RUSKINO NOW HELD FOR PORQUIS JCT. MURDER

Guarded Day and Night by Provincial Police. Inquest Last Week Results in Murder Charge.

J. B. Ruskin, a man of about 26 years of age, of Polish descent, but born at Sudbury, Ont., is held at Cochrane on the charge of the murder of Henry Jones, blacksmith, of Porquis Junction, on or about Feb. 7th. Following the usual custom in such cases the Provincial Police have a special guard for their prisoner, members of the Provincial force taking eight-hour shifts parading before the cell where he is confined. Officer Finger is in Cochrane this week taking his turn in the guarding. This special guard will be maintained until the prisoner is given his preliminary trial on the charge. The preliminary hearing will be to-morrow (Friday).

Ruskin was arrested on Feb. 14th at Devonshire and held on a charge of theft in connection with the taking of some \$200.00 from a woman at North Bay. At the conclusion of the inquest into the death of Henry Jones a charge of murder was laid against Ruskin. The inquest was held at Porquis Junction on Friday last. Lacking other suitable quarters for the inquest the children were given a holiday and the inquest was conducted in the school. Coroner Tucker, of Cochrane, presided. Dr. E. A. F. Day, of Coonaught, told of examining the body after it was found on Feb. 11th. The doctor said that Jones had been dead at least 48 hours. The hammer with which the murder had been committed, as well as the clothes worn by the dead man, were produced for the inspection of the jury. According to despatches reporting the inquest Ruskin appeared visibly affected when the hammer was produced, but that might mean anything or nothing. In his evidence, Ruskin gave a detailed account of his movements around the time of the murder. He said he had lived for years at Sudbury, but was now residing at Devonshire, a few miles north of Porquis. He admitted to having engaged in the blind-pig industry, and also to being convicted of running a disorderly house at Ansonville. He said he had met Jones a couple of times at this disorderly house. On the Saturday previous to the finding of the body, he said, he had met Jones at Porquis Junction and been invited to his shack. He spent the Saturday evening at a Chinese restaurant, he claimed, going back to the Jones shack Sunday afternoon. He left about six o'clock, he swore, and after that hour had not again seen Jones. After six he spent the evening with Tony Morelechek, he said, going to Devonshire Monday morning.

Morelechek swore he did not see Ruskin from Sunday morning until about two o'clock on Monday morning when Ruskin had roused him up and asked him for a drink. Instead of being with Ruskin he had been in company with Mr. A. D. Walters. In his evidence Mr. Walters confirmed this, and Mrs. Morelechek also substantiated her husband's story. Mr. and Mrs. Roy Bartman, who lived next door to the Jones shack, swore that on the Sunday evening they heard loud talking. One voice sounded like that of Jones and the other like that of Ruskin. The talk was about girls. This was about 9 p.m.

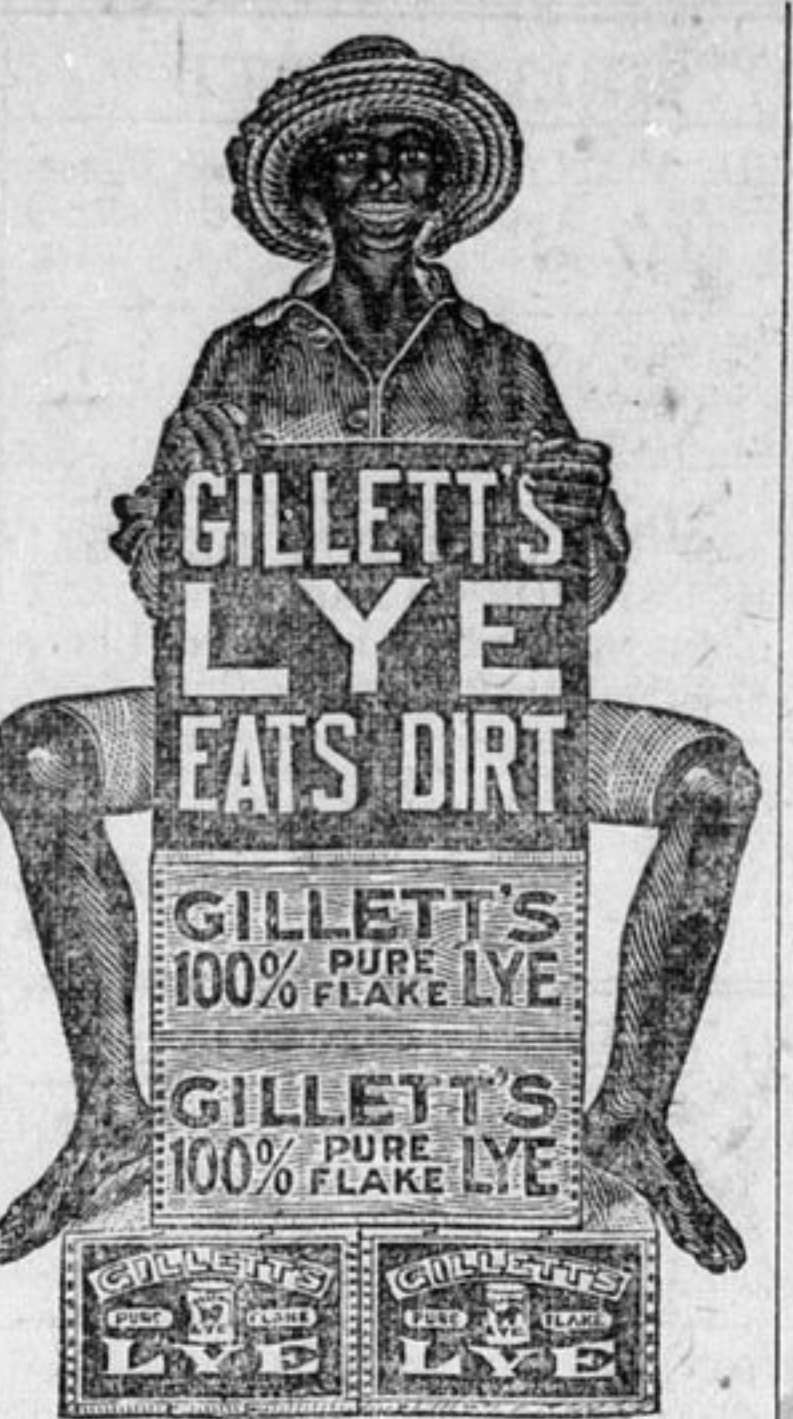

About the only evidence that seemed to be favourable to Ruskin was that of Mr. W. G. Kaye, father of the principal of the public school at Porquis Junction. Mr. Kaye said that on the Monday morning Jones had called across the lot to him about 10 o'clock. Crown Attorney J. M. Greer, of Cochrane, was present at the inquest and assisted in the conduct of the inquiry. Inspector Boyd, of the Provincial detective staff, was also among those present.

SCHUMACHER PLAYING JUNIORS HERE TO-NIGHT

Only Four More Games on the Mines League Schedule. Great Interest Kept up in League

All hockey fans are keeping up their interest in the Mines League here this season, and they are finding it well worth while. All the games so far have been lively and keenly contested and it is expected the season will be carried on to a successful close.

The big game for to-night at the Timmins rink is the contest between Schumacher and the Timmins Juniors. This is confidently expected to be a keenly-fought battle. The games yet to be played in the Mines League are: March 4—Schumacher vs. Timmins Juniors, at Timmins.

March 11—South Porcupine vs. Schumacher; Juniors vs. Canadians; both at Timmins.
 March 18—Schumacher vs. Canadians; at Timmins.

ENGLISH FOOTBALL TEAM TO PLAY HERE ON TOUR

Select Old Land Football Players Ready to Visit Timmins on Return from West.

A special meeting of the N.O.F.A. was held in Timmins on Saturday evening last to discuss the proposition of having a game with the select English football team to tour Canada this spring. President H. G. Laidlaw occupied the chair and representatives were present at the meeting from Kirkland Lake, Timmins Football Club and the P.D.F.L. Mr. W. A. Field, representative of Northern Ontario on the O. F. A. explained the efforts made to secure a visit from the touring English team. The English team would have its first game in Montreal on May 24th. They would only play in the larger centres, and the idea was to have them stop at Timmins on their return from the West. The visiting team includes fourteen professionals and four amateurs selected from the leading teams in England. The idea would be to have the mplay a selected team of players from the N. O. F. A. teams. The game should be one worth coming a hundred miles or more to see as the touring English team, of course is a great aggregation. After lengthy correspondence in the matter, and many wires, it had eventually been settled that a game could be arranged for Timmins. A guarantee of some \$1,500.00 is required, and it is expected to raise this by the sale of tickets for the game. The various clubs in the N.O.F.A. have each been appointed an objective of a stated number of tickets and if all the clubs agree the English team will play here this summer. The date will likely be some time around the middle of July.

NORTHERN MINES MAINTAIN PROPERTY IN ONTARIO

Last week in an address to the Empire Club at Toronto, Mr. G. C. Bateman, secretary of the Ontario Mining Association, pointed out that the mining industry in Northern Ontario has been the greatest single factor in maintaining this province during recent years. In one section of Ontario, Mr. Bateman said, there were nickel reserves equal in value to the total of the national debt of Canada.

We are inclined to the belief that good management is more essential than mere capital—in most lines of business.
