

Closing Exercises Friday at Schumacher Public School

Christmas Presents From Mr. F. W. Schumacher. Small Fire at Schumacher. Driver's Leg Broken in Runaway Accident. Other Schumacher News Items.

Schumacher, Ont., December 16th, 1925. Special to The Advance.

The real estate business promises to be very brisk after the opening of the New Year. Two transfers of property were recorded quite recently. Mrs. Robar disposed of her dwelling on Second Avenue to Mr. W. Wardley, and Mr. James Keene sold his home on Third Avenue to Mrs. Robar.

Mr. Tupper Campbell, an employee of the McIntyre Mercantile Company, and one of the popular young men about town, has joined the ranks of the happy benedicts. He chose as his life partner a very estimable young lady in the person of Miss Davis, of Schumacher. The ceremony was performed very quietly in Timmings on Saturday, December 16th. The young

couple will reside in town, and have the best wishes of a host of friends.

Miss Margaret Elley is convalescing after her recent illness.

Many pupils and parents attended the exercises in Timmings High School on Friday, 11th inst.

The Fire Brigade made a quick run one night last week in response to a call from Second Avenue. Fortunately it was but a small fire and was soon extinguished. Arrangements have been made by which one of the police officers, who is on station duty, has the fire-truck out ready for the fire-fighters and they are off to the danger scene without delay.

James McKenzie, an employee of the Schumacher Bakery Co., was the victim of a serious accident a few days ago, when the horse that he was driving became frightened near the depot, and running away threw the unfortunate driver from the vehicle breaking his leg. "Jim" is a civil, industrious young man, and although the accident is regrettable, his many friends will be glad to hear that he is making satisfactory progress towards recovery.

Mr. Lunan, of Montreal, is ill at the home of his daughter, Mrs. James Kent, Second Avenue.

Rev. C. Armstrong Sales, who has been confined to his home through illness, during the past fortnight, has recovered sufficiently to resume his duties and occupied the pulpit on Sunday evening. We are pleased to report his restoration to health.

A visitor arrived at the home of Mr. and Mrs. F. Corris on Tuesday, Dec. 8th.—a baby son. Congratulations.

Mr. W. P. Olton, New Ray Mine, is ill.

Mrs. Adamson visited friends in South Porcupine last week.

Closing exercises will be held in the School on Friday afternoon, Dec. 18th. There will be a Christmas Tree and programme in each room. A gift from Mr. F. W. Schumacher, of Columbus, Ohio, will be presented to every pupil in attendance. A cordial invitation is extended to parents and friends.

The Ladies' Auxiliary of the United Church held a very successful Bazaar on Saturday, Dec. 12. The booths were artistically decorated and well laden with finely made needlework, confectionery and home-cooking. A novelty booth also helped to swell the proceeds, which were quite satisfactory. Afternoon Tea was served. The lucky winners of the quilts donated by Mrs. F. Gilbert were Mrs. Jones of New Ray and Mrs. R. Williams of Schumacher.

The members of the Ladies' Auxiliary are to be congratulated on the success of their work on behalf of the church during the whole year.

We regret to report the illness of Miss Elsie Corrigan who is at present a patient in the Hospital at Timmings.

Mr. Logan, of the Engineering Staff of McIntyre-Porcupine Mine, left recently for Sault Ste. Marie, where he has secured a more lucrative position.

The Teachers of the Public School entertained a number of friends at the Residence on Saturday evening.

Missionary meetings are conducted every Wednesday and Sunday evening at the home of Mr. H. Elley, by Mr. Busby of Timmings.

Nurse McLeary was at the Dome Extension during the past week.

A tragedy almost occurred on Wednesday, 9th, inst., at the home of Mr. A. Maki, on Second Avenue. The occupants upon awakening in the morning, discovered the house filled with gas from a defective stove, and every inmate in a very weakened condition. Prompt measures were taken to relieve the situation and the family are congratulating themselves upon their narrow escape.

Jack Leng, son of Mr. and Mrs. H. Leng received a fountain pen, and a gold pencil, for deportment and general proficiency during the year at Timmings High School. Congratulations.

"The Chantant," under the auspices of the Senior Choir, will be held in the basement of Trinity United Church, Schumacher on Saturday, Dec. 19th. Sale of Home Cooking and Needlework. Tea will be served from three o'clock.

"THE TEN COMMANDMENTS" BROKE LONG RUN RECORDS

The picture which broke all long run records at road show prices is coming to the Goldfields Theatre next week when Cecil B. DeMille's production of "The Ten Commandments" opens a four days engagement there at popular prices. Playing the "two-day" in New York City, it broke the record of 59 weeks which had been held by "The Covered Wagon," remaining at capacity business for 60 consecutive weeks. "The Birth Of A Nation" was only able to last 44 weeks on Broadway, while "Way Down East," "The Four Horsemen," and "The Thief Of Bagdad" held up for a lesser period. About five million people have seen this remarkable picture since it was first shown at a two dollar sale.

In Los Angeles it held up for 31 weeks, Chicago and Philadelphia 20, Boston 14, San Francisco and Cleveland 8; while in Detroit, Washington and Cincinnati it played 5 weeks. Sidney, Australia, played host to it 30 weeks as did Melbourne; while Paris and Auckland, New Zealand greeted it enthusiastically for 10 weeks. Berlin, as impoverished as it was at the time, played the picture for 4 weeks, with the best seats selling five dollars each.
