**MANY CHANGES NOTED
IN PAST SEVENTEEN YEARS.**

In an interview with The Advance last week Mr. Harry A. Preston said that seventeen years ago the first prospecting party to reach this part of the Porcupine arrived at Porcupine Lake. The party included Messrs. J. S. Wilson, Harry Preston, Geo. Burns, Frank Campbell and Clifton Campbell, with some Indian guides. A few days later Messrs. Geo. Bannerman and Tom Geddes arrived on the site of what was later to become Canada's greatest gold camp.

What changes have taken place since the Wilson and Bannerman parties camped on Porcupine Lake in 1909?

Of the two groups of prospectors, only Messrs. Bannerman and Preston are now in the district.

On May 12th, 1909, two large bull moose came out of the bush quite close to where the Wilson party was preparing dinner. Bull moose! The moose part has gone from the district these many years.

Seventeen years ago the country was all heavily wooded. Now, the timber, like the moose, is rapidly disappearing from the Porcupine.

There was a pretty lake just across from where the T. & N. O. station now stands. The lake has passed, like the moose. It is filled up with treated rock from the big mine. Over \$160,000,000 in bullion has been taken from the mines of the Porcupine since the day seventeen years ago when the bull moose watched the prospecting party. Previous to that day the moose saw no human beings here, except an occasional Indian or a worker for the Hudson Bay Company.

To-day about twenty thousand people may be found within the runway of the moose of seventeen years ago.

The lakes of seventeen years ago are filled, the bush of seventeen years ago are cut down or burned, the face of earth and rock are altered almost beyond recognition. Thriving towns replace the woods of seventeen years ago. Pottsville and Golden City, thriving and hustling mining villages grew up on the shores of Porcupine Lake. Then came the town of South Porcupine, followed later by the towns of Schumacher and Timmins.

Timmins is the biggest of the new towns—a city in size and in its modern equipment.

Seventeen years ago the prospectors had not even visited this city—yet-to-be. Bush and muskeg, sand plain and lake, with rocks rising barren here and there. That was seventeen years ago, when the prospectors might have viewed it, but they did not come this far.

Now, let them look it over! A city of 15,000, with an assessment of \$6,000,000.00, with 1,200 homes and 400 business places, with three-storey and four-storey brick and tile business blocks, paved streets, miles of cement sidewalks, up-to-date sewer system, electric street lighting, waterworks system, incinerator disposal plant, the most up-to-date fire department in the North Land, a million dollars invested in schools, including large modern public, separate and high schools, five churches, three big theatres, up-to-date hotels (one of them—the Empire—truly the "Pride of the North"), local and long distance tele-

phone systems, telegraph, express, five banks, three up-to-date hospitals, large skating arena, big athletic parks, dance halls, golf course and club house, tennis courts, good band, orchestras, choirs, public library, amusement parlours, all kinds of sports,—in short, everything that means an up-to-date and progressive city.

Since that day seventeen years ago when the prospecting party shared the landscape with the bull moose, the Porcupine and Timmins have come a long way on the pathway of progress, and the future promises still a long way of progress and development and betterment.

**INTERESTING FOOTBALL
MATCH TUESDAY NIGHT**

**Holly Recs. and Cornish One-and-All
Stage Good Game for Benefit of
V.O.N.**

The match between the Cornish One-and-All and the Hollinger Recreation Football Club on Tuesday night in aid of the V.O.N. Fund was a very good one and the crowd enjoyed it very much.

The Recreation had a number of new men on their team and it was a good work-out for them. Although their team was affected by the change, they put up a good match. Proulx in goal showed up very well and appears to have the makings of an able goalie.

The Cornish One-and-All changed their team around. Street played at centre and was effective in front of the net. Taylor and Toms played their usual fine game. Higman intercepted well during the match and gave Stanwick some nice passes. Williams is also a hard worker and has a very true shot.

Shaw, of the Recreation, was the best of the forwards and is tricky with the ball. McKenzie put in a good game but was checked close. Wilson and Leonard played well at back.

The first half was in favour of the Cornish One-and-All, a 2-1 score. Street and Toms both netted for the Cornish, while Shaw got the Recreation's only tally.

The second half was not very old when the Cornish came down in line. Street got a pass from Williams and shot. Proulx saved, and Street gave the rebound a first-time kick and scored, Proulx having no chance to save. Williams tried soon after with a nice high corner shot, which Proulx saved nicely.

Wills, at the other end, pulled off two dandies that looked like sure goals. The Cornish played the best combination and were dangerous at all times. Shaw got through, but failed to score. The match finished Cornish One-and-All, 3; Holly Recs. 1.

Cornish One-and-All—Wills, goal; Strong and Sanders, backs; Higman, Bethick and King, half-backs; Stanwick, Williams, Street, Toms and Taylor, forwards.

Hollinger Recreation Football Club—Proulx, goal; Wilson and Leonard, backs; Rees, Kesley and Woods, half-backs; Lowe, McKenzie, Shaw, McLaehie and Cantley, forwards.

Mr. Rice, referee.

The crowd were all well pleased with the game throughout.

FOUND

FOUND—Lady's Watch. Apply to S. Kitchen, Schumacher. -20.

CARD OF THANKS

Schumacher Fire Department wishes to thank the ladies of Schumacher for their kind assistance in making the recent annual ball so great a success; also the Ramblers' Orchestra for the excellent programme of music, and the general public for the generous support given for the event. -20

**A.S.D. TO HOLD LUNCHEON
AND DANCE NEXT FRIDAY**

Usual Night of Club Changed for
Final Event of the Season
Next Week.

The final of the Wednesday night dances of the A. S. D. Club was held last night in the Oddfellows' Hall here. The attendance was not as large as usual, the heavy snow-storm which started earlier in the evening being a deterrent to quite a number attending. Those present however, made up for the lack in numbers by doing their utmost to keep the slogan of "always something doing" to the fore for the last of the Wednesday dances and a real enjoyable evening was spent.

After the serving of refreshments, President C. G. Pirie announced that the club had exchanged evenings with the Maccabees next week, and that on next Wednesday evening it would be that society which would have the use of the hall; the A. S. D. holding their concluding meeting on Friday evening. This year a luncheon followed by the usual dance would conclude the evening's schedule. Tickets for the luncheon could be obtained from any of the executive committee, Misses Mary Boyd, Nellie Studor and Birdie Hill looking after the distribution of tickets among the lady members of the club, while the gentlemen members could obtain their tickets for this closing event from Messrs M. Belanger, J. Jacobs, A. W. Pickering or C. G. Pirie. Tickets were \$1.25 per plate. A reminder for the dues was also made, it being absolutely necessary that these be collected before the close of the season. The president also stated that he had been requested to announce an afternoon tea and sale of home-cooking being put on by the Girl's Auxiliary of St. Matthew's Church, to be held in the basement of the church on Saturday afternoon from 3 to 6 p.m.

For the dancing last night, the club orchestra provided the best of good music, and the usual high class refreshments were served.

**TWENTY CASES AT THIS
WEEK'S POLICE COURT.**

There were twenty cases at police court here on Wednesday. Ten of them were drunks, pure and simple, or otherwise. Nine of the ten paid the usual ten and costs. The tenth fellow failed to answer to the roll call at court. So his bail was estreated and a warrant issued for his arrest.

O. Olson on the charge of having liquor in a public place contributed \$50.00 and costs. On a similar charge N. Boisclair paid a similar amount into the police treasury.

L. Popilin was found guilty of illegally having liquor. It cost him \$100.00 and costs.

Four men found in a little game were assessed \$5.00 each and costs for gambling.

J. Subinski on a charge of high-grading was remanded to next week.

N. Staffle and N. Nedeoff were each charged with assault. One of them is still in the hospital. Both cases were remanded until next week.

Next Sunday (Whitsunday) services will be held in St. Matthew's church: 8:30 a.m., Holy Communion; 11 a.m., Morning Prayer and Holy Communion; 7 p.m., Evening Prayer and Holy Communion. The anthem at the 11 o'clock service will be, "Send Out Thy Light," and in the evening, "O, for a Closer Walk with God."
