good that there was  
laugh after laugh without any lines.  
Mr. Wm. Lowery, the director of the  
play, showed wonderful judgment in  
placing the talent at his disposal, for  
each actor and actress seemed to fit  
exactly into his or her part. Mr. Geo.  
Starling as "Grandpa" brought many  
a peal of laughter from the audience  
and we doubt if a professional actor  
could have handled this part one  
whit better; Jim Fell, as "Monte,"  
his grandson, was always ready with  
a way out of each emergency and Fred  
Mason as "Tod Hunter," his chum  
and college pal, a young dancing  
master, but erstwhile a disgruntled  
cook, acted well the part, while Art  
Devine as "Officer MacCormack"  
was always "On Duty," although not  
an apt judge of small-pox pustules,  
Miss Violet Devine as, Kloompie,—  
just out from Copenhagen,—introduced  
many a comic element and altho'  
threatening to "yump her job," stay-  
ed till she had a chance to "spill her  
beans" about Lucy Hunter, "our little  
wife," quaintly and demurely acted  
by Miss Isobel Arbour. Miss Han-  
son as the newly-rich Mrs. Pansy  
Hopscotch, found everything very  
"fat-ig-ew-ing," while Miss Velma Ar-  
bour as Dorothy May, her companion,  
who had run away from Liskeard and  
Monte, acted the part with a pert  
snappiness and pep that pleased every-  
body. Rosemary Devine made a very  
dainty Parisienne in her role as the  
French dancing instructor. The next  
play to be presented by this club is  
"My Irish Rose" and will be given in  
about six weeks' time, and judging  
by the appreciation their first attempt  
received and merited we predict that  
anyone wishing to get a seat will have  
to be there early. Between the acts  
Mrs. Dr. Barry gave one of her much-  
appreciated soprano solos and had to  
respond to an insistent encore. Mr.  
Max Smith was received with hearty  
applause and sang first "Lighterman  
Tom," then responded with "The

Deathless Army." A double quar-  
tette from the Dome gave a splendid  
rendition of "Come Where the Lilies  
Bloom." The augmented Porcupine  
Juvenile Orchestra gave several of  
their snappy selections before the cur-  
tains went up. The public are cer-  
tainly indebted to Mr. Lowery and the  
Club for putting on such entertain-  
ments. The next play is to be for  
themselves for funds for costumes,  
scenery, etc. After that another will  
be given for some charitable cause.  
We understand a goodly sum was ad-  
ded to the Building Fund of the new  
Anglican Church from "The Adven-  
tures of Grandpa."

W. T. Mitchell, of Iroquois Falls,  
was in town for the dance Thursday.  
Miss Annie McLellan, sister of our  
Postmaster, left on Monday en route  
for Boston, there to visit her sister,  
Mrs. Daegle, after a pleasant three  
weeks' visit here.

Miss Muriel Kingston of Iroquois  
Falls visited friends here and took in  
the Bachelor's Ball.

Dr. Roy Sims, of Ansonville, was a  
business visitor in town during the  
past week.

Mr. Cyril Starling, of Kirkland  
Lake, is spending a few days in town  
visiting his mother, Mrs. A. E. Star-  
ling.

Are you getting ready for the Fire-  
men's New Year Ball? They are pre-  
paring to give you the best time yet  
and the tickets will soon be on sale.

The Bachelors Insomnia Club held  
their first Ball in the New School Hall  
on Thursday evening. There were  
about one hundred and thirty couples  
present, a large number coming in  
from Schumacher and Timmins. The  
Rambler's six-piece orchestra of Tim-  
mins supplied the best of music and  
everybody had a jolly time, there be-  
ing many real insomnia artists among  
the guests, and everybody was happy  
till well on into the wee sma' hours,  
and thought that the Bachelors of the  
Camp surely were wide-awake when  
they thought of putting on this Ball.  
The originators of this type of insom-  
nia we believe were Messrs. Joseph  
Rutherford and A. Anderson. The  
patronesses for the dance were Mes-  
dames Dowsett, Doelle, D. MacPhail,  
Barry and M. D. Colborne. This Club  
of wide-awake Bachelors intend put-  
ting on another Ball around January  
14th.

Mrs. W. A. Gagnon has a visitor,  
her sister, Miss Ivy Whitehead, of  
Cobalt.

D. N. Thompson of the Pilsworth  
Estate arrived home Sunday evening  
after attending the funeral of his  
sister, which was held in Toronto on  
Wednesday.

Miss Nettie Armstrong, of Cochrane,  
stenographer to Crown Attorney  
J. M. Greer, was in town last  
Tuesday taking the evidence of the  
inquest of the Finlander who was  
killed on the Dome Road.

On Tuesday Dec. 1st, the following  
officers were elected in Porcupine  
Chapter No. 84, Order of the Eastern  
Star: Worthy Matron, Mrs. H. Grew-  
coe; Worthy Patron, Mr. Buck; As-  
sociate Matron, Mrs. Geo. Rowe; Con-  
ductress, Mrs. J. Costain; Associate  
Conductress, Mrs. J. McCaffrey; Sec-  
retary, Tom Fell; Treas., Mrs. R. Wal-  
lace; Auditors, Mr. W. H. Johns,  
Mr. E. J. Mason and Mrs. N. Henry.  
The following appointments have  
been made for the ensuing year:—  
Ada, Mrs. J. Fell; Ruth, Mrs. A.  
Yeomans; Esther, Mrs. H. Boyle;  
Martha, Mrs. H. Hall; Electa, Mrs.  
H. Hodgins; Chaplain, Mrs. H. Blood;  
Marshall, Mrs. C. S. Watt; Sentinel,  
Mr. E. J. Mason.

Mrs. Douglas E. Ringslev, of Tim-  
mins, is this week the guest of her  
sister, Mrs. C. Sharpe.

We are sorry to hear of the illness  
of Constable Brooks, who is threaten-  
ed with pneumonia, and hope he will  
soon be around again.

Mr. Johnston arrived on Monday  
from Michigan to visit his brother,  
Geo. D. Johnston, M.E., of the An-  
kerite, who is ill with pneumonia,  
but is making good recovery.

The regular meeting of the Home  
and School Association will be held  
in the Public School on Wednesday,  
Dec. 16th. Prizes will be awarded to  
Miss Belanger's room for writing,  
also a prize will be given each to  
Miss Roney's Class and to Miss  
Michaelson's Class for the pupil that  
has shown the most improvement in  
his or her writing since September.  
Several questions of community in-  
terest are to be discussed.

The annual report of the Haileybury  
Fire Chief shows only 15 fires in that  
town in the past year. The total  
damage was \$4,170.00. The value of  
the buildings involved where fire  
occurred was \$37,900.00, and this fact  
again shows the value of a fire de-  
partment in protecting property.

AUTOS BADLY DAMAGED  
IN COLLISION SUNDAY

Two autos were badly damaged  
Sunday evening in a collision on the  
road between the town and the Hol-  
linger. One of the cars was driven  
by Mr. Webster of the Dome and the  
other by Mr. Tierney, taxi driver, Tim-  
mins. The latter was returning from  
Schumacher, and on meeting the other  
car turned out about as far as the  
road would allow. Mr. Webster,  
however, did not see the other car in  
time, on account of the turn in the  
road, and before he could get his car  
adjusted to avoid a collision, the col-  
lision had occurred. Mr. Tierney's  
car was swung across the road by the  
passing roadster hitting against one  
of the fence posts and knocking it to  
an angle like the leaning tower of  
Pisa. The roadster had one of the  
front wheels almost torn off by the  
impact of the two cars, but the car  
went some little distance before it  
too landed up against one of the posts.  
The front of Mr. Tierney's car was  
badly damaged, the radiator being  
injured and other serious damage  
done. Mr. Webster's roadster was  
also considerably injured. Fortu-  
nately neither of the drivers were hurt  
in the collision. Some one noting  
the accident notified the Schumacher  
Police Station, thinking the acci-  
dent was out of the town. Officer  
Cushing responded to the call, and  
later notified the Timmins Police  
Station the scene of the accident be-  
ing inside the town.  
Police investigation suggested that  
it was not a case for the police, the  
collision being purely accidental, and  
Mr. Webster saying that so far as  
anyone was responsible he accepted  
the onus. The damaged cars were  
brought to the Timmins Garage for  
the badly-needed repairs.
