CHRISTMAS CHEER AT THE PROVINCIAL GAOL

The Haileyburian last week tells of the thoughtful kindheartedness and Christmas spirit of one of the citizens of Haileybury-Mr. W. A. Gordon, who is known all through the North Land for this same big-heartedness. no less than for his unusual talent and ability. The Haileyburian says

"Through the generosity of bighearted Wes Gordon, the inmates the gaol enjoyed a regular feed or turkey, cranberry sauce and all the trimmings. Mr. Gordon, when informed by the warden that the government made no provision for any extra food on Christmas, ordered the best turkey he could obtain and had it roasted and delivered to the gaol. accompanied by everything that goes with a first class turkey dinner. The inmates of the gaol greatly appreciate this kind act of Mr. Gordon's, and the warden, when seen the next morning, remarked "That is just what you could expect of Wes."

MINERALS

The mineral resources of Ontiris cover practically the entire lst of metallics and non-metalles. Ontario possesses the largest individual deposits on the continent of tale, feldspar, nica and graphite. The greatest nickel mines in the world ! are at Sudbury, the largest deposits of cobalt and the richest silver camps at Cobalt and South Lorrain, and highly productive gold camps at Porcupine and Kirkland Lake. Ontario's in thes are attracting worldwide attention. The production of this metal in 1924 was valued at \$25,639,262.

The mining laws are liberal, fair and just. A miner's license obtained from the Department of Mines or any Mining Recorder, costs \$5.00 and entitles the prospector to stake . out three claims in each mining ; livision in any year. After performing 200 days' work on \$ a claim, patent is granted on payment of \$2.50 or \$3.00 per acre, depending on location in unsurveyed or surveyed terri-

Arrangements have been made by which parcels of gold ore will be purchased from prospecters developing their claims or others who may have gold ore to sell. Full particulars may be obtaned from A. A. Cole, manager, Temiskaming Testing Laborstories, Cobalt, or the under-
