OPENING MINES HOCKEY PLEASED LARGE CROWD

Double-Header Last Thursday of Much Interest. Two Scores of 6 to 5.

The double-header hockey at the Timmins rink last Thursday evening made an auspicious opening for the Mines League. There was a large attendance and all were pleased with the brand of hockey played.

The first game was Timmins Juniors vs. Schumacher. It was a mighty good game of clean fast hockey. While the Juniors won, it was only by the close score of 6-5, and they had to earn their victory. The match was interesting throughout, and all the boys played well. For Schumacher Patsy Parker, the old war-horse, starred, scoring three of the five goals. Mr. J. Jamieson refereed the match in effective and satisfactory way. The line-up was:—

Timmins Juniors—Levine, goal; Boyd and Greco, defence; Couture, centre; Charlebois, left wing; Valentine, right wing; Lawrence, Teevin and Arundel, subs.

Schumacher—Pinder, goal; Briden and A. Boyd, defence; Parker, centre; Duval and Kelly wings; Simpson, Davidson, Ross, subs. Goals scored by Parker, 3, Kelly, Duval 1.

The second game was also a very good one. Canadians won from South Porcupine, 6 to 5. South Porcupine was especially strong in the last period, and in undoubtedly a team that has to be decidedly counted upon. For the Canadians Roach and Levine were the stars, though all on both teams were all correct. For this lively match D. Briden was referee, R. Fraser, timekeeper, and J. Closs, penalty time. The line-up was as follows:—

Canadians—Carson, goal; Roach and N. Levine, defence; Portelance, centre; Proulx and Desormeaux, wings; Hackett, Gervais and Sterling, subs. Goals scored by Proulx 2, Gervais 1, Hackett 1, Levine 1, Portelance 1.

South Porcupine—O'Neill, goal; Mason and Kane, defence; Fell, centre; Sheaffe and Gagnon, wings; Kehoe, Sullivan, Mansfield, subs. Goals scored by Kane 2, Sheaffe 2, Gagnon 1.

FORMER TIMMINS YOUNG LADY HERE ON WEDDING TRIP

Mr. and Mrs. Solomon East were the guests of Mr. and Mrs. E. H. King last week while on their wedding trip, leaving later for their new home in north-eastern Alberta where they have a large ranch and will engage in mixed farming. Mrs. East was formerly a popular Timmins girl, being Miss Margaret Peters, daughter of the late Mr. H. Peters and Mrs. Peters. Her sister, Mrs. E. H. King, gave a very pleasant bridge party and shower last Friday in honour of the bride, about thirty being present and a very enjoyable time being spent by all. The bride was the recipient of many beautiful and valuable gifts, as well as the best wishes of hosts of friends here.

ANNUAL SLEIGH RIDE PARTY OF THE A. S. D. CLUB.

There was just a fair crowd present for the annual sleigh drive of the A. S. D. Club held last night from the Oddfellows' Hall here. Two sleighs were all that were needed to take the members assembled at the hall at eight-thirty. The sleighs left for South Porcupine.

After the drive the crowd assembled at the Oddfellows' Hall, and an enjoyable evening was spent in dancing. The Club Orchestra furnished the best of music. Refreshments were served, these as usual being an enjoyable part of the evening's programme. The committee in charge of the drive was Messrs Joe Jacobs and A. W. Pickering.

After lunch Mr. J. M. Belanger announced that next week would be regular night, and on Wednesday, March 3rd, it is the intention to hold an Open Night, an admission fee of \$1.00 per couple will be charged the visitors.

ROUGH STUFF REPORTED AROUND COCHRANE AREA

There was a report in outside newspapers to the effect that Sheriff Jack Mackey had wired south for coal telling them to be sure and ship some at once as he was afraid otherwise that three murderers he had on hand might freeze to death before he had a chance to hang them. Like much of the stuff published in the outside newspapers about the North, this was somewhat exaggerated. Sheriff Mackey hasn't even a single murderer to try his pretence hanging hand upon at present. At Cochrane these days, however, there is an unusual line-up in jail. One man is held on the charge of knocking the eye out of a friend and blinding him. Another is held in custody to face a charge of stabbing. Two others are in jail accused of knocking down and about an old man and his son and then burning down their shack. In fairness to Cochrane (and also to prevent The Cochrane Post from deeds of violence) it is well to state that none of these men charged are Cochrane people; they all come from the district round about. In conclusion it may be noted that there has been another murder in the district but the murderer has not yet been proved guilty, though there are hopes.

MASON AND RISCH PIANOS CHOSEN FOR VATICAN

It will be of general interest to know that recently a number of Mason and Risch pianos were purchased for the Vatican, Rome, Italy. That the product of this Canadian firm should be selected for use at St. Peter's, Rome, is a decided proof of the high merit of these Canadian-made pianos and adds to their already high reputation.

REGRET PUTTING TOWN TO EXPENSE OF ELECTION

In reporting the decision of Judge Caron in regard to the municipal election protest case, The Toronto Telegram on Saturday last says:—

"After hearing evidence from both sides relating to the alleged irregularities in connection with the municipal elections for the town of Timmins, held December 7th last, His Honour Judge Caron ordered the election repealed and another election held. In giving judgment His Honour made it clear that his decision was based on technical points of law rather than on any belief or supposition that there had been a 'conspiracy' to defeat the purpose of the Municipal Act. He found that according to the evidence at least two provisions of the statute had been violated. There had not been sufficient polling booths provided for the public on election day. Certain ratepayers had been disqualified illegally on account of the date of election having been set back. His Honour found that any ratepayer who had paid his taxes and was not in arrears as of December 14th, 1924, should have been allowed to vote. Charges that corruption had been resorted to on the part of the 1924 council were thrown out by the judge. Such irregularities occurred in many municipalities, he said. It so happened that this year in Timmins a case had been made of the irregularities. He regretted the necessity of having to put the town to the expense of another election."
