HUNTER BLOCK CORNER LIKELY TO BE REBUILT

The Northern News this week says: "No definite word as to rebuilding the Hunter Block corner and the Pipe Block site was available at press-time, but it is known that Mr. C. H. Moore has obtained first call on the Graham lot and if satisfactory terms can be arranged with the owner he will at once proceed to put up a two storey building. In any event, under his lease, he is protected as to corner store rights. In the meantime he is fitting up a store at 34 Lang Street which should be stocked for opening early next week. It is understood that Mr. Taylor Pipe proposes to rebuild and therefore the present unsightly mess left by Sunday's blaze will not long remain. It is being remarked on all sides that what are locally considered as the worst firetraps have been cleaned up by fires of recent years, which have fortunately been restricted in their scope, and that the fire hazard of the town has been brought down pretty close to a normal level. Whether all this will have any effect on insurance rates remains to be seen, but there is understood to be some ground for hope."

This thrilling love letter was found in a basket of beans: "Dearest Sweet Pea—Do you care for me? My heart beats for you, with your radish hair and your turnip nose; you are the apple of my eye. Give me a date. If we cantaloupe lettuce marry, anyway. I know we would be a happy pear.—Lima Bean."

SUDBURY HOCKEY TEAM BANQUETTED LAST WEEK

Visiting Players and Officials and Players and Officials of Timmins Team Enjoy Pleasant Gathering After Exhibition Game

After the exhibition hockey match last Thursday evening, between Timmins and Sudbury Junior teams, a very pleasant event was held in the Empire Hotel, both teams and the officers, etc., being banquetted in a pleasing way. The menu put up by the Empire Hotel was the very finest and was equalled by the perfect service given. There were many compliments to the hotel management for the excellence of the banquet.

There were about fifty sitting down to the fine spread. Mr. Chas. Roach, president of the Timmins Club, acted as toastmaster, and in a brief but neat address complimented the visiting team on their fine sportsmanship. He said it was a pleasure to Timmins to entertain such good fellows, and he hoped for further visits from Sudbury's good team! Mr. Wood, of Sudbury, who was in charge of the visiting team, made appropriate reply. He said the game was a clean and pleasant one and proved that the boys gave a good brand of hockey. He thanked Timmins for its kindly reception and hoped that there would be opportunity this season again for Sudbury to return the kindness and courtesy shown the visitors here. Mr. J. N. Levine, secretary of the Timmins team, who had refereed the exhibition game here, was given a great reception, especially from the Sudbury lads. He spoke briefly, mentioning the good sportsmanship displayed by both teams in the game. Mr. Jack Kennedy proposed three cheers for the Sudbury team, who had played so clean and pleasing a game and showed the best of good sportsmanship. The proposal was greeted with very hearty cheers and a rousing tiger. During the evening an eight-piece orchestra furnished the liveliest music that tempted the boys to keep their feet moving. A musical monologue by Mr. Ted Emery delighted all those present with its humour and its clever presentation. The orchestra included Messrs. Emery, Wilson, Boissonault, Hyman and C. E. MacDonald, who kindly volunteered their services for the occasion.

"I gotta fire the office boy."
"What for? He's a hard worker."
"Yes, but he doesn't shoot craps, smoke, cuss, go to baseball games, or flirt with the telephone girl, and I'm afraid that he's got a stunt up his sleeve to become president."

CHORAL SOCIETY CONCERT AT SCHUMACHER SUNDAY

Interesting Event in the Maple Leaf Theatre at Schumacher on Feb. 14th. After the Church Services.

Events given in the past by the Schumacher Choral Society have always been excellent, and the concert booked for the Maple Leaf Theatre on Sunday evening, Feb. 14th, after the church services promises to be up to the former high standards. The programme on Sunday evening will include vocal solos, quartettes and choruses, as well as instrumental numbers. Under the leadership of Mr. Geo. Hale the Schumacher Choral Society has made good progress, and the programme on Sunday evening will no doubt be a very enjoyable one for all lovers of good music. There should be a large attendance of the people of Schumacher at the Maple Leaf Theatre, Sunday evening for the event.

WHITNEY TRAPPER PROVES INNOCENT OF MURDERS

Arrested on the charge of the murder of Sergt. John Billings, D. C. M., and Joe Stringer, at Whitney, John Parks, 24-year-old trapper, was released from custody last week at the inquest held in the schoolhouse there. While the death, apparently by fire, of Sergt. John Billings, D. C. M., and Joe Stringer, is thought by all to have come through foul play, and although suspicion was first fastened on Parks, the trapper has, by evidence established that he was not near the vicinity of the fire at the time it happened. Parks was placed under arrest Friday and brought to jail in Pembroke to await the result of the inquest. An open verdict was brought in and the charge against Parks withdrawn. Magistrate Chown, of Renfrew, conducted the inquest, acting as coroner. W. H. Williams, K. C., of Pembroke, was counsel for the defence.

Slim: "Haven't I seen your face somewhere before?"
Hergus: "I'm sure you have not—it has always been just where it is now."

"Five seeds more."
"Raise it ten berries."
These sounds came from the dining room.
"The dear men," chirped a bride in the parlour. "How interested they are in their gardens."

LITTLE ADVANTAGE FROM THE BROADCASTING WEEK

The International Broadcasting Week has proved most unsatisfactory. In the first place, the weather and atmospheric conditions were most unpropitious. Most radio fans regretfully admitted that they did not think they had received a sound from any overseas station. The few who thought they had received a few sketches from across the ocean are being discouraged in various ways. One newspaper puts its disbelief this way: "Well, if George Washington were alive to-day, he wouldn't claim to have heard any overseas stations during broadcasting week." That is a pretty mean suggestion in view of the tall tales credited to the late lamented Mr. Washington, for example, that yarn about the cherry tree. Then along comes the Toronto Mail & Empire with a still more depressing suggestion—the suggestion that some broadcasting stations on this continent played jokes on the receiving sets. The Mail & Empire in an editorial note last week says:—"Those 'radio fakers' who tricked listeners into believing they heard European stations during the broadcasting tests showed more cleverness than consideration for owners of receiving sets and those in charge of the test."

All in all the radio fan who simply said, "I didn't get a thing from overseas," feel they have the best of it, and that they are establishing a reputation for truthfulness that will enable them perhaps to put a real good one over some other time.

The following from last week's New Liskeard Speaker will be of interest to the many friends in this district of Capt. T. Magladery:—"Capt. Tom Magladery leaves next week for Edmonton, Alta., his future home. The Captain is going West in connection with the Massey-Harris Co., Ltd. The many friends here who enjoyed a visit from him when he could manage to come this way, or while they were visitors in Toronto, will regret that he is going so far away. But Mr. Magladery expects to be back this way the end of the year and fully expects to then call on old friends in Temiskaming."

She was a simple country lass who had never been in a modern hotel until she started on her honeymoon. She was very much disconcerted when she saw twin beds in the room. "Why, what's the matter, dear?" asked the attentive husband. "Well," she said, looking at the two beds, "I thought when we came here we were going to have a room all to ourselves."
