

Timmins and District Notes

The next band concert will be on May 9th, in the Goldfields Theatre, after the church services.

Born—On Friday, April 16th, at 53 Sixth Ave., to Mr. and Mrs. W. J. Hannigan, a son (Robert William).

Mr. and Mrs. Shouldice left last week for Vancouver, B.C., where they will visit for some time.

Born—In Timmins, Ont., on Tuesday, April 27th, 1926, to Dr. and Mrs. A. P. Brennan, a daughter.

May 22nd will be the S.A. Self-Denial Tag Day in Timmins, and Adjutant Rowe is anxious to get in touch with ladies willing to sell the tags for the event.

The Powder Puff Beauty Shoppe, Goldfields Hotel Building, is pleased to announce that there will be a man expert in ladies' hair-cutting after May the third.

Born—In Toronto, Ont., on Sunday April 25th, to Mr. and Mrs. S. Wheeler, of Timmins, Ont., a son.

At the Powder Puff Beauty Shoppe, a maniere will be given for fifty cents on Thursday, May 6th. Appointments only.

Sunday, May 9th, is Mother's Day, the custom being to wear a white flower in memory of the mother that has passed away, and a red or pink flower in honour of the mother living.

The assessor, Mr. M. Gibson, and Mr. Howe, Chief of Staff of the Citizens' Research Institute of Canada, are busy this week on assessment work in the business section of the town.

Adjutant Crowe would like to hear from a few ladies who would give voluntary help by assisting on Tag Day, May 22nd. Those interested in helping a good cause, Phone 521-W.

Born—In Timmins, Ont., on Monday, April 19th, 1926, to Mr. and Mrs. Joseph Aubry (nee Irene Chenier), a daughter (Anna Reta Estella).

The next regular meeting of the Town Council is called for Thursday evening, May 6th, at 7.30 p.m., in the Town Hall.

The concert scheduled for Sunday evening, May 2nd, in the Goldfields Theatre will be held instead on Monday evening, May 3rd in the New Empire.

Chairman Geo. W. Lee and Commissioners Col. J. McLaren and Col. L. T. Martin, of the T. & N.O. Commission, were in Timmins yesterday on their regular tour of the line.

Mr. W. R. Duesharm returned last week from Toronto where he was on the sad errand of attending the funeral of his sister, Miss Edna Duesharm.

Dr. Irvin Ante, specialist in Crown and Bridge restorations at the Faculty of Dentistry, Toronto, will give a clinic to the dentists of North Temiskaming, Saturday evening, in the Goldfields Hotel, Timmins. All members of the profession have signified their intention of being present, thus showing the popularity of Dr. Ante as an instructor.

All will be pleased to know that Mr. Dan Green, son of Mr. and Mrs. W. Green, of Schumacher, is this week making good progress to recovery at the Providence Hospital, Timmins. He has been in the hospital for several weeks suffering from spinal meningitis, but under skilful treatment and care now appears to be recovering.

MRS. H. EGAN BEREAVED BY DEATH OF BROTHER

Very sincere sympathy will be extended to Mrs. H. Egan in the sad death this week of her brother, Mr. T. J. Mallin, who passed away at Los Angeles, California. Death was due to pneumonia. The late Mr. Mallin spent a couple of years in Timmins, following his profession as accountant in Feldman's and other stores here. He was both popular and highly respected, and there will be deep regret at his death. He was about 45 years of age. Interment took place at Los Angeles, where his brother and many others of his mother's people reside.

A REAL GOOD TIME AT THE A.S.D. CLUB LAST NIGHT

A splendid evening was had by those attending the Juvenile Party of the A.S.D. Club held in the Odd-fellows' Hall last night. It was a real 'kids' party and there were only three present not in strictly juvenile costume. The evening was spent in the usual dances, with a number of juvenile games run in as extras.

A delightful luncheon was served during the evening, after which the secretary, Mr. A. W. Pickering, announced that the next meeting would be a regular night, to be followed on May 12th by another open night. The whole evening's entertainment last night was one the best yet, members and others present stating it was one of the best of the nights provided by the Club.

The Public Library will close Wednesday afternoons during the summer months, in accordance with the early closing by-law to go into force again on Wednesday next, May 5th.

ANNUAL BANQUET OF THE BOARD OF TRADE

Continued from front page. The nickel industry was unimportant and struggling for its life. To-day its importance is noteworthy, the Sudbury area supplying 90 per cent. of the world's nickel. Cobalt has produced \$243,000,000.00 and paid \$91,000,000.00 in dividends. The riches of Porcupine, Kirkland Lake and other gold camps of the North foretold a future of great promise not only for the North but for the Province and the Dominion. Mining had been held back years gone by through unsatisfactory mining laws and Mr. McCrea paid eloquent tribute to Sir Jas. P. Whitney and Hon. Frank Cochrane for what they had done to improve conditions. Coming to the discovery of gold in Porcupine in 1909, he pointed out the credit due to the Timmins Brothers and the McMartins, especially for the courage and foresight that prompted them to risk their money in exploration work, despite the discouraging words of geologists and other experts. "There is no greater record for the Province of Ontario," he said, "than the present development and merited fame of the Hollinger Mine." Mining had given impetus to agriculture and other industries. "We are on the threshold of bigger and better days for us all, I believe," he said.

After touching on the railway expansion in the North, Mr. McCrea referred to the great value to the North of the power developments. The power companies had invested millions in uncertain enterprises and so were entitled to returns in some measure proportionate to the risks. But with long life of the mines assured, and steady "load" maintained on the power plants, there would likely come reductions in power charges that would further help the development of the country, in which power had played already so vital a part.

The Pre-Cambrian formation indicated values to depth. This had been proved in South Africa, India, Siberia, South America and other countries. The future then looked bright indeed for this country with its great Pre-Cambrian shield. He thought a prima-facie case had been made out by Red Lake, and that there were discoveries of substantial importance there, worthy of testing out and developing. Mr. McCrea said that in view of the discoveries at Woman Lake and Birch Lake it was felt necessary to extend the boundaries of the Red Lake mining division and effective June 10th, the recording office for the whole area would be placed at Pine Ridge Portage which seemed the most convenient place, being only a day's journey from either Hudson or Sioux Lookout and generally accessible to prospectors in the big area to be served. In the meantime, maps and circulars are being prepared for wide circulation, informing all of the contemplated changes, etc.

Publicity and Capital were the big needs of the North, and the speaker outlined the efforts made to meet these needs. Capital requires stable laws, fair taxation, law and order and a fair deal. The Province assured these.

"The spirit of the North is to work together for the good of the North, irrespective of prejudices or personal animosities," said Mr. McCrea, and he urged the older men to instil this

spirit in the younger men and to encourage them to public service and municipal betterment.

Hon. Mr. McCrea referred to the Premier's interest and effort for the North and the helpful attitude of the Government and the people of the South. Five million dollars had been voted at the last session of the Legislature without a dissenting vote, the money to be used for the development of the North. In the next two years, \$80,000,000.00 was to be spent by pulp and paper companies for development and \$15,000,000.00 of this would be expended around Kapuskasing. A survey of the forest resources of the North had been made and many advantages accrued. Reference was also made to the increased representation in the Legislature through the dividing of Cochrane riding into two constituencies.

Hon. Mr. McCrea was heartily cheered when he spoke of the completing of the North Land highway, saying that by 1927 they hoped to welcome in Toronto cars coming through by road all the way from Timmins, Cochrane and Iroquois Falls.

"Geo. W. Lee is a true friend of the North," said Mr. McCrea in preface to some railway announcements. Contrary to some reports the Transcontinental train service is to continue on the T. & N. O. Effective next Monday, there is to be an unusually fine service on the T. & N. O. Train No. 46 will leave Timmins at 12:01 noon, instead of 11 o'clock. A train from here at 10:20 will connect at Porquis Junction with the Transcontinental for Montreal. The new subway in Timmins is positively to be built this summer. Regarding the transportation of dogs on the C.N.R., it was hoped to have this cleared up before next winter.

Regarding the royalty, Hon. Mr. McCrea reviewed the history of the changes in the proportion. Timmins had joined in the request that the proportion be one-half instead of one-third. No definite statement in the matter could be expected now, as the Government asked some time to consider. Mr. Ellis, of the Railway and Municipal Board and others were to make a survey of the town's affairs. By expert help improvements might be suggested or present plans confirmed.

Hon. Mr. McCrea congratulated the town on its progress and prosperity, with a special word for the magnificent hotel, the Empire. For the wonderful progress in the mining industry he expressed thanks to all from the men at the head to the men using the pick and shovel. All had done their parts well.

"I am going back to Toronto with greater optimism and enthusiasm than ever regarding the North," were among the concluding words of Hon. Mr. McCrea. The applause following his fine address was prolonged and sincere.

Mr. Massey, a Toronto banker, in the party with Mr. McCrea made a brief but neat address. "Northern Ontario's sun is just rising," he said, "and we all hope to see it shine with increasing brilliancy."

During the evening, Mr. W. Ramsay favoured the gathering with a couple of solos that were greatly appreciated. He has a rich voice, well trained, expressive, and of wide range. Solos by Mr. Belaire were also much enjoyed his fine voice and sympathetic rendition adding to the pleasure of the selections. Music during the evening was also furnished by an orchestra including Messrs R. Johnston, C. E. MacDonald and Mr. Hammer.

Schumacher L.O.L. Preparing for Twelfth of July Event

Committees Formed Last Week. Re-opening of McIntyre Hall to be by Firemen's Ball. Public Lecture on Friday of Next Week. Death of Baby Son of Mr. and Mrs. R. Sims.

Schumacher, April 28, 1926. Special to The Advance.

Miss Regina Blanchfield left on Monday for a visit in Detroit.

Mrs. George Elliott and Mrs. Carl Swanson returned on Wednesday from New Liskeard where they were called recently by the death of their sister-in-law, the late Mrs. Garfield Heggert.

The sympathy of the community is extended to Mr. and Mrs. R. Sims in the death on Thursday, 22nd inst. of their beloved baby boy, Norman Ivor, at the age of one year and ten months. Many beautiful floral tributes from the following friends and relatives surrounded the little casket and spoke eloquently of love and affection. Wreath from the family—Mother, Daddy, Sister and Brother, with love to our little Darling; Hukka, Herb, and Olaf Eden; Messrs Herbert and Henry Cook, cross; Mr. and Mrs. Edlund; Mrs. Robar; Nurse Jamieson; Mr. and Mrs. Percival; L.O.B.A., Schumacher, (cross, anchor heart); Mr. and Mrs. A. Costain, Mr. and Mrs. Townsend; Florence, Violet and Muriel Harris; Mr. and Mrs. Bonnell; Mr. and Mrs. Roy Heath; Mr. and Mrs. Elm; sincere sympathy, Douglas Kitchen; Mr. and Mrs. Thomas Bullock; Mr. and Mrs. Latham. The funeral service conducted by Rev. C. Armstrong Sales at the home on Saturday at 2.30 was very largely attended by friends of the bereaved family. The remains were interred in the cemetery at Timmins.

Schumacher brethren of Timmins Lodge, No. 459 L.O.O.F., attended the annual church parade to the United Church, and enjoyed very much the appropriate and inspiring address delivered by the pastor Rev. J. D. Parks. Mr. J. C. Bonnell is wearing an exceptionally pleasant smile. Another son arrived last week to brighten the family fireside. Congratulations are in order.

The McIntyre Hall, which is undergoing repairs after the recent fire, will be re-opened with the Firemen's annual ball. The date will be announced later.

Misses Margaret and Mary Byrnes, left on Monday for Windsor, having received a message on Sunday announcing the death of a brother in that city. The sympathy of their many friends is extended in the bereavement.

Mr. and Mrs. James Prentiss are visiting at their old home in Hastings County.

Mr. George Henderson left last week for Matachewan.

A public lecture will be held in the Trinity United Church on Friday evening, May 7th. Right Worshipful Bro. B. G. Gosse, Grand Organizer of Ont. West, will be the speaker of the evening, the subject being "The Activities of the Orange Order." The following gentlemen are expected to be present:—Worshipful Bro. W. F. Swayne, County Master of Temiskaming North; Worshipful Bro. Charles Weir, District Master of District of Porcupine; Worshipful Master Burney, of Connaught, County Marshall; Archdeacon Woodall, County Cha-

plain of Porquis Junction; Worshipful Bro. S. Smith, Past County Master Iroquois Falls; Worshipful Bro. Dickens, Master of Iroquois Falls L.O.L.; Worshipful Bro. Gosse is well-known in the Northland as an eloquent public speaker and his addresses are always filled with interest and inspiration.

The Firemen have received a cheque for twenty-five dollars from Mr. James R. Todd as a mark of appreciation for their prompt response to the call of danger, and the efficient service rendered at a fire at his place of business about six weeks ago.

The Schumacher Social Club, which proved such a success during the past season, is again showing signs of activity. On Thursday night 22nd inst. the Schumacher Hotel was the scene of a very brilliant social event. During the early part of the evening the guests were treated to a Chicken Pie Supper. This was followed by a musical programme in which Mr. S. L. Belaire, of Toronto, rendered vocal solos that appeared to captivate the audience. The next attraction was dancing with "Scotty" Wilson furnishing the music. This popular amusement continued until the midnight hour. Upon the completion of the repairs to the Recreation Hall the Club will resume its regular social functions and every one is anticipating another successful season.

Mrs. Christine Martin returned to her home on Wednesday from the Royal Victoria Hospital, Montreal, where she underwent very critical operations. Although the treatment received was successful, it will be some weeks before Mrs. Martin entirely recovers from her recent illness. The members of the L.O.B.A. paid a friendly visit on Saturday, which was heartily appreciated by the patient.

The regular meeting of Schumacher L.O.L. was held on Thursday evening 22nd inst. with a record attendance of fifty-two members. Worshipful Master J. C. Bonnell was in the chair. Among those present were Past District Master Foster of Jacksonboro, Bro. Lawson of Jacksonboro and four visiting members from Cobalt. A general discussion followed on the celebration to be held here on July 12. Committees were elected and an excellent programme is under preparation. The Lodge was closed with harmony. Past District Master Foster addressed the brethren on "Orangeism in the North" and expressed his pleasure at being privileged to attend such an enthusiastic meeting. The Lodge advanced to the Blue Degree for the purpose of initiation, after business closed under good and welfare.

We regret to report that Mr. A. Salhami, one of our well-known young business men, was the victim of a sudden attack of illness during the early part of the week and had to be removed to the Hospital in Timmins. Mrs. Salhami, who is in New York at present, was communicated with by wire and left for home immediately.

Mrs. A. Costain and family visited friends in South Porcupine during the week.

"In His Quiet Moments"
A True Story

Always the life of the party' everybody admires Ted Caruthers for his breezy good nature and winning personality. He is a real man through and through.

But in his quiet moments—

Poor Ted has his personal problem from which he cannot shake himself free when alone. A recent illness, the price of overwork, left his health impaired. The doctor says it is only a matter of time.

He now has only a few short years in which to provide for Mary and the children. What is he to do? He is not able to get life insurance and cannot save much more than \$300.00 a year. In five years this will be but \$1,500.00—not nearly enough!

Then he realizes just what it would have meant if he had insured when able, to provide for his wife an income of at least \$100.00 a month (\$1,200.00 a year) as long as she lived. At his age (35) \$6.40 a week with the London Life would have guaranteed it, and worry would not now be further sapping his strength, killing any chance he may have had of recovery.

The future may easily be made safe for loved ones by insurance, and worry removed from those who have dependents.

One of our trained representatives will be glad to advise.
