

OPENING MATCH OF P.O. F. L. WON BY HOLLINGER

Good Crowd Enjoy Well-Contested Match at Timmins on Thursday of Last Week

The opening match of the P.D.F. L. was held in Timmins on Thursday last when the Hollinger team were at home to the Dome. Both teams were evenly matched and a good even game was played. The ball was on the swing most of the time, although the Hollinger came out on top of a 4-3 score.

The teams were—
Hollinger—Erickson, goal; Roberts, Jr., and Hetherington, backs; Hamilton, McLaughlin and H. Burt, half-backs; Taylor, Satrang, Petterson, Spanton and Dunbar, forwards.
Dome—Sharp, goal; Fell and Ewart, backs; A. Harrower, R. Harrower, and Fidoek, half-backs; Goodman, Dougall, Honer, Douglas and Andrews, forwards.

The Dome pressed and tested out the Holly backs and found them safe. The ball was returned to the other end and Sharp was called upon to save. Back it came and the Dome soon drew first blood when Douglas netted the first tally. They did not keep the lead long for Satrang tied up with a nice shot. The match went on, both teams giving a fine display of football. Before half-time the Dome again took the lead when Dougall received a pass from R. Harrower and drove the leather home.

The second half continued fast, both teams striving for supremacy. The Hollinger got the first tally of this half when Hetherington took a free kick and sent it to Dunbar, and a combined attack took place, Dunbar passing to Petterson, who passed to Satrang, who drove it home with a terrific drive. The Dome tried for a lead again, but the Holly backs were sound and kept them out. The half was not very long on when Spanton put the Hollingers in the lead from Satrang's pass. Midfield play followed, the halves of both teams checking in fine style. Spanton put the Holly further ahead when he took a long shot. Sharp ran out but misjudged it and started a backward run, but failed to get the ball safe. It went in over his hands for a score. The Dome pressed hard now and penned up the Hollinger for a while. After some little play around this area Erickson ran out and missed the ball. Honer ran in to finish the shot, only to have Roberts clear it a foot from the goal line. The play went from end to end till half a minute from time, when the Dome was awarded a penalty, Fidoek scoring off the spot kick.

It was a fine match and Sharp can be complimented for his fine saving during the first half. In one sensational display he stopped three boots of Spanton and Satrang from close-in.

Mr. J. Moore handled the match with very general satisfaction. He has knowledge of the game, fairness, quick judgment, and understands how to keep the game in perfect control.

GROCCERS EXEMPTED FROM HAILEYBURY BY-LAW

A rather unusual situation obtains this year in Haileybury, where the grocery stores are specifically exempted from the provisions of the early closing by-law. In referring to the matter the last issue of The Haileyburian says:—

"By means of a petition to the town council, signed by nine out of twelve, the local grocers have secured exemption from the Wednesday half-holiday by-law which was passed by the council of 1925 at the request of a certain percentage who were in favor of the holiday at that time. The petition was read at the regular meeting of council on Tuesday night and it was found that the number of signatures constituted 75 per cent. of those in that line of business who were affected by the by-law. The council, by resolution, amended the by-law by striking out the word 'grocers' and these stores did not observe the holiday yesterday."

North Bay has three cases of scarlet fever quarantined at present.

LOSS OF OVER \$120,000 IN FIRE NEAR TEMAGAMI

Another series of disastrous fires is reported this week from different centres in the North, says The Northern News. The most serious was that at Goward, two miles north of Temagami, where the big sawmill of the Temagami Timber Co., the largest plant of its kind in this district, was completely destroyed by fire at an early hour Thursday morning. Other fires occurred during the week at Earleton, Kirkland Lake and Lorrain Valley. The mill at Goward went up in flames shortly after one o'clock Thursday morning, and the cause of the blaze is a complete mystery, according to the men who had been working there and who came through here yesterday. Mechanics had been at work making the necessary repairs to start up the plant for the coming season, but there was no fire in any of the boilers, it is stated. One of the men told The Northern News that he was awakened about 1.10 a.m. by the cry of "fire." He could not account for the blaze, he said, which seemed to spread with appalling rapidity. This man said that a number of the men working at the mill had been up until close on midnight, and there was no sign of anything untoward then. The mechanics on the job lost all of their tools, as it was impossible to save anything, so quickly and so fiercely did the plant burn. The piles of lumber in the yard were not destroyed, nor were the various other buildings affected. The mill, which was erected a year or two ago, cost \$120,000 to build, it is stated. About 65 or 70 men were employed by the company last season, it is learned.

BENEFIT FOOTBALL MATCH SATURDAY OF THIS WEEK

All Football Lovers Should Attend Game May 15th on the Timmins Grounds.

A special football match for the benefit of Dunc Twaddle, who has been in hospital for a year as a result of injuries received in a football game here, will be held on Saturday of this week at the Timmins grounds. The kick-off will be at 6.15 p.m. sharp. The match is going to be a good one, the rival teams being picked from the best of the district. The players will do their part in providing a match of unusual interest. The football enthusiasts will also do their part by the biggest turnout of the season. Tickets are now on sale at the nominal fee of 50c. Dunc Twaddle is one of the most popular and highly regarded of the players in the district and the idea of this Benefit Match is to show the esteem in which he is held and the very widespread regret at the ill-fortune he has suffered through injuries received on the football field.

ELK LAKE RECORDER ADMITS THEFT OF FEES.

Mark R. Morgan, recently the mining recorder at Elk Lake, pleaded guilty at Toronto police court last week to charges of stealing \$2,557.66, during the years 1921 to 1926, the money having come into his possession by virtue of his employment in the mining recording office at Elk Lake. The Crown Counsel told Magistrate Jones that in all \$3,200 had been stolen, but of this amount a bonding company had paid \$2,000, while the parents of the accused had made good the balance of \$3,200. The young man was remanded to May 12th and on investigation was ordered.

FRIDAY EVENING, MAY 21 TIMMINS FIREMEN'S BALL.

One of the most justly noted social events in the year at Timmins is the annual ball of the Timmins Fire Department. The Chief and the boys of the Brigade have built up this event until it is one of the big events of the year in every way. It is looked forward to and greatly enjoyed each year. This year it will be held in the Masonic Hall on Friday evening, May 21st. Dancing will commence at 9 p.m. There will be the best of music and the usual great line of choice refreshments. Tickets are now on sale.

COBALT OLD-TIMER HIT BY TRAIN AND BADLY HURT.

Thursday evening last while on his way home from work, Thomas Hickey, an old-timer resident of Cobalt, was struck by the Continental Limited and badly injured. He was hurried to the Mines Hospital, but his condition last week was reported as very serious indeed. He sustained a fracture of the base of the skull, a broken collar-bone, and other less serious injuries. He was walking home on the track and apparently did not hear the approaching train. Desperate effort was apparently made to stop the train when it was seen that the man was not aware of his danger, but there was not time enough to avoid the accident. At first Mr. Hickey did not seem to be badly hurt, being able to walk to and from the automobile that carried him to the hospital. Arriving at the hospital, however, he became delirious, and on examination by the doctors the serious extent of his injuries was apparent.

Mr. Jordan, of the Ontario Fire Marshal's office, investigated the recent fires in New Liskeard, and found that only one of them required special attention, the causes for the others being apparent. The fire specially investigated he found to have been caused by overheated stovepipes.
