The next regular meeting of the Town Council is scheduled for Monday afternoon of next week.

The Haileyburian last week says:—"Mrs. Clifford Ferguson, who has been visiting her parents in North Bay, stopped off in Haileybury over the week-end."

There will be general regret at the fact that Mr. J. B. Pare has been confined to his home through illness, but all will be pleased to know that he is now well on the way to complete recovery.

Work is now in progress making alterations and improvements in the Hotel Goldfields building, which is hereafter to be used for stores, offices and apartments. A new front is being given the building.

Councillor Lendrum, of Cobalt, has announced that he will be a candidate for Mayor of that municipality for the coming election. Nominations at Cobalt are on Monday and elections on the following Monday.

The first annual Christmas Ball by the O. Y. B. Club will be held Christmas Night (Dec. 25th), in King's Hall. The Ramblers Orchestra will furnish the music and a pleasant evening is assured to all.

Next Sunday evening, Dec. 27th, at the United Church, the Minister, Rev. J. D. Parks, will begin a series of sermons on "Spiritual Truths in Mining Terms." The first in the series in a New Year's message—"Prospecting."

Mr. N. J. Kent has left Timmins for Cornwall, England, for a few months' holiday with his wife and family. His many friends here will wish him a pleasant trip and hope to see him back in Timmins in a few months' time, as he is very popular here.

Many friends will be pleased to know that Mr. Frank J. Curnow this week is considerably improved in health. For some weeks past he was seriously ill at his home here, but there is decided improvement in his condition this week, though it will be a couple of weeks before he will be able to be out and around again. Wishes for his early and complete recovery are very many and very sincere.

President P. McCool, of North Bay, visited Timmins this week in charge of the North Bay Junior Hockey team—the Trappers. Mr. McCool explained that his lads from the Bay had practically no practice yet this year, but would show up better as the season went along. He was well pleased with the result of the match here, and had good words for the Timmins team.

Once more it may be noted that all communications sent in to a newspaper office should be signed, not necessarily for publication, but as an evidence of good faith. This week The Advance received a letter referring to the giving of presents at Christmas time. As there is nothing to suggest to The Advance the origin of the letter, and as the views expressed are not those of The Advance, the ideas go unrecorded in these columns. The writer of the letter in question or anyone else has a perfect right, of course, to the views held, but has no excuse for expecting anyone else to father those views.

Mr. Peter Williamson, of Cochrane, Ont., was a visitor to town this week.

Mr. A. Brazeau is spending the Christmas season at his home in Ottawa.

Miss M. Foster left on the morning train to spend the holiday season in the south.

Mr. J. K. Kennedy left this morning for a two weeks' visit to his old home at Ottawa, Ontario.

Mr. D. Murphy left on Tuesday morning to spend Christmas in Ottawa.

Mr. and Mrs. S. G. Eplett are spending Christmas at the old home town of New Liskeard.

Mr. Sydney Craik of Cobalt joined the Timmins police force, and is on duty nights this week.

Last week North Bay milkmen raised the price of milk in that city to 14 cents per quart.

Mr. and Mrs. J. T. Doucet, and little son, of North Bay, are spending the holiday season in Timmins.

Mr. Wm. Weir, who has been a member of the staff of Sullivan and Newton for some time past, left on the morning train for the south.

PICK OF SOUTH PORCUPINE CURLERS WIN AT TIMMINS

A battle royal was staged on Saturday night at the Timmins Curling Rink when a rink comprising the pick of South Porcupine defeated a rink of Timmins Curlers by good margin. The rink from the South End consisted of Dr. Sullivan, Wm. Pearce, Jas. Boyle and Skip Geo. E. Cole. The Timmins Rink, which was defeated, consisted of Col. Murdie, E. Bolger, Hee, Montgomery and Skip J. E. Grasset.

INTERESTING ADDRESS BY I.B.S.A. LECTURER

There was a fair sized audience at the Goldfields Theatre on Sunday afternoon for the lecture on the "Rehabilitation of Palestine," the lecturer being Mr. W. Sargeant, of the lecture staff of the International Bible Students Association. Mr. Sargeant proved a capable and eloquent speaker and his address was listened to with great interest, even by those who did not accept all his conclusions. The speaker looked upon the return of the Jewish people to a home in Palestine as a very evident fulfillment of Bible prophecies regarding the Millennium. He referred also to peace and war and kindred topics, urging that all wars and rumors of war are also but the fulfillment of the prophecies and but proofs of the Millennium period.

IT WAS ANOTHER MAN WHO LAID THE THEFT CHARGE.

Writing last week from Arnprior, Mr. John Kilgour points out that he was not the person laying the charge of theft against A. Carpenter in connection with a dispute over the ownership of a dog. In its police court news The Advance gave the name of the complainant in the case as "John Kilgour." This was incorrect the complainant being W. Kilgour. As Mr. John Kilgour points out, The Advance ought to be more careful in using people's names in police court news. A lot of folks feel that way about it. The Advance does the best possible, and keeps the number of errors down to a minimum. The trouble however, is that there is a kick naturally if the wrong name is used by accident, and a bigger kick sometimes if the right name goes in.

New Shampoo —No Rinsing

Rinsing is bad for the hair. Hard water takes the life and color out of hair. Now, at last, rinsing is done away with. New-type shampoo—Cleero—contains no harmful ingredients. Washes hair with a substance that is good for the hair. Volatile action of the foam rolls dirt to the top. Wipe off with towel and scalp and hair are perfectly clean—hair rich in natural color and lustre. Try it on our recommendation. Regular price 60c.
