Preparing For Big Season of Baseball Here This Year

Organization Meeting at Fire Hall on Monday Evening. Mr. H. W. Hooker Elected President for 1925. Mr. W. O. Langdon, Vice-President. Other Officers to be Selected. Discussion of District Baseball and Other Matters.

The annual meeting of the Timmins Baseball Club was held in the Fire Hall on Monday evening with the 1925 President, Mr. E. B. Patterson, in the chair. The attendance was not large, but there was considerable enthusiasm and a general determination expressed to make 1926 a real big baseball season here. President Patterson gave a brief review of the affairs of 1925. Owing to the illness of the secretary the formal reports of affairs and finances were not to hand.

After a brief reference to the prospects for this season the 1925 president called for nominations for the officers for the ensuing year.

On motion of Messrs R. Carmichael and J. Andercheck, Mr. H. W. Hooker was elected by acclamation as president for 1926.

Mr. W. O. Langdon was elected vice-president by acclamation, on motion of Messrs Carmichael and Nottingham.

On motion of Messrs A. Borland, Sr., and J. Closs, the president and vice-president were empowered to select their own secretary-treasurer and executive committee for the season.

President Patterson having to leave the meeting the 1925 vice-president, Mr. R. Carmichael carried through the conduct of the meeting for the evening.

On motion of Messrs W. O. Langdon and J. N. Levine, the 1925 executive was asked to furnish a full and detailed report and financial statement for the past season, so that the present officers may know exactly the condition of affairs.

On motion of Messrs A. Borland and R. Carmichael, the President and Vice-President were appointed as the club's representatives on the T.A.A. A. (Grounds Committee).

There was a general discussion of the baseball situation generally with question as to the position in regard

to a district baseball league. It was generally agreed that Iroquois Falls would be sure to have a district team, and several were equally sure that Cochrane would also be represented this year in the district league. There was also a possibility, it was said, of Kirkland Lake being in the League. After a general talk it was decided to have the secretary communicate at once with Iroquois Falls and Cochrane to learn their plans for a district baseball league this season. A mines league was also referred to, and it will be decided as soon as possible whether Timmins will go in for the mines league or the district league, or both. District baseball was specially favoured by the meeting Monday night.

After a general discussion on baseball matters the meeting adjourned to the call of the President.

NEXT MEETING OF SYNOD TO BE HELD AT TIMMINS.

The next synod of the Diocese of Moosonee will be held at Timmins some time in 1928. This will be the fifth bi-annual meeting of this Anglican synod.

ANOTHER SOCIAL AND DANCE BY CORNISH F. C.

A Social and Dance is announced by the Cornish Football Club for Saturday evening of this week, April 24th, in the Hollinger Recreation Hall. The A. S. D. Orchestra will furnish the music. Everybody will be welcome and all can be certain of a most enjoyable evening. Previous events by the Cornish Football Club have been very pleasant and successful and the evening on Saturday of this week will be up to the past high standards in every particular. A special feature will be the Cake Guessing Contest.

DR. C. SULLIVAN OPENS DENTAL OFFICE IN TIMMINS

Dr. Clifford Sullivan announces the opening of a dental office in the new Goldfields Theatre building, Timmins. The office will be open evenings.

MRS. GARFIELD HEGGART DIES AT HAILEYBURY.

The sincerest sympathy will be extended to the bereaved husband and other near relatives in the sad death last week of Mrs. Garfield Heggart. The Northern News, of Cobalt, last week says:—

“Esther Mary Grace, wife of Garfield Heggart, Timmins, and formerly of North Cobalt, died in the Red Cross Hospital in Haileybury on Tuesday evening, following an operation performed on Friday last. The young woman had celebrated her 20th birthday only a week prior to her death. Before her marriage Mrs. Heggart had held a business position in New Liskeard. The funeral is being held this afternoon from Haileybury Baptist Church, with interment in Haileybury cemetery.”

One of the very few things that ever comes into our lives without being worked for or sought after, is trouble.

Good will towards others is constructive thought; and the more you broadcast the more you will receive in return.

NOTICE of DISSOLUTION

Notice is hereby given, that the Limited Partnership lately subsisting between us, the undersigned, R. S. Gibson as Special Partner, and Robert M. Smith, as General Partner, carrying on business as Furniture Dealers and Undertakers, under the firm name and style of R. M. Smith, in the Town of Cochrane, in the District of Cochrane, has this day been dissolved by mutual consent, so far as regards the said R. S. Gibson, who retires from the firm.

The business in future will be carried on by the said Robert M. Smith, who will pay and discharge all debts and liabilities and receive all monies payable to the said firm.

Dated at Cochrane Ont., this 15th day of February, 1926.

Paymaster Mill Started Operations Last Wednesday

First Unit is of 125 tons Daily Capacity, but Provision Made for 375 Tons per day, and Management Expect to Bring Output to Full Capacity at Early Date. Plans Being Perfected Along This Line.

Last week the Porcupine Paymaster Mine, situated in Deloro Township, was added to the list of actual active producing mines of the Porcupine. The following telegram sent by Mr. H. E. Clement, the general manager, to the head office of the Company at Boston, is self-explanatory:—

South Porcupine, April 14th. “Started milling operations at 2 p.m. to-day, with all equipment running successfully after minor adjustments. Will be in full operation tomorrow. Officers and stockholders are to be congratulated that the enterprise has arrived at production. The staff and myself join in sending best regards.”

The first unit of the mill, just started, is of approximately 125 tons daily capacity. The building and coarse-crushing departments, etc., provide for a capacity of about 375 tons per day, and it is to this latter figure that efforts are being bent. The management are planning to have the mill at its full capacity at as early a date as possible.

Owing to illness on the staff the starting of the mill was delayed for a couple of weeks. There was an epidemic of “flu” at the property and this set them back a couple of weeks. Fortunately, however, the disease was not of severe type and all made good

recovery and took up the work with renewed energy.

All additional equipment for the enlarged capacity is on order, and a new high-speed electric hoist is being installed at present. With the weather conditions favourable now, the installation of equipment and the preparations generally for enlarged production will proceed without interruption now and with speed and despatch.

APPOINTED DISTRICT AGENT EXCELSIOR LIFE

Mr. E. Lapointe, of New Liskeard, has been appointed District Agent for Timmins and district for the Excelsior Life Insurance Co. He will make his headquarters at Timmins, and is now in town, having an office at the Queen's Hotel for the present.

SHIFTING WIRES TO NEW POLES ON PINE STREET

The fire alarm bell rang on Monday morning, hitting one, then a pause, and another strike, which meant, of course no call. A third ring was turned in a few minutes later. The rings were caused by connections made in turning over the wires from the old poles to new poles on the other side of the street.

Earlier Closing of Barber Shops to the Advantage of the Public

By-law No. 307, passed by the Municipal Corporation of the Town of Timmins provides for the closing of all Barber Shops at 7 p.m. on all evenings except Saturdays and the nights before legal holidays.

This will not only be better for the barbers who have had to work too long hours at very tiring work, but it will be better for the public. The shorter hours will mean that the barbers will not

be tired; they will be alert and interested all the time; they will give special attention and energy to their work. Reasonable hours mean increased efficiency.

The public will be advantaged by the change in hours, and the barbers ask the public to assist in making the new arrangement work smoothly for all concerned.
