BIG DISPLAY THIS WEEK OF FISHING TACKLE, ETC.

An unusual display of Fishing Tackle will be made in the windows of Marshall-Ecclestone, Ltd., this week on Friday and Saturday, one of the biggest manufacturers in this line showing the full range of the goods carried. The display should be of special interest to all fishermen and others interested in sport. Special orders will be taken for any of the goods on display.

INSTRUCTION REGARDING MAIL FOR RED LAKE CAMP

For the guidance of persons desiring to send mail to prospectors and others in the mining district of Red Lake, the Post Office Department has issued certain instructions. The post office point to which mail for the Red Lake district is despatched is Rolling Portage, it is stated. The railway station for this point is Hudson, Ont. Mail for the Red Lake district should be addressed "Red Lake Mining District, via Rolling Portage Post Office, Ont."

It is announced that an arrangement has been made under which mail may be sent into the district from Rolling Portage by air service. Such letters must be endorsed "via air service." Letters not marked in this way are held at the Rolling Portage office until called for, or until the addressee make other arrangements for the receipt of his mail. An extra fee is charged for mail sent by air service.

BROKE LEG IN FALL WHILE CROSSING SCHOOL YARD

Mr. Frank Harrigan, of the firm of Harrigan and Morrin, tailors, Cedar street and Second avenue, met with an unfortunate accident last Thursday evening while crossing through the Central Public School yard about ten o'clock. There is an icy patch at one corner of the building and while going through the grounds as a short cut Mr. Harrigan fell on the ice and fractured his leg above the knee. The shock and injury rendered him unconscious and he lay on the ground for some time in danger of freezing to death. In the meantime, however, someone using the same short-cut noticed the fallen man and notified the Fire Chief, who was passing down street and who was mistaken at first for a police officer. The Fire Chief at once secured the services of the police and the injured man was taken to the police station. When picked up first it was not known what had occurred and whether the man was ill or injured or what was wrong. He was carefully carried to the station and there medical attention was secured and the extent of the unfortunate man's injury was found. His right leg was broken above the knee and he had evidently been unconscious for some minutes. His hands and face seemed to be slightly frost-bitten but he was not seriously injured in this respect. The broken leg, however, will keep him confined for some weeks. He was taken to Mrs. Farley's hospital where he is being well cared for and where he is making as good progress as possible to recovery.

He was so thin that when he drank grape juice people mistook him for a thermometer.

BOYS DOG RACES WERE FEATURES OF FRIDAY

Junior Dog Races Proved Entertaining and Interesting, With Keen Competition

Mr. Vincent Woodbury had a big contract on his hands on Friday last in connection with the Porcupine Dog Race and Carnival to handle the boys' dog race events, but he and his assistants proved fully equal to the occasion and this part of the day's programme went without a hitch or a hesitation. The teams were lined up and started by threes. There was the keenest rivalry among the boys and the closest interest from the crowd.

The course was from the Imperial Bank corner to Kirby avenue, along Kirby to Maple, along Maple to Fourth and from Fourth to the starting point. There were two classes—boys under twelve and boys over twelve. In the race for teams owned by boys under twelve there were fourteen entries and in the class for over twelve there were fifteen starters.

The winners in the race for boys under twelve were:—1st, A. Goodis; 2nd, A. Houle; 3rd, T. Brunton. The following were the entries and times made by each team in this boys' race, according to their number in the race at starting:—

1. A. Goodis, 1 dog, 5 minutes, 30 seconds.
2. R. Davis, 1 dog, 9 minutes, 55 seconds.
3. Archie Hunt, 2 dogs, 5 minutes, 44 seconds.
4. D. Cantino, 1 dog, 6 minutes.
5. Gordon Daley, 1 dog, 13 minutes, 30 seconds.
6. M. Villeneuve, 1 dog, 10 minutes, 10 seconds.
7. Roland Tourganen, 2 dogs, 6 minutes.
8. Thos. Brunton, 1 dog, 5 minutes, 45 seconds.
9. Stanley Kramer, 1 dog, 10 minutes, 20 seconds.
10. M. Hoster, 1 dog, 10 minutes.
11. Wm Summer, 1 dog
12. Antoine Beaulne, 1 dog, 7 minutes, 5 seconds.
13. Mike Lukon, 1 dog, 7 minutes, 40 seconds.
14. J. Gauthier, 1 dog, 7 minutes, 1 second.

In the second boys' race, boys over 12 years, the following were the winners:—1st, E. Trofford; 2nd, M. Pigeon; 3rd, Geo. Richardson.

Geo. Richardson was also awarded the \$5.00 gold piece donated by Mr. B. Bissette for the best conditioned dog and best outfit, the judges being Mayor Dickson, Dr. McInnis, Chief Borland and Mr. J. McKinnon.

The following were the times made in the second boys' race in order of numbers for starting:—

1. E. Trofford, 3 dogs, 5 minutes and 30 seconds.
2. P. Lareher, 1 dog, 7 minutes, 30 seconds.
3. Geo. Richardson, 2 dogs, 7 minutes, 3 seconds.
4. W. Kendall, 1 dog, 7 minutes, 8 seconds.
5. H. McKinnon, 1 dog, 6 minutes, 5 seconds.
6. W. Goodman, 1 dog, 8 minutes, 55 seconds.
7. L. Belanger, 1 dog, 10 minutes, 2 seconds.
8. L. Leught, 1 dog.
9. L. Lachapelle, 2 dogs, 11 minutes, 45 seconds.
10. Jas. Fowler, 1 dog.
11. Eddie Smith, 1 dog, 6 minutes, 50 seconds.
12. John Geddes, 1 dog.
13. M. Pigeon, 1 dog, 6 minutes, 19 seconds.
14. R. Dubieau, 2 dogs, 8 minutes, 23 seconds.
15. T. Kramer, 1 dog, 6 minutes, 55 seconds.

All the decisions in both boys' dog races were made the same as in the other race events of the day. The time of starting was taken and the time of finishing, the difference being the time made. Some of the boys were confused because they finished before one or more of the winners. The time of finishing, of course, had nothing to do with the order of winning, except as it applied to the time made from the time of starting.

The boys' races were particularly successful and the credit for this is largely due to the good work of Mr. Woodbury and his able assistants.

VIPOND MAY TAKE OVER CROWN AND THOMPSON-KRIST

Reports are current to the effect that the Vipond has secured control of the British Porcupine holdings in this district, which would mean that Vipond has added the Crown and Thompson-Krist properties to its list of holdings. It is not possible to secure official confirmation of the report as Dr. Mackintosh Bell, managing-director of Vipond, is now in England.

Vipond already controls Inspiration, which adjoins the Thompson-Krist on the west. If the present report is correct, then Vipond has a total acreage of about 440 acres adjacent to the Hollinger and stretching along for about a mile and a half. The general opinion is that with the Crown and Thompson-Krist, the Vipond is in unusually promising shape. One man phrased it:—"They have the world by the tail, sure!" So far as that goes, even if the report is not correct, Vipond is regarded as one of the most promising "comers" in the list.

Have You Tasted

"SALADA" GREEN TEA

Those who have used Japan, Young Hyson or Gunpowder Tea will appreciate the superiority of this delicious blend, always so pure and rich. Try it.

SURE, ALEX, THERE IS BUT THE ONE JOHNNY JONES

Innumerable friends in town will be pleased to hear again from Mr. Alex Adams, formerly on the staff of the J. A. Howse wholesale business here and popular among all who knew him. In sending in his subscription to The Advance this week he writes a characteristic letter. "How are things in Timmins and everybody in it?" he asks, continuing, "Although I am quite a long way off I am still interested in the old town. I hope it is still progressing, 'getting more like New York every day.' I am not going to try to tell you 'anything about Vancouver, B.C., because you might think was trying to shoot the cow's partner. All I will say is that it is a wonderful place to live in. We have had flowers in bloom in the open for six weeks now, but Timmins used to be a better place to make money in, and I expect it is still the same. But the colossal ignorance of some of the people here! They had never heard tell of Timmins! Now, what do you know about that! I saw a big write-up in the Vancouver Province about a famous Toronto explorer and inventor called Johnny Jones who had perfected some sort of a snow motor sleigh de luxe to fly into Red Lake district with. I wonder if he is the Johnny I used to know in Timmins. Red Lake is sure getting a lot of space in the papers out here. I wonder if it is all true. Remember me to all the people I used to know in Timmins. I hope to see them all again some day."

In answering Alec's question it is only fair to say that there is only one Johnny Jones and that is the one that everybody knows in Timmins. He left some weeks ago for the Red Lake district, and he did his best before he went to invent a machine that would make the Canadian National Railways give the prospectors a square deal and a fair show in the matter of transporting dog teams into the Red Lake area. As to whether all the stuff about Red Lake is true or not, it may not be out of place to note that when anything become known as the truth, the daily newspapers cease to consider it as news. The Advance oftentimes feels lonely telling the truth. But the truth is that the Porcupine is the greatest gold camp in Canada, and likely to remain so for twenty years or for ever. The surface here has scarcely been scratched, and with all kind de-

WEEKLY DANCE

Every Wednesday Night

AT THE FINN HALL.
