

Schumacher Girls Hold Very Pleasing Snow Shoe Party

Bakery Horse Stages a Runaway. Another Skiing Accident. First Official Meeting of Board of Trinity United Church. Death of Mr. Adrian Ryan. Other Schumacher News.

Schumacher, Feb. 11, 1926. Special to The Advance.

Miss Ida V. Cole, of the Public School Staff, is ill and her department is in charge of Mrs. W. J. McKay.

Miss Muriel Olton, of New Ray, is visiting her sister, Mrs. Cripps at Cochrane. Upon her return in a few days Miss Olton will leave for St. Catharines to take a course in the St. Catharines General Hospital.

Mr. Kelly Abram, our popular hardware merchant, returned last week from an extended visit to the old home-town of Winnipeg.

Mrs. Barnett, Miss Anna Barnett and little grandchild of the former left on Thursday 28th ultimo to visit friends at Niagara Falls, Ont.

Mr. George Hawley has secured a position in the local branch of the Canadian Bank of Commerce.

Mr. Walter Cowan and family moved on Monday from Railroad avenue to a larger dwelling on Third avenue.

Miss Annie Sherlock, of Timmins, was the guest of Mrs. D. Newlands during the week.

The Ladies' Auxiliary will hold an Afternoon Tea and Sale of Home-made Baking in the basement of the Trinity United Church on Saturday, February 20th. Tea will be served from three to six.

Dr. Smith, Medical Health Officer for Tisdale, made an official visit to the town on Wednesday, 3rd inst.

The Sunshine group, and the Willing Workers of the Canadian Girls in Training held a very pleasant snow-shoeing party on Saturday afternoon.

Under the direction of Mrs. W. J. McKay and Mrs. W. A. McKay, the girls, with a number of guests, about forty in all, journeyed eastward to the picnic-grounds near Gold Centre and enjoyed themselves in racing and other out-door winter sports. About 5:30 the happy party returned to the basement of the United Church where everyone participated in a banquet prepared by Mrs. W. J. Leek and Mrs. W. A. Leek.

The tramp over the hills had produced voracious appetites, and the hot beans, pie, cake, pickles and other delicacies disappeared like mist before the morning sun. The usual toasts and responses formed a very interesting part of the athletic and social event, Miss Margaret Robertson being chosen to announce the toasts. The ladies in charge deserve great credit for their work, and for the artistic arrangement of the banquet tables.

Mrs. Thomas McNamee and "Patsy" are in Kirkland Lake, visitors at the home of Mrs. McNamee's sister.

The many friends of Miss N. Farrell will be pleased to learn that she arrived home from Timmins Hospital on Sunday very much improved in health.

The latest victim of a skiing accident is Mrs. Gordon, of Fourth avenue. On Sunday while enjoying this popular winter pastime, Mrs. Gordon

had the misfortune to fall and sustain slight injuries.

Mr. Pickett, formerly of Schumacher, but now residing near Sudbury, is visiting friends here.

Mrs. Day and child, who have been guests of Mr. and Mrs. McCleary during the past week, returned to their home in North Bay on Monday.

Mr. W. Weber is suffering from an attack of blood-poisoning in the hand. Lack of attention to a slight injury received some time ago was the cause.

The first meeting of the Official Board of the Trinity United Church was held on Monday evening. Representatives from the various church organizations were present and the duties of the new church body were very clearly outlined by the pastor, Rev. C. A. Sales. Regular meetings will be held every three months or more frequently if necessary.

Mr. Adrian Ryan, an esteemed and pioneer resident of the Camp, died at his home here on Monday from appendicitis and a complication of diseases. The late Mr. Ryan was a man in the prime of life and his untimely death is deeply regretted by his many friends in the district. The bereaved widow has the sympathy of the community in the loss of a devoted husband.

Mrs. W. Neary has returned after visiting friends at Kirkland Lake.

The horse attached to the Bakery sleigh of the Schumacher Co., became unmanageable on Saturday morning about 9:30, when the driver, Mr. Percy Shippam, was delivering bread and confectionery to the town of Timmins. The vehicle collided with the fence by the roadside and was damaged to such an extent that another rig had to be procured. This is the third time, the frightened pony has caused excitement. Fortunately the driver escaped without serious injury.

On the day following the event the net proceeds were turned over, Mrs. Taylor writing the following to be published in The Advance as acknowledgement and thanks to all:—

Timmins, Feb. 6th, 1926.

I take this opportunity to thank Mr. Shewan and Mr. Street for their kindness in arranging the Benefit Dance for the benefit of Mr. Taylor, and I hereby acknowledge the sum of ninety-five dollars handed to me by Mr. Shewan and Mr. Street.

(Signed) W. E. Taylor.

SAYS THAT AGITATION FOR EMBARGO HAS GONE.

Phenomenal strides in the growth of membership of the Association was considered at the meeting last week at Montreal as evidence by the Canadian Pulpwood Association to show that there is an extensive opinion in the ranks of pulpwood owners, producers and dealers in Canada against an embargo, export tax, or any restrictive legislation that would interfere with the members selling their product in the best markets of the world.

Eighty-five active members and approximately 14,000 associate members were reported as the standing of the association.

Angus McLean, Bathurst, N.B., gave a resume of the activities of the association during the year.

Mr. McLean expressed his belief that the agitation for an embargo or an export tax, was steadily losing ground, because the Canadian public, largely through the efforts of the association, was now better informed on the subject, and realized that there was a very simple and direct way of keeping wood in the country, namely, by purchase on the part of the Canadian mills.

He went on to say that in the Province of New Brunswick an embargo would literally ruin thousands of individuals.

Merchants have to be good at crossword puzzles sometimes. A little girl went into a drug store the other day. "Will you please give me a roll of Aunt Edith's tape?" she asked. "Sure," said the druggist, without a smile, and he got the youngster a roll of adhesive tape.

Of the four in town referred to last week as perhaps hearing the broadcasting from overseas during International Broadcasting Week, there is one down. Mr. H. E. Gridley says he did not hear any overseas stuff on his radio, and that the report that he had was incorrect.

"Alfalfa. How and Why to Grow It" is the title of an exceedingly instructive and useful little folder just issued by the Dominion Experimental Farms, which may be had free upon application to the Department of Agriculture.

Rough on Father

"Come, now," said mamma, who had taken the children for a walk through the Zoo, "let's go home and see papa."

"Oh, no," protested Mary, "let's see these other monkeys first."

"What did your wife say when you got home last night?"

"Can you spare two hours?"

"No!"

"Then I can't tell you what she said!"

BENEFIT DANCE PROVES A DELIGHTFUL SUCCESS

Event in Hollinger Hall on Friday Evening Largely Attended and Greatly Enjoyed by All

The Benefit Social and Dance in the Hollinger Hall on Friday evening last for the benefit of a member of the Male Chorus who has been ill for over nine months was an unqualified success from every angle of view. There was a very large attendance at the event, fully two hundred being present. The evening was voted by one and all as one of the very best ever. "It was a delightful evening," was the general opinion of all present. From the financial standpoint the Social and Dance proved equally successful, netting the neat sum of \$95.00 clear, after all expenses were paid, this amount being duly handed over the next day.

The Troubadours orchestra furnished the music for the occasion. A specially attractive luncheon was served during the evening. Mrs. Tafen favoured the gathering with an Irish Jig that made a very pronounced hit. The singing of Mr. A. J. Snow and Mr. E. R. Street was very greatly appreciated and added to the excellence of the evening's enjoyment.

The hall was very tastefully and skilfully decorated for the occasion. Mrs. Chittenden kindly loaned the decorations. In this connection, it is fair to state that the ladies, with Mrs. Shewan as convener, gave very material assistance in making the event so pronounced a success in every way.

On the day following the event the net proceeds were turned over, Mrs. Taylor writing the following to be published in The Advance as acknowledgement and thanks to all:—
