TIMMINS DEFENDS T. & N. O. TROPHY FOR THIRD TIME
 On Saturday night last a Timmins rink comprised of W. C. Cuthbertson, skip; Gordon Gauthier, vice-skip; E. Hill, second and W. Jamieson, lead, successfully defended the T. & N. O. Commission Curling Trophy against a South Porcupine Rink, defeating the challengers 8-5. This is the third attempt of South Porcupine to lift the T. & N. O. Trophy.

 Total enrollment—358.

The Haileyburian last week says: "The new hotel is nearing completion and already there have been one or two consignments of furniture received and placed in the building. These consist chiefly of the beds."

SHOPS TEAM FIRST NOW IN McINTYRE BOWLING

But the Engineers are Only a Couple of Points Behind in the Big Race for Leadership.

McIntyre Bowling League results for the week show Shops team in first place and the Engineers only two points behind.
 Tuesday the Mill took three points from Steel Shops. Yorke rolled high for the Mill and Leng rolled high for the Steel Shops.
 Wednesday, Hardware won three points from the Engineers. Platus rolled 599 high for the Hardware and Hall rolled 515 high for the Engineers.
 Thursday the Mercantile surprised the Shops by taking three points and rolling 2713 total. Arnott was in good form for the winners rolling 644. S. McMillan with 535 was high for the Shops.

HIGH SCHOOL BOYS PROUD OF TAYLOR BASKETBALL CUP

This season the Geo. Taylor Hardware Co. donated a handsome silver cup for the Junior Basketball team. The trophy was won by the High School Juniors, and the boys appreciate the cup very much. There were four teams in the competition, the High School winning out by two points.

COMPLIMENTS EXTENDED TO TIMMINS PLUMBERS

Recently reference has been made to the elegantly equipped hospitals established at Iroquois Falls and South Porcupine. In the case of both these new hospitals special compliments have been paid to the thorough and effective modern plumbing and heating systems installed. It will be of added interest to know that at both the Iroquois Falls and South Porcupine new hospitals a Timmins firm had the heating and plumbing contracts and carried the work through in the most creditable way. L'Ecuyer, Smith & Elston, of Timmins, gave general satisfaction in each case by the careful and expert work done in plumbing and heating these fine new hospitals.

MR. G. C. MURPHY, DISTRICT SUPERINTENDENT, R. A. M.

At the sixty-eighth annual convocation of the Grand Chapter of the Royal Arch Masons of Canada, held in Toronto last week, there was an unusually large number of distinguished Royal Craftsmen from all parts of Canada, with visitors also from the United States. Mr. J. Morrison of Timmins, and Mr. Geo. C. Murphy, Schumacher, were representatives from the Northern Lights Chapter. Mr. Murphy was elected Grand Superintendent for the New Ontario District, by the Grand Lodge.

The next Band Concert will be on Sunday evening, March 14th, in the Goldfields Theatre, after the church services. It will be "Italian Night," and a programme of very special excellence is assured.

Rheumatic Pains Go Swollen Joints Vanish

Thousands of sufferers have freed themselves from the bondage of rheumatism; rid themselves of the torturing pain; reduced the swollen joints; thrown away canes and crutches, and from helpless beings became able to work and be of use to themselves and their families. They took Rheuma: the modern enemy of rheumatism, lumbago, sciatica, arthritis, and chronic neuralgia. Don't be skeptical about Rheuma. You will know in a few hours after beginning the treatment that the poisonous waste matter is leaving your system through the natural channels. You will feel better in a day; you will know you are going to be helped in less than a week. There is no guess work about Rheuma bringing you back to health. That's why Todd's Drug Stores Ltd., and druggists everywhere sell it with guarantee of money back if it does not give quick relief.

RUBBER TREES TAPPED IN THE MORNING

It is a curious fact that rubber trees are tapped at sunrise because it is supposed that the milk flows more freely during the morning hours. Beginning about five feet up the trunk, fresh incisions are made each morning until the ground is reached. A small clay cup placed in each incision serves to catch the juice.
 Of course there are many processes necessary before the rubber is in a form fit for every day use. Rubber footwear especially requires the utmost care and skill in the making to give it durability. Columbus Rubber Boots are made from the very best materials and scientifically designed to resist wear and tear. They are comfortable too. Get them at your dealers.
