The foreigner who dumped refuse on Connaught Hill at a place other than the proper dumping ground was fined \$4 and costs (\$10 in all) for so doing. He had cleaned it up as directed before the meeting of Wednesday's police court. It would be well for all who have other garbage to dispose of than that which is taken care of by the regular garbage wagon to make sure that it goes to the proper dumping ground and thus save expense and trouble later. There was also a drunk or two who paid the usual \$10 and costs.

On Friday evening the Bachelors' Insomnia Club held another of their sleepless nights in the School hall.

public weighing scales. The request claimed that these scales were not registering correctly, but as these scales are government inspected according to all requirements, the Council did not consider that the municipality was liable for the shortage which occurred. There were several cases of relief and indigency brought to the township fathers' notice also a request from the local branch of the Children's Aid Society asking for a grant. The question was brought up as to whether the township intended to grant more frontage depth to the properties of the residents living in the township of Tisdale on Elm street, S. and Maple South. It was shown that in the other parts of the township where this greater depth had been granted that it caused much trouble when the roads were ploughed in winter, the snow in many cases heaping up on the sidewalk, and that in cases where the sidewalk was moved out it would be necessary to move it back in again. One instance of this was quoted as being in front of the new High School, South Porcupine.

Mrs. Britton, of Gananoque, is a guest at the home of her son, Mr. E. G. Britton, manager of the Bank of Toronto here.

Britton, South Porcupine; treas., Percy Richards, Dome; secretary, Walter Honer, Dome; executive, Wm. Raynor, F. Horne, K. A. Deacon, John Fell, Sr., Capt. Johns. Big plans are being made now to be thoroughly in readiness when the hockey season opens again. A covered rink for South Porcupine is now almost an assured fact where games can be watched in comfort. Among other things it is planned to have a senior team in the N.O.H.A. next year. There will also be plenty of Mines League and also Junior Hockey in the camp if the programme now being talked of is got into good working order.

Schumacher, Ont., April 14th, Special to The Advance.

The annual meeting of the Schumacher Football Club was held in the Fire Hall on Thursday last, with a good attendance. The president, Mr. Ted Duxfield, gave a very interesting report for the season of 1925, the report being adopted. Discussion took place as to whether it was possible to run the team this coming season, as part of the grounds had been enclosed by the Hollinger Mine. After several gentlemen had given their views it was decided to carry on with the club and the following gentlemen were named as honorary members:—Honorary president, Mr. J. Cosser; honorary vice-presidents, Messrs R. J. Ennis, J. Shewan, Reeve Keer, W. R. Sullivan, A. L. Joyner. The officials elected were:—President, Mr. C. Arnott; vice-presidents Messrs J. Bowen and W. Leck; secretary-treasurer, Mr. J. Webber; manager, Mr. Ted Duxfield; trainer, Mr. J. Campbell. Mr. Arnott thanked the club for electing him president and stated that he would give as much of his time as possible in the interests of the club. He thought that the club, with the talent at its disposal, should be at the top of the league for the forthcoming season. It was moved and seconded and carried that the name of the club be changed from the Schumacher Football Club to the McIntyre Football Club. The membership is to be \$1.00, and Messrs Arnott, Leck and Duxfield were appointed to call upon the business men and canvass their support, as for the coming season the club will have to buy new outfits for the players and the goal nets must be renewed. Messrs Bowen and Webber were elected as representatives to the P.D.F.L. The next meeting of the club is to be held in the fire hall this (Thursday) evening at 7.30. Anyone wishing to become a member of the team is requested to get in touch with the secretary-treasurer, Mr. Webber, or Mr. Duxfield.

An automobile accident occurred near here on Wednesday evening last week. As Mr. W. P. Olton was driving leisurely along the highway, an eastbound car speeding at a terrific rate collided with that of Mr. Olton, threw his car from the road, and damaged it to a considerable extent. Although somewhat dazed by the unexpected experience the occupants of the damaged vehicle were not seriously hurt. Our town constables are on the alert for these reckless joyriders who rush through here at fifty miles per hour, endangering the lives of pedestrians, especially those of little children playing by the wayside.

Shippan, Miss Rosina Mair, Mrs. James Shewan, Mr. Meade and Miss Meade. Community singing led by Mr. Wadsworth, with Mr. Kearney at the piano was a number in which all joined with great enthusiasm. A delicious luncheon of hot tea and coffee, sandwiches and cake was then served by the ladies. In a short address Rev. C. A. Sales, the pastor, entertained the audience with some humorous stories and complimented the ladies on the success of the Social, the value of such gatherings and the general good feeling that existed among the people. Mr. George C. Murphy was chairman, and filled the position to the entire satisfaction of all. The singing of Auld Lang Syne and the National Anthem brought the pleasant evening to a close.
