

NOTICE-L.O.L. 2552

A Special Meeting of the Loyal Orange Lodge will be held in the Orange Hall, corner of Spruce street and Kirby avenue at seven thirty (7.30 p.m.) on Friday evening, Jan. 1st, 1926. All Orangemen are requested to attend.

CURLING CLUB ANNUAL FEES NOW DUE AND PAYABLE

The annual dues for the Timmins Curling Club have been set at \$15.00 again this year. These fees are now due and payable and members who have overlooked the matter should send cheque to cover the amount to the Secretary, or if more convenient leave the fees at the rink with proper official.

SUDDEN DEATH OF MR. P. BURKE ON WEDNESDAY

Well-Known Resident of the North Land Passes Away Unexpectedly From Heart Trouble.

There was very general and sincere sorrow last week at the news of the sudden and unexpected death on Wednesday afternoon last of Mr. Patrick Burke, one of the well-known men of the North Land. During the past eight years or so the late Mr. Patrick Burke has resided in the Porcupine Camp, following his business of lumbering. During his residence in Timmins and district the late Mr. Burke made many friends by his pleasant disposition and his sturdy character.

For some time past he has been residing at the Queen's Hotel, and was apparently in his usual health on Wednesday. After lunch he went to his room, as was his usual custom, and later he was found to have passed away. Death was due to an attack of heart disease.

The late Mr. Burke was a native of Troy, N. Y., but came to Canada when about fourteen or fifteen years of age. He had followed lumbering for a number of years and was on the staff of the Mattagami Pulp Co., when that concern was in active operation in this district. He was also at one time with the Northern Canada Power Co. as construction foreman. At the time of death he was about fifty-five years of age.

The late Mr. Burke was a faithful member of the Catholic Church and a valued member of the Timmins Council of the K. of C. He was held in esteem by all who knew him. The funeral took place on Christmas Day to St. Anthony's church at Timmins where service was held and the body then taken to the T. & N. O. station for shipment to his old home near Renfrew, Ont., where interment was made near the last resting place of his wife who predeceased him some years ago. Among the near relatives surviving are two daughters, Mrs. J. E. Sullivan, of Timmins, and Miss Chan Burke, formerly of Timmins but now of New York, N. Y., and two sons, Thomas, of Chelmsford, and Patrick, of Renfrew County, Ontario. To these and to the other relatives and friends the sympathy of all will be extended at this time.

At the annual meeting of Cochrane Town Conservative Association, Mr. A. V. Waters was elected president, and Mr. D. W. Cameron, secretary-treasurer.

New Fire and Building Bylaw Adopted by Town Council

Chief Changes Include: New Fire Limits, Regulations Relative to the Construction of Walls in Permanent Buildings, Rules in Regard to Garages, and Restrictions on the Burning of Rubbish, etc.

The fire and building by-law (No. 304), as passed by the Town Council on Monday afternoon follows the general provision of previous by-laws, with one or two important changes or extensions. The new by-law is altogether too long for reproduction in full, but a summary of its general provisions may be given here-with:-

Hereafter, all new roofs must be constructed of slate, tin, zinc, sheet iron, or tar and gravel roofing of the kind known as "Barrett's Specification," or any 3-ply asphalt or asbestos roofing material. Where zinc, tin or sheet-iron is used there must be at least one ply of 14-ounce asbestos between roofing and lumber.

There are two fire limits, A and B. Fire Limit A includes the main business blocks of the town.

In Fire Limit A no wooden veneer buildings may hereafter be erected, except in the case of some specified one-storey buildings and for private garages. All buildings generally must be of brick, stone, concrete, tile, or concrete block. Special regulations are made for the type of construction. All chimneys must be built from the ground up. No person shall keep more than 15 cords of four-foot cord wood, or an equal quantity of wood of other length, on any one lot in Fire Limit A.

In Fire Limit B, where wooden frame is used it must be veneered with asbestos shingles, brick veneer, felt shingles or wall covering approved by the building inspector.

Special restrictions are made as to wall thickness and construction in both fire limits. Chimneys are all to be of brick or stone, eight inches at least in thickness on all sides, unless lined with tile piping, in which case the stone or brick work shall not be less than four inches in thickness on all sides.

Provision is made for the safeguarding of the people by making it compulsory to have suitable iron ladders on all buildings three or more stories in height.

The following general provision, applicable to the whole town, should be read and noted by all:—"No person shall within the hours of 5 p.m. and 6 a.m. set fire to or burn any shavings, chips, straw, rubbish, or any other combustible material in any street, square, lane or other public place in the said town, nor within enclosure, yard or garden, within one

hundred feet of any building, nor at any other time without permission from the Fire Chief; and such shavings, chips straw rubbish or other material must be placed in a proper metal container before being set fire to." Special exception is made to this section, however, for blacksmiths in the regular course of their business who are permitted to "carry on" under certain restrictions.

There are special sections dealing with the keeping of powder, gasoline, etc., etc.

In regard to garages, some of the provisions of the new by-law are as follows:-

Private garages constructed of metal, with earth, concrete or cinder or crushed rock floor, to contain not more than two cars, are permitted in any part of the town. In fire limit B, such garages may be on wooden frame, except as to flooring.

"No building within the Town of Timmins limits shall be sheeted, covered or re-covered with tar paper," says the by-law.

The penalties for infraction of any section of the by-law are to be not less than \$5.00 nor more than \$50.00, with costs.

This particular clause in the by-law should be specially noted by all concerned:—"No building operation shall be begun, undertaken or carried on within the Town of Timmins unless and until a plan of the proposed building operations, together with complete specifications and detail, and a written application seeking a permit for the proposed building operations, has been first submitted to the building inspector, or the person acting as such for the time being, and a permit has been issued by him. The said building inspector, or the person acting for him for the time being shall not issue any such permit, nor permit the continuance of any building operations until he has satisfied himself that such building operations are in conformance with the terms of this by-law."

In other words, every building operation of any kind must be preceded by the securing of a permit. The Town Engineer's Department will give any information required, and all the person desiring to build or extend or improve a building already erected is to consult the Town Engineer as to the fire and building by-law requirements.

SAFE FOR CHILDREN WILL NOT GRIPE

Give your children a dose of Par-ol once or twice a week to prevent Constipation. Children take it willingly, because Par-ol is tasteless. There is only one Par-ol—it genuine Russian Mineral Oil of heavy specific gravity and it costs no more than inferior Oils.

Sold by Goldfield's Drug Store Timmins, Ont.

Mr. W. T. Charlton of Waterville, P. Q. restored his frozen feet to health after doctors had advised him to have them amputated because mortification had set in. Use Egyptian Liniment also for Cuts, Burns, Scalds, Bruises, Chubblains, Sore Throat and Chest, Neuralgia, etc.

DOUGLAS' EGYPTIAN LINIMENT AT ALL DEALERS DOUGLAS & CO. MANUFACTURERS, NARVAE, CAN.

WANTED A MAN

Who would like to earn more wages next year. There is no excuse for any man to stay in the old rut or say "I never had a chance." There are over 270,000 motor cars in Ontario, besides hundreds of thousands of gas engines. The steam-boats and railways are installing internal combustion engines, and automotive and gas engineers are wanted everywhere. Our Free Employment Department will assist you to secure work when you finish your course. We have a plan whereby you can earn while learning in our big shops. We also teach the barber trade in our big, light sanitary barber schools, giving you full instructions and a world of experience and practice, paying you a percentage on every dollar you take in. This helps you considerably. Barbering is a nice, clean, pleasant inside trade; the wages are good and there is a big demand for barbers. Do not hesitate. We also teach mechanical dentistry by experts, in our laboratory, which is managed by a competent, licensed dentist. Owing to the great demand for builders, we have installed a brick-laying and plastering school, where you can learn these trades in a short time. Jobs are waiting at \$10.00 to \$15.00 per day. Make your application to-day, naming the trade you would like to learn. Hemphill Trade Schools, 163, King St., W., Toronto. -51

The Foundation

EVERY fortune has had a foundation. Every foundation, in the first instance, is laid with the first few dollars saved.

Start to save now and lay your foundation. Save seriously—save consistently. For money in the Bank is the buffer against misfortune and the barometer of future prosperity.

Sufferer from Chronic Constipation and Headaches Finds Only Cure in Dr. Watson's Tonic

Up to about nine months ago, I was so run down in health that I began to despair of recovery. I suffered constantly from constipation and headaches. I lost all faith in medicine, as any relief I got from them was only temporary. A friend of mine who had experienced similar troubles to my own recommended me to try Dr. Watson's Tonic, as it had cured him of his troubles.

I commenced taking it forthwith and am pleased to bear testimony to its wonderful efficiency. I am clear of headaches, my bowels move regular, my appetite is good, and I owe it as a duty to myself and my fellow-sufferers to recommend its use.

Very respectfully yours, (signed), JOHN T. METCALFE, 829 Ontario St., Toronto

RAID MADE TUESDAY NIGHT AND LIQUOR PLANT SEIZED

Chief Greer and some of his staff, accompanied by Provincial Officer Finger made a little raid on a house in the Mattagami district on Tuesday night and seized apparatus for the illicit making of liquor, as well as some liquor in varying stages of the process onward and upward to booze. The man running the little plant will be given opportunity to explain to the Magistrate all about it.

DINNER IN HONOR OF DR. BERNSTEIN, OF MONTREAL

Dr. S. H. Bernstein, of Montreal, was the guest of honour at a turkey dinner tendered by Mr. and Mrs. L. Halperin on Sunday evening, Dec. 27th. Covers were laid for fifteen. Pink roses and ferns were the decorations in the dining room. Bridge and dancing rounded out a very pleasant evening.
