THURSDAY, MAY, 13th, 1926
COMPULSORY INDEMNITY
INSURANCE FOR ALL AUTOS.

Recently there has been an appalling number of automobile accidents in this North Land. Men and women have been killed, others have been seriously injured, and there has been great monetary loss through damage done by these automobile accidents. In years past Timmins has been termed 'lucky' in being more than ordinarily free from serious automobile mishaps. Good judgment and good sportsmanship on the part of the majority of the motorists, and the careful watchfulness of an adequate and effective police force have no doubt had more effect in preventing serious accidents than any mysterious element of fortune or chance.

This year, however, accidents in this immediate district are likely to impress upon the people here the lessons that need to be learned in regard to the safety of the public amid the ever-increasing automobile traffic.

It would appear that no one should be allowed to drive a car without first passing a qualifying examination and securing a license to drive. Some plan like this seems to be necessary in the interests of the public. There are careful examinations now to assure competency in those operating boilers, hoists, etc. Engineers of this class menace the safety of few, compared to the number endangered by an incompetent in charge of a motor car. What an uproar would be provoked if it were found that the operator of a boiler or hoist were subject to seizures that might leave him liable to contribute to fatal accidents! Yet recently excuse was made for the driver of an automobile along this very line, when a death was caused through a car getting out of control. There should be rigid laws to provide that all persons operating cars on the public highways are sufficiently skilled to minimize the danger of unnecessary accidents.

The man who will continue in charge of an automobile while in the slightest measure under the influence of liquor is a type of criminal that should be shown no mercy. To operate a car to-day requires a clear-headedness and keenness that precludes all contact with liquor, and particularly the poisonous decoctions so common these days.

Drivers should exercise the greatest care, and the public should be ever watchful. Yet under the most favourable circumstances, and despite the greatest carefulness, accidents still may occur. In any case the public is entitled to the fullest protection. At present the public has not the protection it should have in case of serious accidents. Too often the person injured has no remedy or recourse possible for the fact that life must be borne hereafter in maimed or disabled condition. Hundreds of men have automobiles, and that is perhaps all they have, or more. What remedy has the injured man against the automobilist who buys his car on the instalment plan and who has no seizable property of value? In addition to the burden of the injury the unfortunate man must pay his own medical and hospital bills. The law should fix the responsibility clearly upon the CAR. Every car that travels the public roads should be compelled to carry indemnity insurance. In case of accident then proper recovery of damages would be possible. Such a plan would not make motorists careless; the indemnity insurance companies would see to that. It would not make the public careless either; again the indemnity insurance companies could be depended upon in this regard. Compulsory indemnity insurance would protect the public. For some time past The New Liskeard Speaker has been earnestly advocating this measure of protection for the public, and The Advance has been earnestly supporting the plan. Compulsory indemnity insurance on every motor car operated is badly needed indeed, for the public protection.

Premier Ferguson is at Preston, Ont., taking a brief rest cure on the advice of his physician.

Schumacher School Pupils
Make Fine Time in Fire Drills

Twin Sons Celebrate Their Twelfth Birthday with Delightful Party. Reception for Mr. and Mrs. David Small. Social Evening at United Church. Inspiring Address by R. W. Bro. Gosse. Other Schumacher News.

Schumacher, Ont. May 12th, 1926. Special to The Advance.

Mrs. W. P. Olton is attending the United Church conference in Toronto as a representative from Trinity Church, Schumacher. While in the Queen City, Mrs. Olton intends paying a short visit to St. Catharines where her daughter, Miss Muriel, is a nurse in training.

Mr. and Mrs. Turcotte, of Chatham, are visiting their son and daughter, Mr. and Mrs. J. Wardley, of Second avenue. Mr. and Mrs. Turcotte formerly resided here but left about two years ago to make their home in Kent County.

Mr. McLeod and little daughter, Katherine, left on Thursday for Toronto where the latter will enter the Hospital for Sick Children to be treated for a threatened attack of curvature of the spine. The parents have the sympathy of friends in their affliction.

We regret to report that Nurse McLeary is a patient in the North Bay Hospital.

The home of Mr. and Mrs. W. J. Leek was the scene of a pleasant party on Thursday evening, May 6, to celebrate the twelfth anniversary of the birth of their twin sons, Tom and George. The event was well attended by the school friends of the guests of honour. The boys were the recipients of many beautiful gifts and good wishes for long life and prosperity. An interesting programme of games and music was provided. After a dainty lunch at which everyone performed with equal skill the gay company departed to their respective firesides.

Mr. and Mrs. Gordon, of Fourth avenue, moved to Timmins on the 4th inst. We regret to lose such estimable citizens but the purchase of a business in our neighbouring town was the primary cause of the change of residence.

Misses Margaret and Mary Byrnes returned from Windsor on the 7th inst.

Mr. Howard McDonald, for several years employed by the McIntyre Mercantile Co., has severed his connection with that firm and left recently to visit his brother in Sudbury. After visiting at the old home in Bracebridge he will seek a position in Toronto. 'Howard' was well known by everybody as an industrious, clean-living and obliging employee, and all join in wishing him success in the future.

Mr. Maurice Bueovetsky is on a business trip to Cobalt and Toronto.

Mr. David Small and bride returned from Arnprior on Wednesday and will take up residence in town. Congratulations and best wishes for a long and happy voyage on the peaceful waters of the matrimonial sea. A reception was held at the Schumacher Hotel on Monday evening in honour of the bride and bridegroom.

Don't forget the Bazaar and Afternoon Tea also Sale of Home Cooking on Saturday afternoon, May 29th, in the basement of the United Church, under the auspices of the Ladies' Auxiliary.

Mrs. McDonald, of the Dome was renewing acquaintances in town during the week.

Rev. C. Armstrong Sales is in Toronto attending the conference of the United Church of Canada.

Mr. Charles Jueksch, chief of the local fire brigade paid an official visit to the school on Monday and gave the children a couple of practice fire drills. In one minute and five seconds after the alarm the pupils were out of the building. The Chief expressed his satisfaction at the result. An excellent paper on 'Fire Protection' prepared by Mr. Jueksch was then read to the assembled classes. Mr. Fulton, Schumacher Chief of Police, was a visitor.

Many friends will regret to hear of the illness of Mrs. W. Aide and all join in wishing her a speedy recovery.

The regular monthly social evening was held in the basement of the United Church on Tuesday evening, and was a great success. About one hundred people were present. At 8.30 Mr. James Shewan, the genial and efficient chairman called the meeting to order and commenced the programme with the singing of some old-time melodies. Messrs Gilbert and Spraggs furnishing the music on the

piano. Vocal solos, recitations, instrumental numbers then followed, in which the following ladies and gentlemen very kindly took part:—Mrs. F. Gilbert, Mrs. V. McFadden, Miss Rosina Mair, Mr. Spraggs, Mr. F. Gilbert and Mr. Sturdy. In the nail-driving contest for ladies, Mrs. J. Hayward was declared the winner, with Mrs. Meade a very close second. Mr. Charles Penny won the prize in the hat trimming contest for men, his artistic creation being as the lady judges said, 'a real dream.' Mrs. J. A. Bush and Rev. C. A. Sales were a tie in guessing the weight of a delicious cake. The prize was divided between them. A real good lunch of sandwiches, cake, tea and coffee was then served by the ladies, who are to be congratulated on the success of these monthly social functions.

The public lecture in the United Church on 7th inst. by Right Worshipful Bro. B. G. Gosse, grand organizer of the Orange Association in Ont., West, was very largely attended. Bro. Gosse spoke very forcibly and eloquently on his subject, 'Activities of the Order.' The chairman was Worshipful Master Burney of Connaught, county marshal. Brief addresses were delivered by the following: Archdeacon Woodall, county chaplain; Rev. C. A. Sales and the chairman, the keynote of all being the influence of the training received by the youth in the home, school and church, for the future good citizenship of the people of our great country.

Mr. Geo. Murphy, superintendent of the Masonic Order for this district, returned on Sunday from a business trip to Cobalt. While in the Silver city Mr. Murphy attended a banquet given by that fraternal organization.

Mrs. S. Tennyson left Tuesday for a visit with her sister, Mrs. Skinner, of Toronto.

Miss M. Radburn accompanied by her friend from Toronto, spent a few days at her home here, and returned to Toronto last week.

Mother's Day services were fittingly observed in the Trinity Church on Sunday. The edifice was appropriately and artistically decorated with flowers and plants. Special music was rendered by the junior and senior choirs, which was very much appreciated by those in attendance. Mr. E. L. Longmore, our popular superintendent of the Sabbath School, took the afternoon service in his usual pleasing and effective manner. Rev. C. Armstrong Sales preached an eloquent and earnest sermon in the evening on 'Mother,' the presiding spirit of the home, the one earthly power to whom the world is indebted for all its noble achievements. A beautiful vocal solo 'Mother o' Mine' by Mrs. F. Gilbert and anthems by the choir both exceedingly well rendered brought a memorable service to a close.

Messrs Robinson and Staples, of town, will open a blacksmith shop in Timmins next week. While we are sorry to lose these citizens, we wish them every success.

While Mrs. Frank A. Brown, of Sault Ste. Marie, was house-cleaning last week, her two-year-old son secured some pills placed on a table while some shelves were being cleaned. The little lad ate the pills and died soon afterwards.

NOTICE TO CREDITORS

In the matter of the estate of William Murray Francis McGregor, late of the Settlement of Porcupine, in the District of Cochrane, master mariner, deceased.

Notice is hereby given that all persons having any claims or demands against the late William Murray Francis McGregor, who died on or about the second day of February, A.D., 1925, at the Settlement of Porcupine, in the Province of Ontario, are required to send, post prepaid, or to deliver to the undersigned, solicitor herein for Mary E.
